MANY ACCIDENTS TO LIFE AND LIMB

Harry Brennan, the 8-year-old son of William Brennan, of No. 47 Dayard street, Allegheny, was killed instantly yesterday by a car 116 of the Western avenue branch of the Manchester electric line, on Beaver avenue and Bayard street.

Harry attended the Sixth ward school. He was extremely well liked by his teachers and his schoolmates, and seldom missed a day from his class.

Motorman John P. Brennan saw the lad and at once applied the brake, at the same time disconnecting the trolley and the battery. He screamed at the little fellow to jump, but Harry never heard him.

The Mother Waiting for Her Boy. All this occurred within sight of the boy's home, but a block away. There sat the mother waiting anxiously for little Harry.

Motorman Brennan went immediately to the Mayor's office and delivered himself to the police authorities. He was accompanied by Mr. Greenwood, who went on his behalf of \$1,000 for his appearance at the Coroner's inquest.

Good Advice

Faithfully Followed Gave Good Results

"I do not know what would have become of me if I had not at the advice of a good friend three years ago begun taking Hood's Sarsaparilla. I sincerely believe I should have been dead long ago.

"I had a bad humor, chronic constipation, that would not yield to any treatment. My stomach was also very weak, possibly due to the humor. I suffered badly and was hardly able to get around when I began taking Hood's Sarsaparilla.

Hood's Sarsaparilla to my friends. It did me so much good that it seems as if it must do others good." Mrs. CHRISTINA TEMPLE, Bangor, Me.
