Divers dealers are continuously advertising trimmed hats at seemingly great reductions. We never get a chance to do so, because our Trimmed Hats sell right out-don't stay long enough to get reduced. New hats are trimmed here every day. The newest ideas are embodied, the newest shapes and latest materials are used. The truth in a nutshell is, that at these stores you pay little

over half the figure asked at other establishments for the same goods It's our low prices that drive competitors to harping about imaginary reductions. Don't be deceived. We are selling stylish, fashionable headwear away below the prices quoted by other houses for "shop-worn store stayers" that we wouldn't even give away much less dispose of at a reduction.

25c hats cut quite a figure in the advertisements of certain competitors. We have hats at 25c, also, that formerly sold at from 75c to \$1. They are not the shop-worn "things" that some dealers advertise as "bargains." Black, brown, navy and tan are the colors, and the newest and best shapes are among them. The hats we offer at 25c are so much above the others that comparison would indeed be odious.

Leather Straps for the Alpine Hat and Sailor Hats in tan and beige. No extra charge because it's a novelty.

Then we have the richest and loveliest Gauze Ribbons you ever laid eyes upon at 18c and 25c a yard. These are really wonderful bargains. It is understood that the Daughters will improve beautify and embellish the little breathing spot, and use means to preserve the Block House, but not to injure its peculiar and,

serious thought to what the ownership of ground in Pittsburg will entail. It may be that the city will relieve the property of taxation if the park be thrown open to the public. In that case the only responsibility would be the meeting of current expenses, whatever they may be. A practical transfer of the improved property to the city would be in fact what the first is in spirit, and in addition would relieve the Daughters of the burden of the management. Again, they might charge a small entrance fee, and, retaining the property in their own right, pay possibly only a nominal sum to the city. It is not meant to be ungenerous to the society, but it is likely matters would be withen simplified and a longer and more successful existence predicted for the Block House Park if it were turned over to the city.

The Daughters might beautify it to please themselves first and have a tablet or other monument to perpetuate their act of usefulness to posterity.

Wednesday evening, June 1, Miss Laura Wentz, one of the most popular young school teachers on the Heights, was married to George Albert Carson, a well-known physician of Mt. Vernon, Iowa. The ceremony took place at the residence of the bride's parents, 187 Meridian street. Duquesne Helghts. The bride made an elegant appearance, as she, preceded by the little flower girl. Marian Woodward, and the two maids of honor, the Misses Anna A. Wehner and Sadie Wolf, marched to an altar in the rear of the house, where the Rev. Mr. Ballyntyne made them one. The Young People's Society of Christian Endeavor of the Presbyterian Church, of Wilkinsburg, will give a lawn fete to-morrow and Tuesday evenings. They will be held on the beautiful grounds attached to the on the beautiful grounds attached to the residence of Mr. Robert Ferguson, Hampton Place. The young ladies have been hard at work on their preparations for weeks, and have spared neither time or labor to make the event the most notable one of the season for Wilkinsburg. The spot is a magnificent one, and provided the weather is good there should be no possibility of the occasion being anything less than delightful.

On last Wednesday evening at 6 o'clock amid a bower of floral beauty and in the presence of relatives and, intimate friends, the wedding ceremony which changed the name of Miss Mary D. Hoeveler to Mrs. Alexander Hays King, was performed by Rev. Father Suhr at the residence of the bride's mother, Mrs. Sabina C. Hoeveler, Highand avenue. The home of the bride, as well as the total parties. tee in charge are busily trimming it up and getting it ready for the great days. The ladies of the different churches will have booths for the sale of refreshments, and there will be a saber drill by the Sheridan Sabers and other interesting exercises. Music will be furnished by the Homewood Band and colored quartet, and there will be all the social intercourse that comes naturally from the attendance of several hundred people. Saturday evening the department will parade the streets of Wilkinsburg, in full uniform and with all the paraphernalia of the organization. They presented a brave sight last year, and will no doubt repeat their triumph now. doubt repeat their triumph now. The large new church of the Methodist Episcopal congregation of Wilkinsburg re-sounded with merry chatter and laughter on Thursday and Friday evenings of last week.

The young ladies of the Ald Society were giving a supper on each evening for the benefit of the church, the proceeds of their benefit of the church, the proceeds of their entertainment going into the building fund. The new edifice is large and is decidedly the handsomest building devoted to religious purposes between Pittsburg and Greensburg. It is not quite finished, but the guests of the young lades did not mind that, for the openings where windows will be were covered with cloths, and the open doors only allowed the cool evening breezes to float into the interior and add to the generality pleasant character of the occasion. Full justice was done to the cunningly devised dishes, and a large sum was turned into the treasury in consequence. The pionic given by the members of the corgregation or St. James' R. C. The Young People are making great preparations for it, and a large attendance from Wilkinsburg, East End and the city is expected.

street cars. It may be that there are con ductors really desirous to have cleanlines in their cars, but the majority are indifferent, not to say actively responsible for a reneral contempt of the white sign forbidding expectoration. There is no reason why a conductor should not indulge in tobacco, any more than that anyone hould do anything else by which the pubic is annoyed. But there are conductors and on our pattern Fifth avenue line, at that, who do use the weed, and, since the

It must be denied that the cars are a bit cleaner than they were six months ago. As for the streets they grow worse. And, really, the smoke may be diminished, but it soils one's linen as much as ever. We are scrubbing, scouring and scraping all the time, and vet our streets and the general appearance of our public conveyances must cause anything but a glow of pride on our cheeks. burying a very much alive institution last Sunday. All that was said of Miss Ward's school will have to be recalled, for, though made in entirely good faith, it appears the statement that the school would cry "peccavi" at the close of the midsummer term is entirely incorrect. Miss Ward, in a polite letter of remonstrance against having her school put under ground, says that her school is very flourishing and will be ready to take up the cudgels for itself next autumn as usual, and congratulations are extended to Miss Ward that she still will or school work, and also to the East End that

The bride, a handsome young lady, combined simplicity of dress with her beauty, and looked lovely in her bridal robe of white crepon silk trimmed with point and Duchesse lace. In selecting her maids, the bride could not have chosen three more cinarming attendants than Miss Katharine Keating, who acted as maid of honor, and Miss Rose Callery and Miss Hattie Wainwright, bridesmaids. The many guests who were assembled at the pretty home of Mr. and Mrs. William Rush, of Sheridan avenue, Connelisville, on Tuesday, June 7, to witness the marriage of their daughter, Ella R., to Mr. Frank J. Harvey, of Latrobe, voted the affair one of the most enjoyable of the season. The marriage was solemnized by the Rev. Father O'Connell, of Connellsville, in a veritable bower of roses, as every particle of available space was lined with choice roses and flowers of every description. The bride wore a gown of pretty lemon colored silk, trimmed in rich white lace, which corresponded with the bridal veil of soit white tulle. Her maid, Miss Mary Donegan, of Connellsville, wore a delicate colored pink silk, trimmed with blue silk of the same material, contrasting beautifully with the one worn by the bride, The bunch of cream roses which the bride carried in her hand, and the sew buds of the same entwined in her hair, had a very pleasing effect. Miss Fannie C. H. Byrne, of Allegheny, a cousin of the bride, and who is an able musician, rendeved music during the ceremony. Defenner was served shortly after, amid the delightful strains of a Straues waltz. Invitations were sent to Pittsburg, Allegheny, Washington, D. C., Latrobe, Mt. Pleasant. Uniontown, McKeesport, Hazelwood, Renova, Mammouth and Connelisville, and judging from the houseful of pleasant faces, very few invitations had failed to elicia a response. The bride and groom left for Pittsburg over the Battimore and Ohio via the fast line for the East.
