THE WHEELMEN OFF ON MANY RUNS

Tennis Players Getting Ready for the Coming Tournament.

GOSSIP OF THE FIELD AND THE ROAD

To-morrow will witness the realization of many plans laid for a day of enjoyment at the games, nets and on wheels many weeks ago.

The Kiskiminetas Springs School ball team has made quite a record for itself this season, winning the school championship of Western Pennsylvania.

The Keystone Bicycle Club's meeting last Monday evening was very interesting from the fact that a number of new members were elected and plans were laid for several pleasant events in the near future.

Hubert O. Bowers, the pitcher of the Yale 'Varsity nine, may be considered the "right bower" of that strong college team, which is defeating most of the other clubs

Scotland. He is a fine free bat and is especially good on the off side. Valerius played first with the Germantown club of Philadelphia.

Tuesday a lawn tennis party, attended by about two dozen society people of both sexes, passed off charmingly on the Seminary's shady grounds at Steubenville, O.

coming in victorious. Bowers, who has taken Stagg's place on the Yale nine and with whom he has the misfortune to be compared, is not a natural ball-player, but one of those who have won a place for themselves by sheer hard work and perseverance.

Before entering college he pitched for the Plainville, Mass., and other nine. On entering Yale he was trained for the 'Varsity nine during his first season, and was accepted as substitute pitcher and fielder; but it was not until last year, when Dalsell's health failed and Bowers was literally forced into the box, that it was demonstrated that he was the best pitcher in college.

As a ballplayer he is by no means a phenomenon. He is a steady, hard worker, who has a cool head and good sense and uses his strength to advantage.

Twenty-two of the Keystone Bicyclers started out last Sunday for a run to Economy and return via Haysville, So-wickley and Fair Oaks, but they did not return on their wheels. They left the city at 7:30 A. M., reaching Economy at 10:30 and lunched at 11 o'clock the first time.

Outing classes: The first eight tennis players as follows: 1. O. S. Campbell; 2. C. Hobart; 3. F. H. Hovey; 4. R. P. Huntington, Jr.; 5. E. L. Hall; 6. P. S. Sewar; 7. V. G. Hall; 8. S. F. Chase.

The tournament of the Pittsburg Tennis Club from July 19 to 26 inclusive is interesting everybody in this part of the country and it begins to look as if every locality will be represented.

Miss Mabel E. Cahill, of New York, who has again won the lady's championship of America, is a very graceful player as well as exceedingly active.

The tennis fixtures for July are as follows:

- July 4—Country Club, of Westchester county, N. Y. Invitation tournament.
July 4—Riverside Tennis Club, Chicago. Invitation tournament.
July 4—Pacific State Association, San Rafael, Cal. Championship of the Pacific States, singles and doubles.

July 11—United States Lawn Tennis Association, Chicago. Western double championship.
July 11—Seabright Lawn Tennis and C. Club, Seabright, N. J. Annual open tournament.

In view of the fact that there has been no meet here devoted exclusively to wheelmen, it is suggested that the various associations and clubs take the matter in hand and

prepare for one. There are five or six wheelmen's clubs in Pittsburg with about 2,000 riders, and it is thought that such a meet would prove not only a success as regards finances, but also in establishing records.

WHEELMEN generally are considerably excited over the proposed 'tax on their members. They say they are willing to pay what is right, about \$1 per year, but they are unwilling to pay more.

WILLIAM R. BROCKENBIDGE, with the Pittsburg Cycle Company, an expert rider from Milwaukee, is an addition to the ranks of wheelmen in Pittsburg.

MESSRS. BARKER, the Lytle Bros. and Eccles will ride to Idlewood to-day and return on Monday. They are in project concerning the 1st of August and lasting 10 days.

It is probable that the Keystone 15-mile road race will be run over a course from Seabright to Economy and other towns. It is probable that the Keystone 15-mile road race will be run over a course from Seabright to Economy and other towns.

A COOL-HEADED MESSENGER

By an Adroit Motion He Fells the Efforts of Bandits to Rob an Express Car.

ST. PAUL, July 2.—The St. Paul, Minneapolis and Omaha passenger train was held up last night, about one mile east of Kasota, Minn., by two masked men, who attempted to rob the express car.

The robber ordered the messenger to open the safe, which he did. There was a large amount of money in the safe, but the messenger grabbed it and dropped it behind the safe, unseen by the robber.
