'I take pleasure in saying a word or two in condial recommendation of Trinity Hail. As one of its patrons for the past three years. I have been deeply interested, of course. I have seen the school life and have looked into the course of study and the methods of teaching. All these are very satisfactory. I have seen too, that the care is kindly, the food excellent, and the discipline administered with rare good sense and indgment. Trinity Hail, to my mind, is the most 'home-like' of any school I cyer saw.'
