Estimates for io-morrow: Wheat, 310 bushels; corn, 317 bushels oats, 170 bushels. Drygoods, NEW VORK, NOV. 5.—The drygoods market was relatively quiet in view of the half holiday and election excitement. The cotton goods market continues to give eri-dence of growing strength, Pembroke wide sheetings participating in the advance. Printed labits were in good request, though actual transactions were chilefly in wide novelties for spring. Prints were strong in tone; generally higher prices are looked for.

Electric Weld and flour, against 3,820,000 bushels for the corresponding week last year, the market took on a decidedly firmer tone. The indi-cations are for an increase of 2,500,000 bush-els in the visible and Bradet eds reports the available supply in the country and Canada at 87,300,000 bushels—ble largest on record and 24,000,000 bushels more than a year ago and nearly 42,000,000 bushels more than two years ago. In view of this enormous stock, the friends of wheat were not disposed to be agreesive and hence trade was slow and the gain in prices not important. Corn was quiet but firm; local receipts were only 258 cars, where 350 cars had been

looked upon as a favorable indication for an increase in arrivals, and for a time there was an easy feeling. But the buying soon increased, and the offerings being limited there was an improvement. Onts were firmer on the small local re-ceipts—only 139 cars, where 199 were ex-pected—and in sympathy with the better tone in corn. Hog products were firmer, mainly on lighter receipts of hore than expected. It was also tory on private terms. Hog products were himmer, mainly on lighter receipts of hogs than expected. It was also alleged that products were too low to show any prefit on manufacture from present prices of live animals.
