ALWAYS PRETTY WELL STIRRED UP

A Young Kentuckian's Maiden Speech Makes a Decided Hit.

A GEORGIAN'S LOGIC IS LAUGHED AT

WASHINGTON, May 28.—The legislative appropriation bill was reported by Mr. Forney, of Alabama, in the House to-day and referred to the committee of the whole.

Mr. Durborow, of Illinois, from the World's Fair Committee, read a joint resolution authorizing the President to make a proclamation relative to the observance of the 40th anniversary of the discovery of America.

Mr. Hayes, of Iowa, spoke in favor of striking from the bill the section which authorizes the Postmaster General to fix the rate of mail transportation over land grant railroads.

Mr. Kendall, of Kentucky, who recently succeeded to his father's seat in the House, delivered his maiden speech, which was addressed to the silver question.

Mr. Watson, of Georgia, referring to Mr. Fithian's remarks, took occasion to read a resolution to the Democrats of the House.

Mr. Watson then proceeded to extol the planks of the Ocala platform, and was frequently interrupted by Messrs. Fithian, Reed, Enloe and others.

Mr. Enloe replied to the criticism of the Democratic majority made by Mr. Watson. It was, he said, much easier to criticize a production than to produce something.

MORE MONEY NECESSARY

To Carry Out the Provisions of the Chinese Exclusion Act.

WASHINGTON, May 28.—Secretary Foster to-day sent to the House of Representatives a letter asking that \$100,000 be added to the \$50,000 heretofore appropriated for the enforcement of the Chinese exclusion act during the next fiscal year.

The act requires the registration by collectors of internal revenue, within one year, of all Chinese laborers within the limits of the United States at the time of the passage of the act, and of all other Chinese persons who may apply for such registration.

There is no appropriation under which the payment of such fees may be made. I cannot in the view expressed by the Commissioner of Internal Revenue, that fees for such service should not be allowed to the collectors under the act.

The Secretary says he thinks it may be fairly assumed that the number of cases of deportation will be largely increased by the new act, and estimates \$50,000 as the expense of trial, imprisonment, and deportation of Chinese during the next fiscal year, or a total additional estimated expense of \$100,000.

CUTS THAT WILL CAUSE WAR.

The Legislative Appropriation Bill Reduced More Than a Million.

WASHINGTON, May 28.—The legislative appropriation bill was completed by the Appropriations Committee to-day, and reported to the House.

The only substantial change in the appropriation for the House is the addition of compensation for 25 additional members who will enter under the new apportionment.

KAUFMANN'S GIGANTIC SALE OF MEN'S STRICTLY FINE SUITS. \$13.50 THIRTEEN DOLLARS AND 50 CENTS \$13.50. FOR CHOICE FROM 1,500 MEN'S REGULAR \$20, \$21 AND \$22 DRESS SUITS. A chance to buy fine clothing for less money than the medium grades are sold for elsewhere. An opportunity for everybody to dress in the height of fashion at small expense. A survey of our stock shows that, in spite of a very prosperous Spring trade, we have 1,500 more Men's Fine Suits than we should have at this advanced stage of the season. This may be bad, but it would be worse to remain inactive under the circumstances. It isn't always good to "let well enough alone." This is an instance. If liberal reductions can move this surplus stock, IT WILL MOVE. How's a discount of 30 to 40 per cent for an inducement? That's what we practically offer you. Fifteen Hundred Choice Imported Dress Suits have been marked down from \$20, \$21 and \$22 to \$13.50. This means a big loss to us, but we see no alternative but to acquiesce in the situation. Besides, our experience tells us that the first loss is invariably the best, so why make matters worse by fruitless hesitation? We won't. Now's the time to act, and now, gentlemen, we ask you to come in and select any one of 1,500 superb dress suits, worth from \$20 to \$22, for only \$13.50. No matter how fastidious your taste may be, you can easily be suited, for the suits have been expressly made for our fine city trade, and they excel in quality, style, make and fit half the custom work turned out in Pittsburg. The materials are finest Scotch Cheviots, Homespuns and Bannockburns; finest English Casimeres, Clay Diagonals, Clay Worsteds and Tibets. They are carved out in the latest shapes of single and double-breasted Sack and Cutaway Frock styles, and include the most desirable patterns, shades, colors and mixtures worn this season. Remember, your choice from all for \$13.50. KAUFMANN'S FIFTH AVE. AND SMITHFIELD ST. STORE WILL CLOSE TO-MORROW AT NOON. KAUFMANN'S
