LARGE DOG'S BITE

ives Isaac Omslaer to Commit Suicide by Drowning Himself.

AS FEARFUL OF HYDROPHOBIA

e Body Recovered Yesterday by Some Allegheny Firemen.

IFE AND CHILDREN LEFT DESTITUTE

A peculiar fate has overtaken Isaac nslaer, who lived on Gardner street, Mt. oy. His superstition got the best of him, rather his terror of hydrophobia, d his body was fished out the Allegheny river at the foot of Pine reet yesterday by some Allegheny fireen. He had committed suicide by drowng rather than take chances of getting the

ead disease. A few days ago some people came to live the house with him. They are poor, and e huddled together in close quarters. is new neighbors brought a vicias Newfoundland dog with them. ome on Wednesday the animal sprang at im savagely, and bit a piece of flesh out of is arm. It next grabbed him on the leg

ofore it was benten off.

Omslaer, who is 60 years old, became espondent and felt sure he would get the ydrophobia. When he went out in the vening be asked his children what had be me of the dog. They replied that it was

rowned.
"Well," he answered, "it won't be long sefore I am where the dog is."
The little ones laughed and paid no atention to their father. When he did not ome home the neighbors started to hunt for im. The discovery of the body clears up is disappearance.
Omslaer leaves a wife and five children n destitute circumstances. The little folks are all under 12 years of age.

False Economy

is practiced by people who buy inferior srticles of food because cheaper than stand-ard goods. Infants are entitled to the best ood obtainable. It is a fact that the Gai Borden "Eagle" Brand Condensed Milk is the best infant food. Your grocer and iruggist keep it.
