Monarch That Iver Lived.

BROOKLYN, Oct. 16 -Dr. Talmage's subject this morning was, "Observations in Russia and Great Britain," the text selected being: Psalm 139 : 9 : "If I take the uttermost parts of the sea, even there shall thy hand lead me."

What an absurd book the Bible must be to a man who has no poetry in his soul. "Wings of the morning!" What kind of a bird is it, and how long are its wings and of what color? Ah, some of us have seen and felt its wings. They are golden. They are buoyant. They are swift. They are wide

of Martin Luther and many of that lik, livby a lovely brood of princes and princesse On "the wings of the morning" I entered Inverness, the capital of the Scottish High-

Now, we know nothing about famine in America. The grasshoppers may kill the crops in Kansas, the freshets may destroy the crops along the Ohio, the potato worm may kill the vines of Long Island, the rust may get into the wheat of Michigan, yet

Russia Knows All About It.

Perhaps, some of us at our tables rattle off
