ling it. It goes without saying that the man who settles this case satisfactorily, with 4,000 in-terested people, will be a "corker." What the trouble is no one seems to know for certhe trouble is no one seems to know for cer-tain. There are too many interests. The original intention of the Coldwater Com-pany was to build from Mansfield to Toledo, Coldwater, Battle Creek and Allegan, Mich. The Pennsylvania Company now owns the line and operates it from Mans-field to Toledo. The Cincinnati, Jackson and Mackinaw bought the right of way through Battle Creek to Allegan for \$187,-000. Senstor Brice and Secretary of the Trensury Foster are both interested parties.

fightin

#### BUSINESS BREVITIES.

JOHN MASON, & New York leweler and sil ersmith, has assigned.

THE Franklin Mining Company, Boston has declared a dividend of \$2 per share. THE New York Produce Exchange has voted to close on Saturday, July 2, thereby widening the holidays at that time.

THE 250 miners who struck at Macon, Mo. have gone to work again, and will in the future be paid the 20th of each month for the month preceding. The holding back of 20 days' pay was the point the miners were fighting.

NEARLY all the national building and loan

associations of the United States met in

Chicago yesterday to consider the question of a permanent national organization and the extent and nature of the State super-vision over such asconditions.

ALL the strikers at the John Porter Fire

Brick Company's works at New Cumber-land, W. Va., were paid off yesterday and

discharged. New hand, will be employed to take their places. The majority of the old hands will be rehired, but the leaders in the strike were discharged for good.

E. T. ALLED, special master in the case of

E. T. ALLED, special master in the case of Hoke Engraving Plate Company versus Carl Schraubstader, Jr., has found to be due the Hoke Engraving Company \$183,112 by reason of the defendant's infringements of its pat-ents. This is the isrgest amount ever as-sessed against a defendant in a patent case in the St. Louis district. The patent sued on covers the well-known chalk plates used everywhere for illustrating newspapers.

RAILWAY INTERESTS.

H. N. BROOKS, Superintendent of the Bea-ver Valley Traction Company, has resigned.

It is authoritatively denied that the Cana-

dian Pacific is seeking terminals in the vi-cinity of New York.

D. P. Rommson, the new president of the

San Antonio and Arkansas Passenger Rail-road, has begun the work of reorganizing the different departments of the road.

THE New York City Bank has demanded payment from the Danville and Terminal

companies of a loan of \$100,000 now over-due, and will sell the collateral securities to-day

THE announcement was made yesterday

The announcement was made yesteroug that the Central New England and Western Bondholder's Committee had succeeded in getting every bondholder into the scheme. The property will be turned over to the Reading company.

At the special meeting of the stockholders of the Chicago Great Western Railway Com-
