Washington, Sept. 2.—[Special.]—This afternoon a party of 'cyclists, ladies and gentlemen, assembled at the East front of the Capitol to see the start of the Washington and Pittsburg relay race. Lieutenant F. P. Libby and Private Howell, dressed in the uniform of the Washington Military 'Cycle Company, D. C. N. G., were on hand ready to make the start. Their wheels had been offed and cleaned, and everything was in readiness for a fast trip over the first relay. A few minutes before 2 o'clock General Albert Ordway, commanding officer of the District of Columbis National Guard, appeared to start the riders on the warm and dusty journey. With a warning to the two riders not to exhaust themselves on the first half of their relay be handed Lieutenant Libby the message, and the start was made at precisely 2 o'clock.

The riders of the first relay took the message and rode off down Capitol Hill, making the best possible record. Keeping on the streets with not much trouble, they finally reached Seventh street and Florida avenue, and then proceeded up the steep hill to reach the dusty road. The distance from the Capitol to Michell's Cross Roads is 11% miles, and the riders expected to reach that point in 45 minutes. ready to make the start. Their wheels had

THE MAN WITHOUT A STOMACH May exist as a museum freak, but most of us recognize the stomach as necessary to life and comfort. Most of us experience a little trouble from this source occasionally, wrong action of the stomach causing dyspepsia, etc., and often the trouble extends, involving the liver and bowels, whence we find biliousness and constipation. We find also that the bowels and kidneys (nature's sewage system) become clogged with effect matter, from which comes impure blood, boils, blotches, pimples, scrofula, scrofulous swellings and cancerous complaints. The Burdock Blood Bitters taken at the beginning, or at any later stage, arrests the trouble, restores the disordered organ to activity, thereby removing every vestige of disease. B. B. That official, while he is not acting at present, is still a substitute liable for duty at a moment's notice."

Besides protests and fines, President Wagner has other matters in his mind in connection with the Washington Baseball Club. Changes will be made in the team if the right men can be obtained. Mr. Wagner feels that this is imperative, and has already taken a step in the right direction by letting Duryea go. Comiskey will sign him at once. Duryea may be a good one, but he has not been of any value to the Washingtons. Danny Richardson does not intend to be so lax in its discipline as has been the case. Abbey will probably be next to go. He has demonstrated his worthlessness to the Washington team. Three good pitchers will be obtained, and will be regularly worked. The nine has been greatly weakened by the absence of Milligan and Larkin.

This will be no longer tolerated. They

shortstop and third baseman will be secured.

First, however, the box will be strengthened. It is ridiculously weak as compared with what it was last April, when the ball season opened. Mr. Wagner thinks that the team as a whole is weaker, but he will downat he can to strengthen it. H. L.-Ehret pitched in the game you refer to.

A VICTORY to.day for the local chaps will mean an excellent week's work. ELMER SMITH was just as good yesterday as the very best of gitt-edged twirlers. THE Homer team defeated the Indiana team a Two Lick Run Thursday by 20 to 17.

JAKE VIRTUE is doing some clever fielding or first base for Cleveland, and his hitting is very timely. FRED LAKE, now with the Providence team, made five hits off left-handed Billy Daley at Albany Tucsday.

Tom Brown and "Farmer" Weaver are keeping company in the matter of knocking out numerous base hits recently. JOHN WARD has made radical changes batting order. The Wonders are not slugg ball hard enough to suit "Monty." THE Our Boys will play the Homestead team at Homestead to-day, Alexander Jones will pitch for the Homesteads and Gray for Our Boys,

Hillgan once struck Jim Keenan unawares, and tried the same racket on pitcher Chamberiain, but the latter was too wary, and when Halligan attempted to strike, Chamberiain dropped a beer let let on the bully's head. This afternoon at 40 clock the Young Americas will play at Athletic Park. Wilkinsburg, with the W. A. A. team. As both of these clubs have made a splendid record recently this contest bids fair to be very interesting, and this being their first meeting each will try to carry off the victory. Coyle will pitch for the W. A. A's.

READY FOR THE FINAL GAME To Decide Which Team Will Hold the Championship Cups.

COSTER AND EDWARDS TO COMPETE SEWICKLEY, Sept. 2 - [Special] - Tomorrow afternoon the great event of the week will open here, the playing for the championship cups by Coster and Edwards and Reed and Moorhead. The latter team has won the cups two years and if it wins this time will be entitled to keep them, so it is expected that the play will be exciting from start to finish. Coster and Edwards to-day played an excellent game together and won the final match of the doubles in three straight sets. The first two were "deuce" sets and rather close, but in the third set Christy and Osburn only took one

The most exciting event of the afternoon was the match between Christy and Osburn and Campbell and Arbuthnot for the sec-ond prize in the doubles. Christy and Osburn captured the first two sets, and then Campbell and Arbuthnot took one. It looked very much as if the latter team had struck a winning gait, as they did on a former occasion, but their antagonists braced up and took the fourth set by sheer force. There were some pratty plays in force. There were some pretty plays in this contest, and the audience, which was larger than on either of the preceding days, watched it with interest. There was a gen-erous applause for brilliant plays, and when it was over the winners were heartily con-

gratulated.

Arthur Pier avenged himself for having had the ill luck to be pitted against Moorhead in the first round, by winning the consolation prize. Pier is one of the coming cracks of the country. When he plays a steady game now, he generally captures the game or set, no matter who is on the other ride of the road. side of the net, and it would not be sur-prising next season to find him in the finals of most of the tourneys hereabouts. The championship game to-day will commence at 3 o'clock. The scores of the day were:

Tame Day Among the Runners Sherpshead Bay Track. SHEEPSHEAD BAY RACE TRACK, Sept. 2.—This was an off day at Sheepshead. Beautiful autumn weather prevailed, the track was fast and the attendance large, but the racing

events of the programme were won in such easy fashion that the portion of the specta-tors that made the journey in expectation of witnessing some exciting finishes were disgusted. Only in the last race was there a fight for the money. Mardid and Prince Fortunatus, both 4 to 1 chances, separated Fortunatus, both 4 to 1 chances, separated from their opponents and induled in a desperate head finish. Taral, on the Prince, rode the hardest and landed the Western owned horse first past the post by a head. Sleysnier, the lavorite, finished third after being interfered with in the home stretch. The sport began with Raceland, 1 to 7, winning under a double pull. The Golden Rod stakes were then captured in galloping style by Father Bill Llaft's smart youngster, Prince George, the 7 to 5 favorite. In the third race Stone Nell, 3 to 5, Garrison up, ran under a steadying pull from start to finish and beat Sunshine Whisky, the pacemaker, in very impressive style in 1:1025, very fast time. John Cavanagh, 8 to 5, had no difficulty in taking the fourth race from Frontenace the 7 to 5 favorite, and Strathmeath, at even, simply played with Faraday in the Sixth race, running the mile and a furlong in 1:55 1-5.
