Good Day's Pacing at Guttenberg and the Bookies Lose Money.

GENERAL SPORTING NEWS OF THE DAY

This afternoon at 3 o'clock sharp the P. A. C. eleven will line up against the State College team at P. A. C. Park. It will be an exciting game, and according to statements the P. A. C.'s will be lucky if they score. The State College team is regarded as the strongest in the State, barring only the University of Pennsylvania eleven and Lehigh, and against that aggregation the State team made a good showing. It brings its best men here, and a sturdy set they are. The rush line is heavier than the P. A. C.'s men and Messra Phelan, Gumbert, Ritchey, Stevenson, Lawless, Reilly and Bert Aull will find their hands tull in holding Rothrock, Heppenstall, Dowler, Read, Fisher, Morrow and Harris. The backs are active sprinters and can get

around the ends in great style.

The game will be vatched with a great deal of interest, especially as the next game of the P. A. C.'s here will be with the A. A. A.'s. It will start promptly at 3 o'clock on account of the early nightfall, and as the car service is poor to the park owing to the torn up condition of the streets it will be advisable for those who desire to see all of the scrimmage to start A Very Pretty Game Yesterday.

The High School boys played a nice game yesterday with the team of the Kiskiminetas school. The latter were entirely too heavy for the High Schools and were evi-dently well trained, but despite the favoriteism shown by Referee Wilson, the High Schools kept the score down to 12 to 0. During the two halves Referee Wilson de-cided constantly in favor of the Kiskiminetas, most notably in the second half.

The Kiskiminetas boys played a good game and were not in need of special favors on the part of the referce. They made no fumbles and they played a sharp game, depending mostly on their superior weight to make gains through the rush line. Two of their points were made on a safety touch-down by Breck, the ball having been kicked behind the line by Wilson, of the Kiskimine:as, and captured by Breck, who was downed before he could get it back. The First Points Earned.

Altman made the first touchdown for the Kiskiminetas atter a hard half hour's play during which the ball was never off High School's territory. Forgy failed to kick goal and the first half ended with the ball in the hands of the High School on their own territory. Wilson made the touchdown for the Kiskiminetas in the touchdown for the Kiskiminetas in the second half and Forgy kicked the goal, and the half was ended with the ball in the possession of Kiskiminetas on their own territory.

Several times the High School got the ball down to the 25-yard line but the Kiskiminetas men were too heavy. Speer's work in the center in holding McLean, who weighed 240 pounds, was suyerb. Lowrey, Watt, Johnston, Irwin and Cull made some excellent tackles, and, as usual, Breck was a whole host in himself. The individual work of the Kiskiminetas players was less prominent, but Altman, Evans and Wilson played a good game and Forgy as quarter back was always in the thick of the fray. The teams lined up as follows:

The Games This Afternoon.

This afternoon the Western University team will play with Washington and Jefferson and a good game is expected. Wash. ington and Jefferson expects to win, but the University team has defeated the same elevens as have tallen before its adversary, so that the outcome is not certain either way. The Wilkinsburg Rugby team will meet

the High School boys this afternoon at Wilkinsburg. This will be the first game of the season at Wilkinsburg and it will be a good opportunity to size up the strength of the Wilkinsburg eleven. The teams

Three Match Events Among Local Horses That Will Create Excitement.

There will be lots of good sport at Home wood Park this afternoon if all goes well. There are no less than three match horse races scheduled. The first on the card is between Jim Friel and Bell N for \$250 a side, best three in five heats. Speculation on this is sure to be lively. The second event will be between Braddock Boy and Count for \$100 a side, best three in five heats. There is \$100 a side, best three in five heats. There is considerable rivalry existing between the parties interested in this race.

The third and last event will be a race between Nat Gold and Demar for \$50 a side. These horses will toot the best three in five heats. The above events will certainly insure an afternoon's good sport. It is likely that Secretary McCracken will act as starter.

### SURPRISED THE DOCTORS.

Willie Burgess Recovers After a Siege of Terrible Suffering-His Case Considered Hopeless by His Attendants-Not a Scar Remains of His Many Injuries.

Willie Burgess was dismissed yesterday from the Southside Hospital after a remarkable recovery, which was by far the most notable recovery in the history of the institution. He is only 5 years old, but has undergone one of the most delicate surgical operations known to the medical fraternity. He has apparently fully recovered, and hardly a mark remains to indicate the terrible suffering he has undergone, or a scar to tell of his once badly mangled body. He has been in the hospital four weeks and during that time has been the marvel of the attending physicians and nurses, all of whom predicted his recovery

n impossibility.

Michael Madden, one of the nurses, in speaking of the case last evening said:
"When he was brought here no one expected him to live over night. He had been run over by an electric car, and was almost crushed into a pulp. His skull had been fractured, his nose and isw broken. shoulder and collar bone broken, and his body was covered with cuts and bruises The car had run against him with such force as to wedge him so tightly that the trucks had to be pried to get him out. skull had to be trepanned. His condition was hopeless for the first few days. He then began to get well rapidly, and is now a well boy. I must say I never met such a case, where recovery was so complete and in so short a time as this. Not one effect followed all his injuries, and I consider his case as truly marvelous.

Neglected Nasal Catarrh Often Results in General Neuralgic and Rheumatic Pains and General Nervous Debility-Cured by Drs. Copeland, Hall and Byers' Method of Treatment. CAN THEY TREAT BY MAIL?

Read the Following Letter and Its Sequel and You Will See.

GENTLEMEN-I will give you a general his-tory of my trouble, and I want your opinion and a month's treatment. My principal trouble is my stomach. I can't eat anything but what it gives me pain and a sickening teeling. I ache all over nearly all the time, with sharp pains running down my limbs at

pain and distress hard to fully describe.

Now for Its Sequel.

Drs. Copeland, Hail and Byers:

GENTLEMEN—I received my medicine. I feel better as the result of one month's treatment than I have for over a year. When I first consulted you one month ago it was with doubt and but little hope of receiving any benefit, for I had grown discouraged of ever being any better. But I must say I have been agreeably disappointed, for the relief has been almost miraculous, and I feel it my duty toward suffering humanity to testify publicly to your wonderful skill and successful methods of treatment.

Respectfully yours.
