OUTPLAYED THE PHILLIES.

Buckenberger's Heroes Keep Up Their Good Work and Win Again. INTECIAL TELEGRAM TO THE DISPATCH. PHILADELPHIA, Sept. 15 .- The Pitte

burg team outbatted and outfielded the Phillies to-day and won by a score o 6 to 4. Weyhing was not so effec tive as Ehret an pretty freely a times. There were several very fine SICTORY

sides, and likewis errors, which proved very damaging. Thompson nipped Miller at the home plate by a good throw from right field in the

first inning, and Donovan duplicated the play in the third inning and when his good throw headed off Connor at the plate. Thompson and Donovan also each made running catches. The Philadelphias made no less than tour double plays, but bunched hits by the visitors and errors by Allen and Hallman turned the tables in Pittsburg's layor. The fielding of Hallman, Reilly, Shugart

and Smich was excellent. The latter cap-tured two long fly hits off Reilly's bat, which probably turned the game in Pitts-burg's tayor. Connor led at the bat with two singles and a double. Donovan came next with three singles, Smith secured two doubles and Allen and Miller each made a single and a double.

single and a double.

The Pittsburg boys scored two runs in the second inning on Shugart's two bagger, Bookley's single, Farrell's sacrifice and a fumble by Allen. In the third inning Smith's two bagger, Shugart's sacrifice, a fumble by Hallman, Farrell's single and Bierbauer's sacrifice gave them three more runs. Kelly's two-bagger and a single by Donovan yielded the last run in the sixth

inning.
The Phillies scored their first run in the third inning on Cross' single, a sacrifice by Thompson, a passed ball and Connor's single. In the fitth inning three more runs were added on Hallman's single, a wild pitch, Conner's single, a fumble by Bierbauer, a dropped thrown ball by Beckley and Allen's single. Attendance, 1,102. The score: DISTRIBUTE N B PA EIPHILA.

Two for Boston.

Boston, Sept. 15 .- Boston had an easy time winning two games from Anson and his colts to-day. In the first game the Colts broke their backs trying to hit Staley's slow drops, but with no effect. Hutchison pitched a great game, striking out 11 men, but his supporters were asleep on several occasions, allowing the home team's fast runners to score. Weather, fair. Attendance, 3,353.

Each Won One.

UNIONTOWN, Sept. 15 .- [Special.]-Uniontown and Wilkesbarre played two games here to-day, each winning one. In the morning game Leamon hit over the right field fence for a home run, with one on base and the score a tie, thus winning the game, 7 to 5,

In the afternoon game the Wilkesbarres hit the ball hard, and the score was kept down by the phenomenal fielding of Leadown by the phenomenal fielding of Leamon and Wilhelm. Hartman hit very hard, putting one over the fence and another hit on the top, which bounded back. McKim won a fine slik hat by hitting the bull's eye on center field fence. Higgins also hit very hard, but was caught trying to make too many bases. The pitching of Callahan and Berzer's fine throwing to bases were also great features. Uniontown only got one man past first base up to the ninth inning, when a very bad decision by the umpire and a base on balls and errors by Hartman and McKim gave them two scores amid great excitement. The same clubs play to-day at 10 o'clock, and a large crowd and fine game are expected.

The Diamond.

BOSTON has won 12 of the 14 games played with It is stated that the Baltimore club will lose about \$7,000 on the season. THE Cleveland team keep on steadily clinching their hold on the pennant. In three-base hits Stovey and Delahanty are tied, and are credited with 11 each. OUR sluggers won a game yesterday again, but those fellows at Boston won two. CATCHER ZIMMER has made 15 doubles in 45 games, and leads the League in two-base hits.

If the local team can maintain their present gait they should have a rousing reception when they FLMER SMITH may pitch for the home team to-lay, as there are numerous left-handed batters on

Now that Jim O'Rourke has been released, Anson is the only player who has been in the League since its formation in 1876. JACK MILLIGAN says Abbey's drop ball is the hardest one he ever tried to handle, and that next season the collegian will be a star.

PRISIDENT YOUNG says that if a batsman offers at the third strike, and the ball hits his person, provided that it does not hit on the arm below the elbow, he is entitled to his base.

HALF the recent successes of the Cleveland team have been due to the confidence that the team has in its pitchers. Even if they do get batted hard now and then there is not a player connected with the club but has an unshaken belief that at some point during the game the tide will turn in Cleveland's behalf.

Von Delt Alfe is bemoaning the desertion of two players in the past few days. Pitcher Hawke, who was doing good work, left without leave, and young McCormiek, signed in this city, has also disappeared. Hawke told Vondy he was tired of pitching and wanted to go home, while McCormiek said nothing and went.

No matter what l'feffer does he finds it impossi-ble to satisfy some of the Louisville natrons. In fact, there seems to be a party against him. Fred is now learning what other players have learned before by bitter experience, viz, that it is better to play among strangers than in one's nome. In base-ball surely "a prophet is not without honor save in his own country." Bo CRANE, the New York pitcher, has made a romantic marriage. He had been engaged to Miss Neilie Dolan, of Chicago, but her parents broke it off and she was to have married another man October 12. Last Saturday morning she slipped away from home, took he train for New York and was met by Crane at New York the next morning and was married at once.

SULLIVAN AND SLAVIN.

The Olympic Club Willing to Offer a Purse

for the Big Men. NEW OBLEANS, Sept. 15.—[Special.]—President Charles Noel, of the Olympic Club, says that the club has done absolutely nothing toward further contests, and will do nothing for some time to come. There has been no proposition to arrange for the admission of ladies to the arens, as had been reported, and consequently no such question has been discussed. As for new contests, the only one now in mod is a match between Hall

and Fitzsimmous. There has been no

and Fitzsimmous. There has been no thought of offering a purse for Carroll and Bowen.

A match spoken of was a meeting between Corbett and Jackson. The club has never drawn the color line in settling champion-ships, but in view of public criticism it is about settled that the Olympic will not be a bidder for the match.

As it now seems that there is a willingness on the part of Corbett and Mitchell to face each other and as it would doubtless be one of the most scientific battles ever fought, without the element of brute force and would attract attention all over the world, the club would bid as much as anybody for the affair. The Olympics feel very kindly toward Sullivan for the manly showing he made here and if he feels disposed to meet either Slavin or Goddard, both fighters after this style, a purse will be readily offered for the meeting.

TORONTO, ONT., Sept. 15 .- William O'Connor has published a letter here denying Han-lan's right to challenge Stansbury to row for the championship of the world as the premier American sculler, and offering to premier American scaller, and ollering to row him and Gaudaur singly or enter a sweep-stakes with them to decide the matter. A dispatch from O'Reillia says Gaudaur will accept the challenge and row in either or both ways, providing the contests take place not later than October 5. He offers to make another double scall match also, with Han-lan and O'Connor on behalf of himself and Hosmer.
