THE PITTSBURG DISPATCH, MONDAY, AUGUST '29.

til the closing days, when a reaction set in in some of the shares that had advanced the most, notably Westinghouse Electric second preferred and People's Fipeage, and the general upward tendency was checked by a disposition to take profits. The reac-tion continued up to the close to-day, the only shares not affected being Standard Underground Cable, Air-brake, and, possibly, Union Switch and Signal. The business on 'Change to-day covered Central Traction, P. A. & M. Traction bonds, P. & B. Traction, Pleasant Valley Rail way and People's Pipeage. The features were the sale of the Manchester bonds over a range of 1043@168%, a sale of 500 shares Pleasant Valley, buyer 40 days, at 253, and a decline in People's Pipeage to 150 shares Electric second preferred, which was off to 37% asked here, and to sules at 37 and a close at 37@37% in Boston, P. & B. Traction was in better demand and appeared to bo a little firmer. The transactions were as follows: 50 shares Central Traction. 29%

the principal countries, 9.7,48 tons, against fM271 tons last year. Not for a long time has the raw market shown such great strength as during the past week. It has finally been realized that the large con-samption has taken up the refined product as fast as made, thus making it neces-sary for refiners to keep well supplied with raws of which there is not an excessive quantity available. The requirements of America indicate that we will have to call mon Europe for nearly, if not quite, as in Europe for nearly, if not quite, as inon Europe for nearly, if not quite, as much such this year as last, the present quotation being 14s to 14s 15d c. and f. Ad-vices re-airding the growing beet-root crops are not so favorable this week as last, cable reports stating that beets are suffering from drought, an intense heat having prevailed throughout Europe during the past ten days, and foll especially in Anstria. Hard refined sugars followed the improve-Hard refined sugars followed the improve-

toent in raws. An extra charge is now made or sugar packed in bags, say 1-16c on grann-lated and be on other grandes. Tae demand shotkened somewhat after the sharp ad-vance, but row it is again large, and is well taken care of by the American Sucar Refin-ing Company. Envers would be wise to keep well supplied, as the position is ex-ceedingly strong and the time has not come for any reaction, but instead indications point to higher prices before new beet sugars are marketed. European refined sugars are marketed and reman granu-lated cannot be imported with profit. Some Westein operators and their San cent an rows. An extra charge is now made

Some Western operators and their San rancisco friends who started a sort of oom" not long ago in California dried direction of whooping up prices, quote higher figures for apricets, , peaches, etc., and send in word to that buyers in various Western istributive centers are paying at least a of the enhanced value

s of new California prunes, 60s to 90s diers of new cantonne my chob. coast, appear have become very scarce. Sales have, in it, been made in New York at that price, include the price, instance 5% is understood to paid. Advices from Western into that the basis of 3% c f.o.b.

have been catabilished. A Balgimore circular, dated August 26, says: We get reports from very reliable provers that the extremely hot weather during July and August has hurt the crops of tomines and corn more than they there is solved they fear the results may be different from what they had anticipated. That this feeling is growing among our rund friends is shown by the very firm stand the larford econity packers take as to prices. At present they won't soll standard corn un-der's Jor September of October silpment; is in standard bonatoses are strong at So and the this of 15 or good quality 51 besconded. The standard tomatose, 60 for 2 the different silp is standard tomatoses, 60 for 2 the different silp is standard tomatoses, 60 for 2 the different silp seconds ditto .57%, all on regular terms, ex-store Baltimore.

# CHICAGO 'CHANGE.

A Little Improvement in Value in Every thing Excepting Corn.

CHICAGO, Aug. 27 .- The usual Saturday short session of the Board of Trade was un-evenful, and the prices of all the articles from those which ruled at the close yester-day. With the exception of corn everything shows some improvement in value. The cholera scare is losing its influence and this, in connection with some bullish news, imparted a better tone to wheat. English

cables came in stronger, the experts for the week proved unexpectedly heavy, being 4,605,000 bushels in wheat and flour from
