If anybody thinks that our sluggers cannot play great ball; indeed, put up an out and out first-clas article, he or she

game at Exposition Park. The local heroes met the Cleveland representatives, those fellows who lead the League, and who have strong pennant aspirations, and the visitors were beaten. They were beaten simply because they couldn't make

a better of it, and they were outplayed in all respects. The visitors are proverbial for making excuses for defeats, but they had no excuse whatever for their defeat of vesterday except that very palpable one of not playing good enough.

There Was Some Lively Kicking.

When the fortunes of the day were going against the fellows from the Forest City they began to kick wonderfully and at one time Umpire Snyder threatened to fine a whole benchful of them. They gave indications of being bad losers. The umpire was a little off at times, but his bad decisions were all against the home players and he made one very questionable decision in declaring Bierbauer out at third base in the eighth inning. Miller made a remark about the decision and was promptly fined \$10. The decision was a bad one to say the least, but any umpire is liable to make a

Esper, the new pitcher, made his appearance for the home team, and the 1,800 people present were all very glad to see him win his first game here. He deserved to win because he pitched very well, indeed. In tight places he was very effective. But never a pitcher was better supported all round than Esper was. Elmer Smith crowned himself with glory out in left field and the infield played brilliantly. There was never anything like an error except in the ninth inning, when Shugart made a bad throw to first in trying to effect a double play. But Beckley with his long srm play. But Beckley with his long stopped the ball and no harm was done

The Sluggers Did Son And the home players were in good hit-ting humor. John Clarkson faced them and John was touched up quite lively. This had really an encouraging effect on Esper and the team generally. Beckley and Farrell each made a home rue. That of Beck-lev's was probably a little shaky, but the ball took such a bad bound when near to McAleer that it wouldn't be fair to give Farrell's crack was a clean one was just as nice a homer as anybody could wish for. Kelly batted in very hard luck, as he hit the ball hard every time, but it always got into a fielder's hands. Altogether the visitors were thoroughly outplayed, although they put a tolerably good game.

Manager Buckenbergersent the visitors to the bat first and this gave the home players the best of the contest all through. The

locals were the first to score, and they did so in the second half of the second inning. Shugart led off with a hit, the ball bound ing over Virtue's head. Bierbaur flew out o Childs and Parrell sent a hot single to left. Shugart reached third on the hit, but Farrell should have been out at second if Childs hadn't dropped the ball. Esper knecked an infield hit to Clarkson, who threw wild to first and Shugart scored the run; being an earned one, as Esper made a sacrifice hit. Farrell also tried but was thrown out at the plate by Virtue.

Where the Visitors Scored One. In the third inning Childs led off and got his base on balls. Burkett's sacrifice sent him to second and he scored on Davis' sin-

In the second half, after Donovan was out, Smith rapped out a single to left, and then Kelly knocked out a fly, which O'Connor caught. Beckley next appeared at the plate, and he got his eagle eve on a good one, banging it on a straight line to middle field. It bounded past McAleer, and as a result Jake and Smith both crossed the

The sixth inning came and it was

certainly an exciting one. Davis led off and got his base on balls, McKean made a safe bunt and a passed ball sent Davis to third and McKean to second, Virtue's sacrifice hit scored Davis and then McAleer flew out to Smith, O'Connor made a fine single to left scoring McKean and tieing the score. This was pleasing to a few Cleveland roosters, but their pleasure was short lived. In the second half of the inning Beckley got his base on balls and Shugart made safe bunt. Bierbauer's hit to Clarkson. forced Beckley out at third and then Charley Farcell loomed up and materially changed the complexion of things. The Duke of Mariboro thumped the ball square on the nose, whacking it out between Mc-Aleer and O'Connor. The ball went clear to the right center fence and Shugart, Bierbauer and Farrell scored on the hit. This was extremely refreshing to the home enthusiasts. The hit won the game as not another run was made on either side. The

Chicago, 12-Cincinnati, 8, CHICAGO, Aug. 8 .- For five innings Dwyer had the colts at his mercy, while "Hutch" was being pounded in all directions. In the sixth matters were reversed, Anson's boys going to the front, two bases on balls, Comiskey's error, four singles and Hutchison's home run hit doing the business. The field ing on both sides was very loose, and, strange to say, the same players charged with errors redeemed themselves by doing most of the batting. Weather very hot. Attendance, 1,500. Score:

A Great Game,

The Dispatch and Postnines, of the News paper League, played a postponed game at Wilkinsburg yesterday and the latter won Both teams played with a vim, it being the first game between these teams. The Dis-patch nine had a new pitcher, Stevens, who played an excellent game, having eight as to his credit. In the last inning the game was at its exciting point, two men out, the bases full. Mannas made a hit to right field, which Boyer caught, winning right field, which Boyer caught, winning the game for the Post. To Depew belongs the credit of an excellent throw from deep left field to the home plate. The errors made by the Dispatch were costly, they losing the game. Both teams were uniformed, the only clubs having uniforms in the Newpaper League. Weather permitting, the Dispatch will cross buts with the Leader nine at 4 r. m. to-day at the same place. The score resulted as follows:

Mulvey Has Disappeared

WASHINGTON, Aug. 8 .- [Special.] -- Mulvey deserted the Washington Club early last week and returned to Philadelphia. He reported in Brooklyn Monday, and practiced before the game. Next day he failed to show up, and since then nothing has been heard up, and since then nothing has been heard from him. Whether his action was insti-gated by fear he could not play good ball or a hankering after the excitement of the Gloucester race track has not transpired. This explains the failure of Mulvey to ap-pear in any games during the week, and if he worked the club for advance money he has probably been bucking against the Gloucester races ever since. How to Tell Your Birthday From the

Hamilton Building Fire. The great fire which nearly destroyed the Hamilton building on Fifth avenue occured Friday, August 12, 1887.

The anniversary of the "Great Hamilton building fire" (as it was heralded all over the world) fails on the same day of the week this year, 1892. the week this year, 1892.

Now our rule is very simple, but by it you can tell with absolute certainty the very day of the week on which you were

born.
STEN, PLEARE.
To all who send us the correct explanation we will give a souvenir book or
mouth organ.

To illustrate. If you bought a Decker Bros. plano on August 15, 35 years ago, we can tell you the very day of the week this new found treasure came into your home. Or if a Knabe plano brought some of its sunny South atmosphere into your house on a bleak 24th of December 40 years ago. Or a bright, winsome Fischer plano had spread good cheer and gladness over your home circle, on some or sp November day, 31 years ago. Or if a soulful, celestial-voiced Estey organ won you into a spirit of praise away back among the "fortles," we can tell to a certainty the day of the week when the new joy sprang into being.

Ore Choice.

But if you can't tell, come to see us, and we will make it plain and simple as the "Columbus egg" legend, and will also exchange your old plano for a new one, or otherwise accommodate you with a selection from the most elegant assortment of planos and organs of every conceivable style and price, with terms of payment to suit anyone who loves his home. If you cannot call write us your wishes. You will find us occupying the magnificent rebuilt eight-story, fire-proofed Hamilton building, 91 and 28 Fifth avenue, Pittsburg. Bespectfully.

TO-DAY'S BIG EVENTS.

Probable Starters and Jockeys for - the Junior Champion Stakes.

SOME POINTERS ABOUT THE RACE. Horses That May Also Start in the Great

Champion Contest. RESULTS AT BRIGHTON BEACH TRACK

[SPECIAL TELEGRAM TO THE DISPATCH.] NEW YORK, Aug. 8.—While the racing at Monmouth Park has been of the highest

class for the month past. It is probable that the largest crowd of the season will turn out to-morrow to see the cracks try conclusions in the Junior Champion and Champion Stakes, and that the sport furished on that occasion will be of the most

brilliant character. Secretary Crickmore has gone to a great deal of trouble to furnish the public with a list of the probable starters and their riders. so that the public will not have to wait until to-morrow morning to learn whether their favorite is in condition to battle for the \$25,000 prize. Garrison is announced as the rider of Sir Walter, and nobody would be happier than Mr. Crickmore if the clever Suapper could vault into the saddle on the game little colt to-morrow, but it will be a long time before Garrison will ride again. On Saturday night and Sunday morning the young man was at death's door at his hotel in Long Branch, but vesterday evening word came to the Sun that he was improving, and that if a fever did not set in he would be able to sit up in a week or so. Dr. Bourch, the attending physician, says, however, that it will be a long time before Garrison will be able to ride arms.

able to ride again.

The following is the list of probable starters for the Junior Champion: Owner and horse, Weight, Trainer, Jockey, H. H. Morris' R. W. Walden Littlefield

F. A. Ehret may also start Sir Francis and Mr. Dwyer may start both Hammie and Chicago.
On public form the race will lie between Sir Walter, Lady Violet, Dr. Rice and Lovelace, and the bulk of the public money will go on this quartet. The writer can re-call the victory of no filly for the Junior

Champion, Los Angeles running second in Kingnish's year, but Lady Violet has a great chance to beat the colts if the track is in first-class condition. She has more speed than any of the others. Sir Walter is as true as steel, and Lovelace has shown extreme gameness in all of his races. Dr. Rice's forte is speed. This is the list of the eligible candidates for the Champion stake:

Brown & Rogers' Lamplighter, 3 years; Marcus Daly's Montana, 4 years; M. F. Dwyer's Raceland, aged; M. F. Dwyer's Eingston, aged; M. F. Dwyer's Banquet, 5 years; Easton & Larabee's Poet Scout, 4 years; F. A. Ehret's Demuth, 5 years; Gideon & Daly's Merry Monarch, 3 years' Rancoras Stable's Locohatchee, 3 years.

Garfield Park Victorious Chicago, Aug. 8.—The Garfield Park Club came out victorious this morning, when Judge Kettelle decided the habeas corpus case brought in behalf of E. A. Fisher and

F. A. McAvoy, both bookmakers who were arrested at the race track for selling pools. In substance the court holds that section 127 of the criminal code was not intended to prohibit betting upon horse races by the buying and selling of pools. It was not gambling to sell pools upon horse races within the meaning of the criminal code of Maryland, and the gambling statute of that State was similar to that in Illinois.

CORBETT AND SULLIVAN.

The Big Pugilists Both Working Hard and Their Friends Confident,

NEW YORK, Aug. 8 .- John L. Sulhvan getting rid of his superflous flesh rapidly. He was weighed after his eight-mile walk yesterday and tipped the beam at 211% pounds, and was feeling remarkably well. He weighed 214% pounds when he started out on the walk. It looks now as if he will have little trouble in getting down to 205 pounds, before he leaves for New Orleans.

have little trouble in getting down to 205 pounds, before he leaves for New Orleans. Over 500 people visited the champion and looked him over carefully. Among them was a delegation from the Manhattan Athletic Club. On behalf of the Cherry Diamond organization Eugene Van Schack presented Sullivan with a gold stop watch in recognition of his services as referee at the club's recent boxing tourney.

Pugllist Jim Corbett, who is in training at Loch Arbour, N. J., for his fight with John L. Sullivan, has found it necessary to employ still one more trainer. Jim Daly, who has been Corbett's sparring partner, has found that the big Californian was getting too much for him alone and as Corbett must be worked very hard from now until the fight, John McVay, of Philadelphia, is now present to assist him. McVay is a perfect giant of 235 pounds, and has no mean reputation as a wrestler and fighter. McVay will have a hard set to with Corbett about four times a week, and Jim Daly the other three. Corbett went through his regular routine of training yesterday—hand ball with Daly as his partner against Larry Ford and John Brogan in the morning, which was followed by his hard run to Long Branch and return. Then he went at the punching bag in feroclous manner and kept hammering it for an hour. In the afternoon he again attacked the bag for an hour more.

Zimmerman Breaks Canadian Records. HAMILTON, ONT., Aug. 8.-The best field of racers that ever lined up before grand stand in Canada were present at the annual race meet of the Hamilton Bicycle Club to-day. The weather was clear, and as it was Hamilton's civic holiday, there was a very large attendance. The prizes given were the most magnificent lot ever presented by any bicycle club in Canada.

Among the contestants were: Zimmerman, the world beater: Hyslop, Canada's half-mile champion; Wells, the one-mile and five-mile champion, and Carman, the three-mile champion, and the spectators saw some records broken. The Canadian half-mile record of 1:13 4.5, held by W. Hyslop, was lowered to 1:12 2-5 by A. A. Zimmerman, of New York, and the same rider succeeded in lowering the Canadian quarter-mile record of .39 1-5, held by G. M. Wells, down to 36 seconds. as it was Hamilton's civic holiday, there

Eager for a Fight. NEW YORK, Aug. 8 -- A London cable to morning paper says that "Parson" Davies, on behalf of Choynski, says that he will match his man to fight eight three-minute rounds with Jim Daly, Corbett's trainer, who has recently offered to fight Fitzsim mons on September 5, the date intended fo mons on September 5, the date intended for Fitzsimmons' contest with O'Brien. Davies further says: "If the Olymple Club will offer a reasonable purse Choynski will sail at once for New Orleans, and I will not ask for expense money for him. The reason that I stipulate eight rounds is that there is not time for Choynski to train for a finish contest on that date. If Daly will make this match we will sail for America on the City of Rome August 25. Ch. ynski is in good health, and a man of his habits can easily train sufficiently on the steamer and shore before September 5 to make a fight worth seeing with any man of his weight." seeing with any man of his weight."

MISS AMMEN MAY BE CHOSEN

instead of Mrs. Hale, to Baptize the New

Barbor Defense Bam. NEW YORK, Aug. 8.—[Special.]—The wife of Senator Eugene Hale may not be permitted to baptize with a bottle of chan pagne the new harbor defense Ram, when she is launched. The ancient tradition of allowing only a maiden to commit a ship to the keeping of Neptune probably will not be departed from. Opposition to the inno-vation has already been brought to the attention of the Navy Department, and it is said that Acting Secretary Soley, who was a naval officer, will probably settle the question in a few days by approving of the request made by many officers that Miss Ammen, the daughter of Rear Admiral Daniel Ammen, designer of the Ram, be selected to name the vessel in place of Mrs.

Hale.

Miss Ammen is at present the guest of Medical Director Clebourne, at the Naval Hospital, Chelsea. The Admiral and his wife are at present at their home at Ammendale, Maryland. Some may think it is not a matter of much importance as to whether a maid or a matron shall be selected. to perform the ceremony of baptism, but it is evident that some men and many women are personally interested in it, and that the sailors themselves are very superstitious about all innovations in the naval line.
