POSTER'S COMPLIMENTS TO MR. LACEY

WASHINGTON, June 15.—The Senate spent four hours to-day, in a debate on the silver bill, Mr. Morgan occupying about three-fourths of that time in an elaborate presentation of arguments in support of the measure.

Mr. Morgan did not directly aimed as were some of his preceding speeches on the same subject at supposed candidates for the Presidential nomination.

An Attempt to Corner Palmer. He was followed by Mr. Palmer, who moved to strike out of the bill except the first section, which fixes the standard of gold and silver dollars, makes those coins legal tender, and permits the owners of silver or gold bullion to have it minted for their benefit and without charge.

One Sea of Enormous Water. The legislative sea was unusually calm this morning in the House, and the fortification bill gently sailed into port without encountering any adverse winds.

Mr. Shively then launched the tin plate bill upon the smooth waters, and as the measure slid down the way, delivered a thoughtful and studious speech.

Mr. Steward also had something to say in support of the bill, and Mr. Conroy presented figures to prove that just before the demoralization act of 1873 the coining of silver dollars had not virtually ceased, as often asserted, but was going on actively.

Mr. Groun, in speaking to an amendment, said that its effect would be to stop the work of sea coast fortification—a work which had been earnestly recommended by the wise statesman, Senator J. Tilden, and by the gentleman whom the Democrats expect to nominate next week.

Utterly Unable to Agree. The River and Harbor Conference Have to Give Up a Bad Job.

WASHINGTON, June 15.—The conferees on the river and harbor bill, after being in conference three days, have failed to reach an agreement, and have decided to report that fact to the two houses, and ask for instructions. The conferees, it is reported, were able to agree upon nearly all of the points of difference, including the 25 per cent cut in the first year's appropriation for the contract projects to which the House conferees were willing to accede, but the conferees disagreed hopelessly upon the two new Oregon and Washington projects.

Time to Put a Stop to Lynching. WASHINGTON, June 15.—In presenting a petition in the Senate to-day from the colored people in Riley county, Kan., in relation to the prevalence of lynch law, Mr. Puffer stated that, from newspaper reports, the practice was growing in all parts of the country, North, South and West.

More Money Wanted in California. WASHINGTON, June 15.—The sundry civil appropriation bill, as it passed the House, appropriated \$50,000 for the enforcement of the Chinese exclusion act.

Money for Lake Safety. WASHINGTON, June 15.—A proposed amendment to the sundry civil appropriation bill was to-day reported to the Senate from the Commerce Committee.

Not Ready to Talk of Quitting. WASHINGTON, June 15.—Mr. McMillin's resolution proposing that Congress adjourn July 4, next, came up before the Ways and Means Committee to-day, and it was decided to defer consideration of the matter for the present.

No Trouble Reported at Guthrie. WASHINGTON, June 15.—General Schofield said this afternoon that General Miles, at Chicago, was last night ordered to send troops to Guthrie, Okla., for the purpose of assisting in the preservation of peace and good order.

He Has Only Pleasant Words for Retiring Comptroller Lacey.
