THE CHOLERA MENACE.

Does Not Go Far Enough. The President's order instituting a 30-day quarantine is not enough as far as it goes, but the trouble is that it does not go far enough.

REMOVE THIS VICE CONSUL.

He Gave a Flimsy Ship a Clean Bill of Health at Hamburg. On August 15 when the cholera-riddled Hamburg sailed from Hamburg, the pestilence had already fastened itself upon that port.
