CONVICTED BY HIS WIFE'S FACE VERNER'S SHOES Joseph Dougherty Pays \$50 and Costs fo Abusing His Better Half. Joseph Dougherty caused quite an excite-ment on Aiken avenue, Shadyside, early yesterday morning, by almost killing his wife. About 4 o'clock Thomas Trainor, a  $\square$ neighbor, was awakened by the screams of "murder" and "police." He hurried out of his house and ran back into Dougherty's his house and ran back into Dougherty's rear yard, where he found Dougherty stand-ing over his wife kicking and beating her in a terrible manner. Trainor pulled him away and as he did so Dougherty flashed a large butcher knife and made a dash for him. Trainor then ran out on Alken avenue and notified Officer Colman, who im-mediately went into the yard and after a severe struggle succeeded in placing Dougherty under arrest. He was taken to the Nineteenth ward station and locked up. At the hearing yesterday morning Mrs. Dougherty appeared against her husband. Magistrate Hyndman said to her, "Your ap-pearance is enough evidence to convict your husband." Mrs. Dougherty's face was cut and seratched in a number of places and her right eye was blackened. The Judge find him \$50 and costs, or 90 days to the workhouse. UNNING OFF WITH THEIR BOOT-There never was any booty better worth running off with than our CHICAGO TIE. We don't have to put down our heads, snort, and charge and utter a theological roar. There are lots of good people that do it, and they only break their horns. It is very casy to raise a cheap hurrah, it is easy to shout out "yox popull, yox def." or any other lie loudly, and it passes for truth. But we must recognize that a shout and a hurrah will not permanently cleanse and lift up a cits, that it will not reduce a single evil ele-ment in it. A change must be made either by legislation or administration. Vice in this city must be confined to dishobbled back home. Chief Steel said yester-day that there was no occasion for Smith to jump from the window, as there was a fire escape just at the side window on that floor and there was no fire near him.
