AN EASY ONE.

The Local Ball Team Haven't Muci Trouble in Beating the Colts. Anson and his Colts made their last ap pearance here this year yesterday afternoo

our sluggers. They were beaten a every point and they had no excuse whatever to make. There were 2,700 people present and they enjoyed the fun exceedingly well. when the conte was of the mor exciting kind by toward the finis

at Exposition Parl

and they were very nicely beaten b

the home players had matters all their ow way and the game was very one-sided. The colts began to play a very bad gam and there was no interest in the last fer innings.

Some Very Tame Colts.

Anson's team are not by far as good a teams that he has had in the past. There i still a great attraction in the Captain' name, but tibere is really little left but th manne now. He does not play with the das and vim that used to characterize his e forts, and his team generally give one the notion that they are indifferent as to results. This was how things looked yes cept when the visitors by a stroke of good luck took the lead. They did all they could do to retain the lead, but they failed.

Terry pitched an excellent game, and excepting the fifth inning the visitors could do nothing with him. He was a little off in that inning, and as a result four runs were made by the visitors. Terry was well supported.

Gumbert pitched six innings for the Colts and then he was relieved by Hutchinson. The score was tied and Anson had a notion that "Hutch" would win it out. was sadly tooled as Terry, the first man to Gumbert pitched quite a good game and there was some surprise when he was taken out of the game. Kittridge caught a very bad game indeed and the fielding generally of the Colts was bad.

In the second inning Smith reached first on a fumble by Connors and then Bierbauer flied out to Dangan. Mack made a single and stole second, Smith scoring on Mack's play and a bad throw by Kittridge. Terry made a single and Mack scored.

The Visitors Made a Spurt.

In the fifth inning the visitors made all their runs. Decker started off with a single, and then Gumbert was hit with a pitched ball. Kittridge forced Gumbert out at sec-ond and Eyan got his base on balls, filling the bases. Parrott made a single to left, scoring two runs, and then Canavin was put out Anson followed with a single, scoring Ryan

and a wild pitch scored Parrott. In the second half of the inning, after two men were out, Donvan made a three-bagger and scored on Farrell's double.

In the sixth inning the home players tied the score. Beckley started with a two-bagger and scored on Mack's single to right. Hutchinson started to pitch in the sev enth inning, and with the score tied hit the ball for four bases. The ball went right to the left fence. Kelly got to first on a fumble by Ryan and a passed ball; a sacrifice and a wild throw by Kittridge scored him.

In the eighth inning Beckley made a single, Smith got his base on balls and a passed ball and a ridiculor wild throw in center field by Kittridge allowed Beckley and Smith to score. The contest was now over, and the Colts easily beaten. The

Won One Each. New York, Sept. 24.-But for Burns' wretched umpiring the Giants would have won two games from the champions at the Polo grounds to-day. After the second game he narrowly escaped being assaulted by an angry crowd throwing dirt at him. Stivetts went in in the ninth inning of the last game. New York won the second game by a terrific batting break in the eighth,

The manager will be in St. Louis this evening and will confer with Von der Ahe on the Glasscock matter. The idea is to trade Shugart for Glasscock. The lat is to trade Shugart for Glasscock. The latter and Von der Ahe are on the "outs" and
the player wants to get away from St. Lauis.
Negotiations are going on with a view of
trading Joe Kelly for Van Haltten and give
a sum of money to boot. It is expected that
the deal will be effected this week.
Manager Buckenberger has agreed to stay
with the Pittsburg club next year. Torms
have been agreed to and he will have absolute charge of the team. He is an able man
and has a spiendid team to take charge of.
He likes Pittsburg exceedingly well and

expects to have a pennant winner here next THE WESTERN PA. LEAGUE

Six Football Teams, Represented in the The Western Pennsylvania Football League met last evening with representa-tives from six teams present. Those which were in last year's league were McDonald,

Homestead and New Castle, and the new clubs for this year are Wilkinsburg, Mans-field and Oakmont. Each of these clubs was field and Oakmont. Each of these clubs was represented at the meeting last night. It was decided to open the season on October 15, and a committee consisting of Messrs. C. White, C. V. Childs, and George McPherson was appointed to arrange the schedule of games.

The season will be divided into two sections, and the winner of the first will play a series of three games with the winner of the second for the championship. Ten games will be played by each club. The following were elected officers: President, John F. Horn; Vice President, C. V. Childs; Secretary and Treasurer, George McPherson. It was decided to allow no club to play a game for stakes or a side bet and the meeting adjourned. The committee will arrange the schedule this week and the teams will all be in practice at an early date.

Franklin, 9 - Oil City, 3. FRANKLIN, Pa., Sept. 24.—[Special.]—The bitter rivalry between Franklin and Oil City in sporting matters culminated to-day in the most exciting game of baseball ever played in the city. Nearly 2,000 people went wild when Franklin scored six runs in the seventh inning on two bases on balls, an error, two singles and a home run hit. Up to that time time the score was a tie. For Franklin Alexander allowed the visitors only five scattered hits. Summary:

KITTRIDGE played a wretched game yesterday.

THE local team have only six more games to play at home.

THE local team left on their Western trip last evening.

CLIFF CARROLL has been suspended, and that order 'goes' for the rest of the season. He may be placed on St. Louis' '88 reserve list. THE Philadelphia club has accepted the services of Pitcher Taylor, of the Albany Club. He was with the New York club the first of the season. It will be noticed that the players who advocate the abolition of the bunt hit are mostly numbered among those who do not know how to do the act.

MANAGER NED HANLON sent out a tracer this week for "Old Cy" Duryes, but the Farmer has gone out to Gordell, Is., to roost with the chickens the rest of the season. HARRY WRIGHT, the veteran, does not often kick, but he drew the line on Tom Burns and filed a protest with Grandpa Nick, the great uncle of the game, at Washington. PITCHER MERKIM, late of the Chicago and Rochesters, has been signed by the vincinnal Club. With the Rochester club he won 18 games out of 22 in which he pitched. out of 22 in which he pitched.

Everything Ready for Their Battle at the

Coney Island Club. NEW YORK, Sept. 24.—[Special]—What promises to be one of the best fights seen in the vicinity of New York in some time will take place to-morrow night at the Coney Island Athletic Club. The principals in the bout will be Jimmy Lynch, the undefeated 122-pound champion of America, and Johnny Griffin, of Braintree, Mass. Thousands Witness the Riders Fly on Wheels Over the Course.

HOW THEY STARTED AND FINISHED

At least 5,000 people witnessed the open road race of the Keystone Bicycle Club yesterday afternoon over the New Brighton road. The course was seven and a half miles long each way and there were over 1,000 people along the road within a couple hundred yards of the start and finish at Haysville. The other 4,000 were scattered from Sewickley to the turning point near the Big Sewickley creek. In Sewickley the citizens congregated in a continuous line along the route taken through that city and the people from in-

Yesterday afternoon the runners and sprinters of the A. A. A. were given an opportunity to show their speed in a club competition for championships. A year ago the association was comparatively poor in talent able to compete on the track for honors, but yesterday's meeting brought out 20 men who possess more than a fair amount of speed. Up to that time there were no club records and the event was held principally to determine just what each man could do. The result was most satisfactory and the records made will stand until next season when it is expected each man will lower his own time by a considera-

Twenty-nine riders had entered for the race, but four of them failed to appear and 25 started. Eighteen finished, the others having dropped out, most of them by reason of accidents to themselves or their wheels. Not a few of the riders had never been over the course before, and there were turns with which they were not familiar. Cheekers were placed at these turns, but even the collection of the 20 competitors, who took part in last year's races, added five victories to his record. Mr. Ben Page as Clerk of Course, and Mr. Davy Sheehan as starter were most efficient. The timekeepers were, Messra. Theodore Hostotter, Sawyer, Scott, White and C. S. Reese, while Messra. S. Macrum, Harry Oliver and Bob Totten were the judges. The referee was O. D. Thompson. The 100,

with these there were one or two cases of misunderstanding as to the route. Everything considered, however, the race was a decided success.

To and 50 yards races were run in three heats each.

Four riders finished inside of the time limit, and but for untoward acci-

the time limit, and but for untoward accidents others at the half gave promise of beating the limit. The officers were careful and painstaking, and gave unbounded satisfaction in the performance of their duties.

They were as follows: Judges, J. W. Grove, T. J. Keenan, Jr., A. G. Pratt; referee, Howard E. Bidwell; timers, Charles W. Houston, O. H. Allerton, Jr., Harry D. Squires and W. P. Armstrong; starter, Isaac F. Bailey; clerk of course, J. W. McGowin; assistant clerks of course, J. W. McGowin; assistant clerks of course, T. F. Myler, A. E. Darragh; scorer, E. C. McIniston; checkers, W. B. Corwin, J. L. Entwisle, A. B. McVay. W. M. Imhoff, J. F. Johnston, H. M. Corwin, F. P. Booth and H. C. Knapp.

The first man to cross the line on the outward trip was fired at 3:35-30, and the first man to cross the tape in return was C. K. Gibson at 4:28-28 o'clock, just 55 minutes and 28 seconds after his start. Lytle made the half, but on his return his wheel broke down. John K. Newburn, of Bellevue, started 30 seconds after Lytle and finished ninth in the race. Harry Speer started next and finished eleventh, and so on down the list as noted in the summary below.

Some Who Had Bad Luck.

Those who met with accidents were Messrs. A. L. Banker, H. J. Atkinson, of Erie; R. P. Bache, of the Allegheny Cyclers; Samuel Eccles, of the A. A. Banker nad very hard luck. He started at scratch with Atkinson, of Erie; W. L. Addy and W. M. Myler, of Pittsburg, and had nearly reached the bridge close to the town, away in advance of the other scratch men, when the sidebar of his front wheel broke near the joint. This took him out of the race entirely. Nelson took a tumble at the first turn, Speer broke his saddle also at the first turn, and McCulloch and S. L. Nelson came in collision. Nelson was pretty budly scratched and the others who fell were more or less bruised. Several others met with minor mishaps, but 18 out of the 25 who started finished and all of them in good time. Some claimed that they had lost through misdirection at the turns and a protest was filed to the allowance of the eighth place to W. C. Moore on the ground that he had ridden on a sidewalk. H. B. Cochran, unattached, had a severe fall and failed to cover the course, so that the time he made was eliminated from the scorer's table.

THE ADMIRATION OF ALL. Solomon & Ruben's Building Nearing Com-

The citizens of Pittsburg, Allegheny and in fact of all the surrounding towns will soon have an opportunity of inspecting a structure which will undoubtedly be voted the "Pride of Pittsburg." Yesterday a reporter spent much time in noting the work done on the new Solomon & Ruben building, at the corner of Smithfield and Diamond streets, and was amazed at the progress made. Skilled mechanics and artisans were busily engaged in putting on the finishing touches, and when the doors of this great building are formally opened the seene which will meet the eyes of the patrons of Solomon & Ruben will be one of inspiring brillianey. The five floors and an elegant basement, stocked as they will be with the choicest clothing, hats, ladies', misses' and children's cloaks, shoes, lurnishing goods, and a complete line of other merchandise, will certainly prove the favorite shopping place in the city, and a veritable Mecca to bargain hunters. An immense quantity of goods, coming from all parts of the compass, are now crowded on the platforms of the different freight depots in this city. Monday the gigantic work of hauling these goods to the new establishment will begin. As soon as unpacked they will be taken care of by the forces of the different departments, checked off, marked and put in readiness for distribution on shelves and tables. By no later than October 5 the doors of Pittsburg's model business house will be thrown open to the public, and the actual merchandising on new and approved lines will mark a new era in Pittsburg's progress and prosperity.

GRAVESEND RACE TRACK, Sept. 24.-A fairly good programme of six races, including two stake events, the Holly for 2-yearolds and the Second Special for 3-year-olds and upward, attracted a throng of 10,000 spectators to the scene of this afternoon's racing. The Holly resulted in a rattling contest and a victory for Colonel Rupert's Aiax, the 5 to 2 second choice. Bergen rode an admirable race on the colt, and took the price by half length from the Moyne gelding, the 13 to 10 favorite, who ran away from Dr. Hasbrouck on Thursday. The gelding had his weight up this afternoon, however, and it stopped him at the

The second special dwindled down to a match race between Lamplighter and Kingston. Although all of Kingston's races have been at distances under a mile the plungers, led by Michael F. run in 1:19, thus giving Lamplighter a chance to get thoroughly into stride. When Taral called on Kingston, half a mile from the finish, he had a beaten horse under him, Lamplighter winning the stake in a gallop amid tumultuous cheering from the spectators. Only a few weeks ago Kingston was the turf idol. Now it is Lamplighter.

Eaglebird, a well played second choice, took the opening dash from Haleyon, the pace maker, after a desperate tussle in the final dozen strides, and Transit, 2 to 5, won his first race when he galloped in winner of the second event. The Fop, 10 to 1, took second place from Algoma, 8 to 1, in a hard fought finish. Tom Rogers, at 12 to 1, and ridden by Major Covington, upset all calculations by winning the fifth race from the even money chance, Lepanto, with the heavily-weighted Westerner, Aloha, 5 to 2, a bad third. Cynosure, backed down from a bad third. Cynosure, backed down from 8 to 1 to 4 to 1 by Michael F. Dwyer, under Bergen's clever riding, captured the last race from the even money favorite, Diablo, with the 2 to 1 choice, Fred Taral, third. The Board of Control finds there is no truth in Jeter Walden's claim that Mayor Hugh Grant is interested in Nat Strange's reco Grant is interested in Nat Strauss' race horses and dismisses Walden's protest.

Fred Gebhard Will Dispose of His Run ners and Quit the Track. NEW YORK, Sept 24 .- [Special.]-Fred Gebhard, whose horse, Warpath, was killed in an accident at the Gravesend race track on nard, whose horse, warpath, was kined in an accident at the Gravesend race track on Thursday, and whose stable has been running in poor form this season, is going to sell his race horses in training, with the exception of the 2-year-old filly Experiment.

A number were offered in the paddock of the Brooklyn Jockey Club to-day, and others will be sold during the meeting at Morris Park next month. Mr. Gebhard has not yet decided whether he will race next year or not. He has a breeding stud in California with some good stock on it, and he has a number of yearlings there that would be ready to race next year. He will sell these at auction should he decide to quit the turf for good. The young club man has lest considerable money in his tur! ventures, paying \$21,000 for Canvass and \$12,100 for Experiment, neither of which has a yet won a race for him. He has shown a great deal of pluck, and, as his income is large, it is to be hoped that his colors will be seen next season. In Frank McCabe he had a most capable trainer, and it was not his fault that the horses did not win, as no man could have been more conscientions and painstaking in the performance of his duties than McCabe was.

C. France obtained to-day on the ground of non-residence an attachment from Justice Beach of the Supreme Court against the property in this State of Frank Van Ness, owner of the horse Morello, which won this year's Futurity handleap. It was granted in an action to recover \$25,000 on a promissory note. France declares that he lent the money in January, 1857, and took an eight-months note. The note had not been honored when due. Mr. France had not pressed payment, not feeling confident of collection, until Van Ness struck luck this season. Unless Morello is too fast for the deputy sheriffs, the horse will be attached in the suit.

THE EMPEROR'S HAREM.

"139 Unfortunates Held Captive in the Palace at Pekin."

The "Palace of Earth's Repose" is where the Empress of China holds her court and rules over the imperial harem, whose ealy glimpse of the outside world is with they can see in the imperial flower-garden. The present young emperor, in addition to his seven lawful concubines, has already no less than one hundred and thirty others in his harem.—H. O'Shea's article, in the Illustrated American. Such is the life of the most highly favored of Chinese women—prisoners within the palace walls they eke out an existence in real slavery. American women know no slavery but that which depends on themselves. Sometimes they are overworked, "run-down," weak and ailing—then is the time to turn to the right medicine. The one who takes Dr. Pierce's Favorite Prescription emancipates herself from her weakness and becomes a stronger and a happier woman—more than that—a healthy one. For all the weaknesses and ailments peculiar to womanhood, "Favorite Prescription" is a positive remedy, And because it's a certain remedy, it's male a quaranteed one. If it fails to benefit or cure, in any case, you get your money back. Can you ask more!

Col. McCormick's Advice Heeded.

Now is the time when the voice of the campaign orator is heard throughout the land proclaiming in thunder tones the virtues of his party and giving to his hearers cheap advice. Politics, however, had nothing to do with the advice recently given by Colonel McCormick to his friend Major Judson, who was about to purchase a new suit of clothes. The Colonel advised him before following his first impulse to call on DICK-SON, whose virtues are so well known, and have him renovate at a trifling cost his old suit, and thus save the expense of a new one, and the Colonel's advice was heeded, 65 Fitth avenue.
