Dr. McCann thinks tobacco is a powerful nervous sedative and its effects upon an immature nervous system cannot fail to be

Dr. T. J. Patterson says: "The effects of tobacco in any form, when used habitually, cause a profound depression of all the nervous centers, and eventual destruction or degeneration of the brain and other nerve tissues. Add to these as both direct and indirect results, impaired digestion, impoverished blood, weakened heart, and a tornid condition of all the secretive and excretive organs, and the sum total hardly equals halt a bealthy man, when the boy reaches his majority, dwarfed and stinted."

REV. MILLIGAN ON AMUSEMENTS.

He Tells What Kind of Pleasure Should Be Indulged In.

Rev. J. R. J. Milligan, of the Ninth U. P. Church, Allegheny, yesterday preached his last sermons for three weeks. He is going on a Western tour on business and pleasure. In the morning he took the subect of "Amusements." In the course of ils sermon he said:

"Amusement is a passion with man and heast. No matter what the man may be or do, he must gratify this craving for amuse-The beast loses the desire as he grows older, but man must have his pleas. ures from the cradle to the grave. The trouble is to draw the proper lines in this direction. We must be careful to preserve our mental and physical strength in the pursuit of pastime So many of us seek the flowing cup as a means of passing an hour of pleasure. In this men grow prematurely old. Debauchery is not an amusement. It brings late hours and nothing undermines the constituion more. When the prophet Isiah was drawing the picture of a perfect Zion, he would have made it imperfect had he not said: 'The inhabitants thereof will never say I am rick.' Socrates has said happiness is unrepeated pleasure. If that is so, what can be said of the bank clerk refugees in Canada?"

BAPTIST CHURCH DEDICATED.

A Pretty Structure Consecrated to the Worship of God.

The pretty little Wylie Avenue Baptist Mission Church, located on Wylie avenue near Francis street, was formally dedicated to the service of God yesterday afternoon. The dedicatory services were of that simple character pecullar to the church. Dr. W. A. Stanton, of the Shady Avenue Church, preached the dedicatory sermon, and the music was furnished by the choir of the Fourth Avenue Church. The statement of the Building Committee was read by W. A. Conner, the chairman, showing the cost of the building.

The new church is a handsomely finished frame structure capable of seating about 200 people. The church was built by the Baptist Mission Societies of Pittsburg and Allegheny, at a cost of \$6,500, which insludes lot and building. School will be held every Sanday afternoon, and regular services as soon as a minister can be obtained.
