The National Council, Daughters of Liberty, Adjourns Finally.

CONSIDERABLE BUSINESS DONE

At the Last Day's Session, Most of Which Was Quite Important.

WARM DISCUSSION OF SOME CHANGES

PHILADELPHIA, Sept. 1.—[Special.]—The National Council, Daughters of Liberty, adjourned this evening, after transacting more business than was disposed of during the first two days' sessions. A breezy fight occurred this afternoon over a proposition to make the term of the National Secretary three years. Opposition was raised because the elections for this had taken place and the adoption of such a measure was an injustice to aspirants to the office.

Immediately afterward a resolution was offered that the law just passed take effect at once. Cries of "Gag law" were heard from several parts of the room, but the matter finally quieted down and the remainder of the proceedings were pleasant as a marriage bell.

An amendment providing that all members of the Incorporate Board shall be elected every second year. At present five of the principal national officers select two extra trustees to make a board of seven members, as provided by the charter of incorporation.

The National Treasurer's report, which has been held back owing to several accounts being unsettled, was submitted. It showed a balance at last year of \$1,883.90; receipts of this year, \$4,902.20; expenses, \$2,994.37; balance in treasury, \$3,791.73.

An amendment proposing to create State deputies was voted down. A committee appointed last year to prepare a ritual for public installations was continued for another year. A resolution was passed providing for the payment of mileage to members of special committees and appointive officers attending the National Council.

The resolution offered yesterday, excluding members engaged in the manufacture or sale of liquor, was passed unanimously. A measure providing for the formation of a general benefit association, to be operated separately and apart from the national body, was referred to the committee on resolutions for their approval or disapproval, and if within 30 days a majority of the council favor the scheme the National Board shall place the same in operation.

National Secretary W. O. Staples was paid \$500 for his services last year. Just before adjourning National Vice Councilor Keppie, in behalf of members of the National Council, presented Mrs. M. E. Mara, chairman, Mrs. M. E. Griffin, and D. A. Reese, of the local Reception Committee, each with a handsome pearl-handled gold pen for their efforts to have the National Council entertained properly while here.

The delegates are leaving the city to-night in large numbers for Philadelphia, but will be very few left. To-morrow evening the National Board will go to New York to ratify the work of this session and lay out the work for next year.

The Concord and Montreal Railroad will issue 10,000 shares of new stock. The first train to run over the Reading Railroad's new line to Rochester, Buffalo and Niagara Falls left Philadelphia last night.

The Trans-Continental Association has decided that the Northern Pacific Railroad cannot carry free the Washington exhibit to the World's Fair.

The recent committee of the Pacific Mail Steamship Company and of the Panama Railroad have reached an agreement which substantially assures a continuance of their jointly related services.

The Order of Railway Telegraphers made a demand on the officials of the Burlington, Cedar Rapids and Northern Railroad for an advance of wages ranging from \$10 to \$50. This has not yet been granted.

The Chesapeake and Ohio will advance the wages of locomotive firemen 25 per cent, beginning to-day. The increase is based upon the contract made by the engineers in the employ of the company.

Judge Adams, at Rochester, N. Y., has granted an order to show cause why a receiver should not be appointed for the Southern Central Railroad, which is controlled by the Metropolitan Trust Company, of New York.

It is reported that the House of Representatives will be asked to make it part of a bill that the New York, Boston and Providence Railroad was acquired a few months ago.

The Norfolk and Western Railroad Company's statement for July: Gross earnings, \$891,164.49; expenses, including taxes, \$483,225.30; net earnings, \$297,939.19—a decrease of \$25,275.80 compared with the same month of last year. The current fiscal year net earnings are \$1,202,849.09, a decrease of \$67,457.25 as compared with the same period last year.

It is expected that the meeting of the Passenger Department of the Transcontinental Association, to be held in Chicago Monday, will be a stormy one. Some of the railroads have been in direct communication with cutting rates from the Pacific coast to New York by paying exorbitant commissions, and the most important provisions of the agreement made against this method of competition.

GENERAL FISHER, of the Bluff Line, St. L. & A. R. R., will retire from that road September 1. No successor has as yet been decided upon. Mr. Fisher was the organizer of the syndicate which in 1888 brought the line from Bates to Graton, Ill.; built it into Alto, and then succeeded in getting capitalists, who will make it part of a St. Louis-Chicago line, interested in the property.

COMMISSIONER STARKMAN, of the Southern Railway and Steamship Association, has received a telegram from Colonel Henry Fink, Vice President of the Queen and Crescent route and receiver of the East Tennessee, Virginia and Great Smoky Mountains Railroad, expressing his entire willingness to sign the new association agreement which insures the continuance of the association.

GENERAL PASSENGER AGENT SCULL, of the Baltimore and Ohio Railroad, was in Chicago yesterday in consultation with Illinois Central officials concerning the arrangements for the World's Fair. These two roads are the only ones having direct connection with the Exposition terminal tracks, and other roads can only reach the grounds by using their tracks. They will charge the other lines for this service at pro rata per mile.

GRANGERS AT WILLIAMS' GROVE. One of the Best-Attended Days of the Outing There So Far.

WILLIAMS' GROVE, Sept. 1.—The total number on the ground here to-day was estimated at 40,000, which includes those camped in the grove. Outside of a speech by Major Rockwood, of the Washington Weather Bureau, the oratory to-day was monopolized by grangers. The principal speech was made by J. H. Brigham, of Ohio, Worthy Master of the National Grange, who impressed the idea on his listeners that the Grange was in no sense a political organization. Remarks were also made by J. T. Allison, worthy Lecturer of the Pennsylvania State Grange, and a member of the Executive Committee of the New York State Grange, and George S. Mackey, of Susquehanna county, Pennsylvania. Outside of matters affecting grangers very little was said.

To-night the degree of Flora was conferred on over 100 applicants at a meeting at which Master Rhee presided. General Weaver, the People's party candidate for President, was admitted to speak here to-morrow, but he has telegraphed his inability to fill the appointment owing to other engagements.
