When asked how his canvass for the Senatorship was going on, he replied that he had much confidence in his election. reference to the bids offered Boston for engines. The letter set forth that the two engines for Boston referred to, on which their bid was \$6,450 for the two, were not first-class engines. No city had been offered engines at less than Allegheny City.

Continuing, Mr. Bosh said that he had never sold a first size, first-class Silsby engine at less than \$4,500. He had sold them as high as \$6,000, and recently sold one to Buffalo at \$5,500.

An Inquiry Into Rake-Off.

Mr. Simon-Do you ever pay anybody a rake-off?

Mr. Bosh-I have no doubt that such thing is sometimes done, but I have never been approached in that manner in this city and I know of no such arrangement ever having been made. President Parke here remarked that there

was no disposition to buy any other than a Silsby engine for Allegheny City, but some of the members thought they were being charged more for an engine than

other cities were paying. Mr. Bosh replied that such was not the case. Allegheny was not paying a cent more for the same engine than any other city. He then referred to the Boston bids, and said they were not the same class en gines as those called for by Allegheny. President Parke-Where did you get these extraordinary specifications for Alle-gheny that differ from any other city? Mr. Bosh-From your chief engineer, Mr.

Boston Got a Different Style.

President Parke next asked a number of questions about details of the Boston en-gines that were somewhat similar to the Alleghenv engine, but Mr. Bosh said he knew nothing about the Boston engine ex-cept what his firm had written him, but he knew they were not the same class engines as bid on for Allegheny. Mr. Gregg here moved to adopt the reso-

Jution awarding the contract to the Silaby Company for \$4,500. Mr. Stauffer said if anyone had any proof

that any city got any engine at a lower price, he would vote against the measure.

Hall, Southside, last night. Previous to the meeting the John A. Snee Marching Club marched over the principal streets of the Southside. The meeting was called to order by ex-Councilman E. S. Kennedy. Frank I. Gos-ser was the first speaker. Joseph Hawley, a candidate for the Legislature, predicted that if the people of the Southside would do their duty there would be some surprises in Republican ranks. in Republican ranks.

Chairman W. J. Brennen spoke in a gen-eral way of the work being done in the pres-ent campaign. William Walls was the last speaker.

speaker. The B. F. McKenna Democratic Associa-tion, the Eleventh and Thirteenth Escort Clubs, and the Tenth Ward Junior Club, of the old city, participated in the parade.

ANOTHER ASSAULT.

Two Non-Union Men Attacked in Law renceville and Severely Besten.

Augustus Smith and Hans Sutar, two non-union laborers, were attacked and assaulted on Fisk street, near Forty-fourth, yesterday morning. They were on their way to work just before daylight when four men, supposed by them to be strikers, as-sailed them. One of the non-union men, who was struck over the head with a piece of cut stone, was very seriously injured. The strikers assert all innocence of any part in the affair, and say they will do all in their power to find the guilty parties.
