A FIRST WARD NUISANCE.

Many Property Holders Petition the Mayor Against Several Disorderly Houses-One of the Complainants Talks of the

Mayor Gourley yesterday received a pe tition signed by a number of First ward citizens complaining about disorderly houses on Liberty street, near the Point. The houses complained of are Nos. 1, 12, 14 and 18 Liberty street. The petition recites that they are a constant annovance and inconvenience. The petition was signed by many property owners, among them George Montooth, John Ingalls, Hugh Mechan, P. T. Maloney, George Dalor, Mrs. Martin Joyce, Matt Cavanaugh and J. Haworth, of Haworth & Dewhurst. The petition was referred to Superintendent of Police O'Mara, who will investigate the com-

George Montooth, who was seen last night, said the houses complained of were an evesore to the city. The occupants, he said, were constantly disorderly, and he had made repeated efforts to have them suppressed. His family could not go into their vard or to their front porch without being insulted. He had reported the matter to Superintendent O'Mara and Chier Brown before. He alleged that the petitioners interested were going to the courts if neces-

sary to abate the nuisance.
"I have had to fight down there until my hands were too sore to work," he said, while explaining the kind of people that frequent that particular section of the city.

"The most disgraceful conduct is allowed and practiced down there and no effort is made to interfere with them either by day or by night." An effort was made to see Chief Brown

about the matter. At 10 o'clock last night it was announced at his home that he had retired and refused to be disturbed.

Gentlemen's Footwear.

There will probably always be a select few who regard "ready-made" shoes with aversion and who prefer going through the tedious ordeal of being measured and fitted when they need shoes, but the greater num-ber by far prefer being fitted from the stock ber by far prefer being fitted from the stock of such a store as Leslie & Co. have recently opened at No. 94 Fifth avenue in this city.

Leslie & Co., the custom shoe manufacturers of Pittsheld, Mass., are the exclusive manufacturers and retailers of the widely known "Leslie shoe" for men. The "Leslie shoe" is a piece of footwear which needs no word of introduction in the large cities of the East where it is known and worn. But a word about it may be of interest in this city. Built over all the latest and most fashionable as well as the easiest and most foomfortable styles of lasts, of all desirable and serviceable qualities of materials in patterns, widths and sizes to please all, it deserves the reputation it bears, a gentleman's shoe.
