Ewing and Moorhead Win Their Way to the Singles Final.

ALTOONAS DEFEAT OUR SLUGGERS

Results of the Races at Monmouth and Washington Parks.

GENERAL SPORTING NEWS OF THE DAY

All eyes are now concentrated on Messrs. Ewing and Moorhead who have come to the finals in the singles at the tennis tournament in progress at the grounds of the Pittsburg Tennis Club, on Craig street. Tuesday evening it was openly said that the final round would be between Christy and Moorhead as it was last year. Christy played a winning game on that day and if he had kept his form the result might have justified the anticipations. But he was retired from the contest in the second round by Fay, of Altoona, and later on Fay succumbed to Ewing, who played an excellent game all the way through yesterday.

The courts were in fine condition, considering the amount of rain that had fallen on them on Wednesday and the cloudy sky that prevailed yesterday morning. They were a trifle heavy early in the afternoon, but toward 3 o'clock the sun came out bright and warm and hardened the smooth surface of the clay so that by the time the most interesting contests were reached the courts were in the best of shape.

Good Play in the Second Round.

But one had finished the second round previous to yesterday, and that was Moorhead, who was waiting for his semi-final with the winner of the contest between Barr, of Pittsburg, and Whelen, of Altoona. The latter gentleman's play was watched pretty closely, for he had come with a reputation of being the equal of Buch, of the same place, the holder of the Grogan cup. He played a cool, steady game, taking most of his balls at the base line and placing them very effectively. He had not a very speedy service, nor was he particularly active on his feet, yet he won the round from Barr, never allowing him a game in the two sets played.

More interest was taken in the contest between Fay and Christy than in any other in the second round. In this Fay surprised the people and Christy did not play his best game, or at any rate, not nearly so good a game as he had played on Tuesday. He was very unfortunate in his returns, sending the majority of them into the net or out of court. Fay was very successful in his lobs, while Christy's strokes were entirely too strong. Fay won the first set by a score of 6-0. In the second set Christy pulled himself together and won 6-4, but he only took two games in the third set and was placed hors de combat so far as the championship this year is concerned. It was urged that he had had but little practice this year, too little to play as steady a game as would have won, if the steadiness had been combined with the general speed of his service, returns and drives.

Ewing's Very Easy Victory.

The second round between Jenks, of Sharpsburg, and Ewing resulted in a comparatively easy victory for Ewing, who entered the semi-finals on scores of 6-0, 6-3.

Those who had seen the steady playing, the quick work of Fay in the second round, anticipated a close contest between him and Ewing in the semi-finals, but Ewing's back stroke, his judgment in placing the ball, were too much for Fay. There were some very pretty plays, several exciting rests and considerable sharp volleying in the round between these two, and both came in for shares of the applause that broke forth frequently from the large audience. Several times Fay succeeded in making a return when everybody thought the ball had been sent beyond his reach. On the other hand, his lobs were not so successfully placed as they were in his round with Christy. He lost the first set to Ewing by a score of 6-3, and the second by 6-1.

The other semi-final round between Moorhead and Whelen was less interesting to the general public, for it was played on an inside court where the plays could not be well observed. In this, as in all the previous rounds, Moorhead showed his superiority, allowing Whelen but one game in each set. He played as good a game at the net as he did at the base line, and his cross court drives were almost always effective.

An Important Contest To-Day.

To-day will decide whether Ewing or Moorhead will play Buch for the championship cup. The members of the Pittsburg Tennis Club are very well satisfied with the way the singles have gone so far, for as both gentlemen in the finals are members of their club, they feel that there is a good chance to have it come back to Pittsburg.

Several of the teams in the doubles dropped out of sight yesterday and a few worked their way upward toward the prize, one reaching the final round. In the preliminary round Messrs. Ewing and Vail were opposed by Christy and Byrnes. Mr. Byrnes, of Sewickley, had retired in the singles early in the fight on Tuesday, and it was anticipated that he and his partner would drop out, but Byrnes played a good game. Although he was selected as the target and his side of the court as the place for drives, etc., he proved himself more than equal to the occasion, and by his frequent and well-judged lobs contributed not a little in winning the round. Again in the second round he and Christy met the two Annesleys from the Three "A's" and were victorious with scarcely an effort. Both he and Christy were too speedy for the Annesleys, and outplayed them every way.

They Played a Good Game.

Pier and Edwards played a good game together. Both were active; both were strong at the net or at the back court plays and they won from Kelly and Tibby by scores of 6-3, 8-6. At one time it looked very much as if there would have to be three sets to decide which team was entitled to play in the semi-finals but Pier and Edwards went there only to retire before Messrs. Moorhead and Reed, who played a very strong game together, winning their way into the finals. To-day Messrs. Buch and Whelen meet Messrs. Barr and Coster in the second round and the winners of the round will meet Messrs. Christy and Byrnes.

Some of the first rounds of the Consolation were played off yesterday, but none of the contests have been very exciting so far. It is expected that to-day the Consolation will move faster.

The prizes outside of the championship cup for which the players are contesting are: First singles, silver library lamp; runner up singles, silver mug; first prize doubles, silver lamps; runners up, rackets; Consolation prize, singles, silver handled shaving brush.

TRACK RECORDS AND TALK.

Littlefield Wins a Good Race With Mars at Monmouth Park.

MONMOUTH PARK, July 14.—Only about 1,000 spectators witnessed the running of the sixth day's programme, which lost much of its original promise of exciting sport through the withdrawal of Helen Nichols from the Lassie stakes, and The Pepper and Shellbark from the Stockton. The former was a tame affair, August Belmont's crack filly winning the prize in a canter from Miss Maude. The Stockton, however, was a horse race from start to finish. Merry Monarch ruled favorite at 6 to 5, while 5 to 1 could always be obtained against Mars.

Mars and Merry Monarch had a nip and tuck finish all through the last furlong. Littlefield had a good horse in Mars, but the spectators fully expected Taral to outride him. The former rode a really clever race, and evoked thunderous applause by landing the stake with Mars by a short head. Reckon had no difficulty in winning the fifth race at odds of 3 to 5. Speculation bolted and swerved several times, Midget Lambley being unable to keep him straight. Derfagilla won the opening maiden race in a gallop, Gold Dollar, 8 to 1, taking the sixth in the same fashion. The Sheriff, 6 to 1, headed a bunch of six in the fifth, the entire half dozen being separated only by heads.

First race, six furlongs—Derfagilla, 7 to 2, won by three lengths, galloping; Adelbert, 15 to 1, second by two lengths, driving; Oxford, 25 to 1, third by a length, whipping. Time, 1:12¾.

Second race, the Lassie stakes, five furlongs—Lady Violet, 3 to 10, won easily by two lengths; Miss Maude, 10 to 1, second by five lengths, driving; Meudicant, 6 to 1, third by a length. Time, 1:06¾.

Third race, the Stockton stakes, one and one-quarter miles—Mars, 5 to 1, won by a head, whipping; Merry Monarch, 6 to 5, second by half a length, whipping; Kilkenny, 40 to 1, third by eight lengths, whipping. Time, 2:08¾.

Fourth race, one mile and a furlong—Reckon, 3 to 5, won easily by three parts of a length; Allan Bane, 20 to 1, second by four lengths, whipping; Kirkover, 20 to 1, third by five lengths, pulling up. Time, 1:55¾.

Fifth race, one mile—The Sheriff, 5 to 1, won by a head, whipping; Gertie D, 3 to 1, second by a head, whipping; Experience, 15 to 1, third by a head, whipping. Time, 1:42.

Sixth race, five and one-half furlongs—Gold Dollar, 10 to 1, won easily by three lengths; Captain Brown, 12 to 1, second by a head, whipping; Yemen, 2 to 1, third by a head, whipping. Time, 1:06¾.

YO TAMBIEN A FLYER.

The Western Filly Considered the Equal of Firenzi and Miss Woodford.

CHICAGO, July 14.—Yo Tambien won the great Western handicap at Washington Park to-day, carrying 108 pounds and covering the distance, one mile and one-half, in 2:33¾, three-quarters of a second of the record made by Firenzi, and leaving as good an all-aged field as could be picked in the West behind her. The filly went to the front in the first quarter and, making her own pace, won all the way. Wadsworth was her closest attendant for three-quarters of the way. Joe Blackburn went out after the filly, and they ran a length apart, with Wadsworth third, for a quarter. In the stretch it was Yo Tambien first by a length, with Blackburn second and coming fast. At the sixteenth pole Blackburn had his nose at the filly's saddle girth, and Thorpe drew his whip. Yo Tambien answered gamely and went past the post winner by a clean length. The pace killed off Wadsworth, who was equal favorite with Yo Tambien in the betting. Jugurtha outlasted Wadsworth and Come-to-Taw and finished third. Fractional time was: Quarter, :25¼; half, :50; six furlongs, 1:16; mile, 1:42; mile and half, 2:33¾. This is the fourth stake race Yo Tambien has won in Chicago since June 18. This was the first time she was asked to go a mile and a half, and her remarkable performance establishes her the peer of Firenzi and Miss Woodford. There is already talk of a match race between her and Tammany.

First race, purse $600, for maiden 2-year-olds—Dog Vela, 7 to 1, won by two lengths; Tom Kelly, 5 to 1, second; Marion, 50 to 1, third. Time, 1:03¾.

Second race, purse, for 3-year-olds and upward, selling allowances, one mile—Cecily, 5 to 2, won in a drive by half a length; Alice D, 8 to 1, second; Sallie Taylor, 8 to 2, third. Time, 1:43.

Third race, Great Western Handicap, one and one-half miles—Yo Tambien, 7 to 5, won by a length and a half; Joe Blackburn, 8 to 1, second; Jugurtha, third. Time, 2:33¾.

Fourth race, purse $700, for 3-year-olds and upward, six furlongs—Gentle C, 8 to 1, won easily; Nous, 12 to 1, second; Odrey, 8 to 1, third. Time, 1:15½.

THREE COLONELS RELEASED.

Hemming, Healy and Dowse to Go and Bassett Fined $100.

LOUISVILLE, July 14.—[*Special.*]—Among the players who were not asked to accept a reduction in their salary were Pitchers Hemming and Healy and Catcher Dowse. To-day, however, President Stucky sent them the ten days' notice of their release. It is very probable that Dowse will be signed by Philadelphia. Pitcher Clausen, who was purchased from the Western League for $500, joined the club to-day. He will likely pitch his first game in Philadelphia.

Kentucky's staple article proved too much for Charley Bassett and he was notified last night just before the team's departure that a fine of $100 had been entered against him for indulging too freely in intoxicating liquors. Since the abandonment of the Western League, Manager Pfeffer may sign another pitcher and an outfielder.

Gumbert's Narrow Escape.

CHICAGO, July 14.—Last Sunday a select party, with Gumbert numbered in it, went to the Mak Saw Ba Club's preserves in Indiana on the banks of the Kankakee. The river is swollen some and the current quite strong. All who cannot swim a stroke, began rowing up the river in a small skiff, when in some unaccountable way the boat was overturned and the pitcher thrown into the seething waters. Fortunately he succeeded in laying hold of the capsized craft and held on to it until rescued. A fine fowling piece and some costly fishing tackle lie imbedded in the bottom of the Kankakee, but Ad remains to tell the story, so he does not begrudge the river its treasures.

THE COUNTY LEAGUE.

Important Meeting Regarding a Protested Game and a New Committee.

An important meeting of the County Baseball League was held last evening. There was an interesting discussion on a protracted game played between Wilkinsburg and Tarentum on July 9, which was won by the former. But McStern, under contract to the Mansfield club, played with the Wilkinsburgs, hence the protest. Finally it was decided "throw the game out" and it will be played over again. President Barbour, who presided, stated that McStern would be eligible to play with the Mansfield team.

The meeting also decided to have a permanent arbitration committee to whom all disputed questions will in future be referred. Messrs. John D. Pringle, of THE DISPATCH, John Gruber, of the *Post*, and George Thornburg, of the *Press*, were appointed the committee.

Dan Barr, who has been playing with the Wilkesbarre team during his vacation, was reinstated. Messrs. Jefferys and Keefe, of Allegheny, were appointed regular umpires.

MORE CHANGES CONTEMPLATED.

Kelly May Play Short and Shugart Go to the Outfield.

An official of the local ball club stated yesterday that Joe Kelly will likely be tried at short and Shugart tried in the outfield. The official said:

"This change is contemplated by Captain Burns and he may make it so if Shugart can improve in his playing. He has been doing very poor work lately. If Captain Burns is able to play he will go to third and Farrell will go to the outfield. The outfield will then be Shugart, Farrell and Donovan. Smith will then be kept as a pitcher."

To-day's League Schedule.

The baseball contest for the second pennant of the season will begin among the League teams to-day. All the teams will start anew in the race and the postponed games of the half just ended have nothing to do with the half beginning to-day. Following is the schedule of to-day's games:

Pittsburg at New York, Cleveland at Washington, Cincinnati at Baltimore, Chicago at Brooklyn, Louisville at Philadelphia, St. Louis at Boston.

Thompson pitched a poor game and the visitors played very carelessly. The pitching of Hayes was very effective. Score:

Looks Like a Collapse.

CINCINNATI, July 14.—The President of the Northwestern League, when asked to-day if the disbandment of the Western League was not imminent, replied that it was. No official announcement has yet been made. It is thoroughly understood, however, that the organization will be completely broken up this week.

Leased Some Hunting Land.

BEAVER FALLS, July 14. — [*Special.*]—A party of sportsmen of this place and New Brighton have leased the sporting privileges of 2,000 acres of woodland lying on both sides of the Little Beaver river near Darlington, and will be used only by the members and friends. The tract is well stocked with game, and is considered the best hunting grounds in Beaver county. Notices warning all trespassers from the grounds were posted, and any person caught thereon with a gun will be prosecuted.

A Privilege to Wheelmen.

WASHINGTON, July 14.—Bicycle riders bound for Washington to attend the great meet of the League of American Wheelmen may leave their lamps and bells at home. The Commissioners of the district to-day in response to a request from the Capital Bicycle Club, the leading wheeling organization in this city, issued an order revoking for the three days of the meet the police regulation that requires wheel riders to carry a bell at all times and a lamp at night.

Challenges the State.

Joe Beatcher, just arrived in this city from British Columbia, called at this office last evening and stated that he is willing to wrestle any 135-pound man in the State, catch-as-catch-can or mixed styles, for $100 or $200 a side. An answer through THE DISPATCH will receive his attention.

The Kentucky Wheelmen.

LEXINGTON, July 13.—The Kentucky Wheelmen met in annual session to-day with an attendance of 400. The great championship race for one mile was won by Max Wilson, of Lexington, Ky. There will be races to-morrow.

An Offer to Dempsey.

SAN FRANCISCO, July 14.—The California Athletic Club has telegraphed Jack Dempsey offering him a match with Billy Maber, the Australian light-weight. Maber says he will fight at 140 pounds and will allow Dempsey a few pounds.

The Diamond.

Now for the race for the second pennant.

PRESIDENT BRUSH says he is very proud of the Reds.

THE Syracuse club has dropped some $3,500 this season.

To keep up their general custom our sluggers will have to win to-day.

THREE of the local club officials have gone on their summer vacation.

ELMER SMITH may be used regularly as a pitcher during the second half.

THE Big Run team defeated the Brookvilles on the latter's grounds by 7 to 5.

JACK CROOKS may be deposed and Dick Buckley made captain of the St. Louis Browns.

CUPPY has proven a good find for the Clevelands this year. He is one of the few strong batting pitchers in the League.

CHARLEY MORTON is now managing the Atlantas, and he has taken Motz, Pop Smith and Wadsworth into the South with him.

WHEN Milwaukee went up there was $18 in the treasury. Wild Bill Widner came home with three baseballs and a catcher's liver pad as his share of the spoils in lieu of salary.

ANSON'S base hit in Saturday's game was the first one he had made in five games, and he was so pleased over it that he afterward actually talked about it for five minutes in the clubhouse, while his players extended their congratulations.

UMPIRE LYNCH says that Stivetts, of the Boston team, has one of the best positions at the bat of any batsman in the League. He met the big fellow on Saturday for the first time, and at once admired his manner and style as a batsman. "It is no wonder," he said, "that Stivetts is among the leading batsmen of the League."

GLASSCOCK is sliced $300; Carroll, $400; Moran, $350; Caruthers, $200. The boss President is keeping the wires hot to provide against emergencies. DEALING OUT CANDY ON SUNDAY.

How Grand Army Day Was Observed at the Pennsylvania Chautauqua.

NEWSY NOTES FROM NEARBY TOWNS

MCKEESPORT, July 14.—The crusade of Constable Lang against people who sell cigars, candy, ice cream, etc., on Sunday, is continued. There have been eight prosecutions before Alderman Hughes, and two persons have been fined $25 and costs. The majority of them have appealed. In all these cases the evidence was furnished by George Brown, of Versailles township. In one case, that of Mr. Hoyt, a merchant charged with selling Brown 5 cents worth of candy, Mrs. Hoyt answered for Mr. Hoyt, he not being able to be present. She was left off with costs in the case.

Immediately after the hearing the lady saw Brown standing near the Alderman's office. She walked across the street to a grocery store and picked up a half dozen eggs and placed them in her apron. She walked to where Brown was standing and began to pelt him with the eggs, three of them striking him on the back of the head. He turned around, bewildered, and received the fourth one on the face.

After this performance she returned to the store and gladly paid for the eggs. He will likely prosecute.

GEN. DECHERT TOO BUSY

To Attend Grand Army Day at the Pennsylvania Chautauqua.

LEBANON July 14.—This is Grand Army Day at the Pennsylvania Chautauqua. A committee from Chautauqua, consisting of President G. B. Stewart and Dr. J. M. Reedseeker, called on General Dechert at headquarters this morning, immediately after the Governor's arrival and in addition to the formal invitation extended to him and staff yesterday afternoon, requested him to be present at the Grand Army camp fire this evening. The General returned his thanks, but, unfortunately, also, his regrets, saying:

"I am very sorry, gentlemen, but I have always declined leaving camp for social reasons when on duty, and must to-day especially decline your honor, on account of the inspection, which will occupy every moment of my time. I will refer you, however, to the State Fencibles whom, together with their band, you may be able to secure."

Governor Pattison was also seen and invited to speak this evening. He consented to do so should his military duties permit. In addition to the other speakers, Chaplain McCook, of the brigade staff, will make an address, as well as Colonel Edwards, of the Governor's staff; Chaplain Hoyt, of the State Fencibles, and Chaplain Keppler, of the Sixth Regiment. Colonel Withrup, Commander of the State Fencibles, said when invited to have the State Fencibles' Band take part in the exercises this evening: "If I can possibly arrange it they shall come." This evening will be given over entirely to the G. A. R. campfire. This morning at 10 o'clock Dr. E. L. Warfield, of Lafayette College, lectured on "Abraham Lincoln." This afternoon the prima donna, Mme. Marie Decca, gave a concert. Large excursions are visiting the Chautauqua today from along the lines of the Reading Railroad.

WESTMORELAND DEMOCRATS

Favor Compulsory Arbitration of Labor Disputes, and Against Pinkertons.

GREENSBURG, July 14.—[*Special.*]—At a meeting of the Democratic County Committee here to-day Captain John B. Keenan was chosen as Chairman for the ensuing year. Resolutions were also adopted sympathizing with the locked-out men at Homestead and condemning the high protective tariff policy of the Republican party; also, favoring the enactment of laws prohibiting the employment of Pinkerton detectives and favoring the enactment of a law compelling the employer and employee to submit to arbitration any differences that may arise between them.

A. W. Bacon, a member of the committee, was killed at the railroad station to-night in attempting to board a car. He was ground to pieces under the wheels. He lived at Calumet and leaves a wife and five children. He was a coke drawer.

PEACE RESTORED AT JEANNETTE.

No Flag Incidents Mar the Celebration of the French Holiday.

GREENSBURG, July 14.—[*Special.*]—The celebration of the French holiday and the flying of the French flag at Jeannette was not attended with any trouble. Fearing an outbreak, the Secretary of State at Washington and Governor Pattis n instructed District Attorney McCurdy this morning to proceed to Jeannette and request the Burgess to insist on order should the French flag be raised. A NEW CAVE MYSTERY.

Darkness Reigns Over All, and No Sounds Are to Be Heard.

CADIZ, July 14.—While a party of boys were camping out in the wild and rather unsettled portion of Harrison county, about 12 miles west of Cadiz, last week, a discovery was made there that may prove of some note when fully investigated. On a small level place on the side of a very large hill was found to be an opening which was partially filled with dirt and wood.

The boys and a young man who was out photographing made up their minds to discover what it was. They went to the owner of the land for tools and permission to dig. He was an old gray-headed man, who had lived there for perhaps 40 years. When he learned what was to be done he did not object, but said the boys must be careful or they would never get out. Together with what they saw from digging and from what the old man told them he had discovered, they learned that the opening is in solid rock, and one, when he lowers himself into the opening, which is about six feet deep, finds himself in a narrow passage.

This passage runs north for a distance of 80 feet, and slopes down at an angle of a little less than 30 degrees. It gradually gets narrower until finally one comes to a jumping place. From the sound it opens into an immense chamber of darkness. A light held at this opening reveals nothing but inky darkness.

A stone thrown in this opening cannot be heard to strike anything at all. A rushing sound is heard when the stone is first cast in as a stone falling through the atmosphere.

The matter has been kept quiet here and the location is known only to a few.

There is a move on foot to have a thorough investigation made.

SORELY AFFLICTED COMMUNITIES.

Frightful Effects Continue of a General Row on the Fourth.

STEUBENVILLE, July 14.—[*Special.*]—Township Trustee J. S. King, of Mt. Pleasant township, reports a deplorable state of affairs at Long Run, Dillonvale and Laurelton mines on the Wheeling and Lake Erie Railroad. About 30 Slaves were slashed in the battle on the railroad train on the Fourth. Some had their cuts dressed, while others neglected doing so, and now are laying off because their cuts are festered. Anthony Balini, a Hungarian, is dying from neglect to have the proper attention for a foot that was crushed last Saturday. Andy Sedlechi, a Pole, died last night from injuries received Tuesday morning. He was cut from the abdomen up by the fall of soapstone. He died after suffering horribly for 36 hours. Kiss Denis had his face spoiled by having it cut by a pick in the hands of a negro, and was taken to the infirmary to-day, he having become demented from his injuries.

The houses of the company are all built without regard to sanitary regulations. The two sick men, Balini and Sedlechi, became delirious lying under the eaves of these houses, and they were removed by the Township Trustees. Unless the matter is taken in hand and sanitary regulations established, the ravages of disease among miners this summer will be frightful. This matter will be brought before the County Commissioners. The mines are owned by the Pittsburg, Lake Erie and Wheeling Coal Company, and employ 1,000 miners, who turn out 250 carloads per day.
