GENERAL SPORTING NEWS OF THE DAY

of the rich Matron stakes, which was decided here this atternoon be-

fore 15,000 men and women lovers of the race horse. The weather was simply per-

fect. A strong wind was blowing down the

straightaway, and made the lightning fast

track a record breaking one. It was ex-

pected that the Matron stakes would be the sensational feature of the programme, but

much of its importance was lost sight of when Dr. Hasbrouck, with 122 pounds, chopped two full seconds off the 5 furlongs record. No one thought that the son of Sir Modered and Sweetbriar was fast

enough to lower the 59 seconds record originally made by Fides over the same track, and duplicated by himself and several others afterwards, and when 57 seconds was hung out by the official timers after he had galloped in ahead of his opponents the speciators were amazed.

It is seldom that two seconds is clipped off of a record, and the spectators were in-clined to be skeptical. The time was abso-lutely correct. A strong wind blew down the track, which was never in better condi-

tion for the making of fast time, and when Yeman, 6 to 5, beat off his opponents in the

second race of six turlongs and lowered the

plunge on Montana, this year's Suburban winner, who had Garrison in the saddle.

winer, who had charrison in the saddle. Equity was next in favor, with Reckon 7 to 1 and others at still longer odds. Reckon jumped from fifth place into the lead at flag-fall and never gave her backers an instant's

big gallop, while whips were flying in the air behind her. Speculation on the 17 start-ers for the Matron stakes was spirited, but

being respective first and second choices at 2 and 2½ to 1. The others were asked to

be backed at from 8 to 1 to 100 to 1. The Rebecca Rowett colt headed the bunch half way down the hill, and looked to be a sure

winner a sixteeuth from the finish. Sud-

denly the only Garrison came out of the bunch with a rush, followed closely by Littlefield on Miss Mande. Jockey

Billy Donohue, who owns, trains and rides the Rebecca Rowett colt, made a last

Snapper driving Sir Francis in a winner by a head from Miss Maude, who was a head in

front of the unnamed colt, Eagle Bird at the latter's shoulder. The stakes were worth \$42,000, \$2,500 of which goes to the second horse and \$1,500 to the third.

The race was a scorcher from start, the 2-year-olds running it in 1:10, which is only a quarter of a second behind the new record

Adelbert, 7 to 10, won the fifth race after a

hard tussle, with Stactetic as owner, trainer and jockey McCafferty brought a memorable day's racing to a closing by Hugh Penny, from 10 to 1 to 3 to 1, and giving the

won in a gallop. Hugh was bid up \$1,000

over his entered price and bought in by McCafferty. Summaries:

PHILADELPHIA, Oct. 1.-Between 10,000 and 12,000 people were present to-day at the in-ternational cricket match between the Irish team and the Philadelphias. The latter went to bat when play began this morning for their second inning. The inning lasted four hours, and when the last man was retired 181 runs had been scored. With the 187 made in their first inning this gives the Philadelphians a total of 328 for their two innings. The Irishmen's first inning resulted for 122 runs and when they went to but this afternoon they needed 217 more runs. When time was called at 5:15 they scored 75 toward the total they want for the loss of three wlokets. The feature of the day was the batting of Scott. He went in first and was the last man retired, after a wonderfully fine exhibition of patent and defensive hatting. The match will be concluded Monday.

La Fleche is to run for the Champion stakes only, while Orme will be reserved for the only, while Orme will be reserved for the Lowther stakes.
