Chicago's Famous Football Team to Play Here Christmas Day.

EASTERN UNIONS ALSO COMING.

Some Interesting Pointers About the Big Paseball Meeting.

GENERAL SPORTING NEWS OF THE DAY

More games have been arranged by the Pittsburg Association Football Club and these games promise to be of the most interesting kind. Secretary Matthews on Saturday completed arrangements whereby the famous Chicago eleven will play here again at Exposition Park. The contest will take place on Christmas Day holiday, that is either on the Saturday or the Monday, as Christmas Day falls on Sunday this year.

The Chicago team will be remembered as playing the locals last year at Exposition Park when the game resulted in a tie. The contest was one of the most exciting and one of the best patronized that has ever been played in this city. Both teams have been strengthened since last year and both are more eager than ever to win.

Arrangements have also been completed for a home and home game between the for a home and nome game between the Pittsburg team and the Eastern Union team, It is expected that the Eastern Unions will play here on New Year's Day. They are a team made up of the best players in the East, and their home game will be played in Philadelphia. Without doubt they will be one of the strongest elevens on the American courings.

Everything is now ready for the local game on Thanksgiving Day, between the Canadians and the Pittsburgers at Recreation Park. The Canadian team are playing regularly, and are sure to come here in first-class condition.

On Saturday next the regular cleven of the Pittsburg Club will play apractice game against 15 of their fellow members. This contest is sure to be very interesting.

The local Rupby clubs are also arranging more games and the public interest in the sport is growing every day. Last evening in local football circles the only topic of conversation was Saturday's game at the Three A 1s Park. The general opinion seemed to be that as both teams had outsiders engaged that "kicking" about "ringers" was hardly fair. Judging from a remark made by a Three A member last evening it is not likely that there will be any more contests between the P. A. C. and Three A teams or representatives. This will be a pity.

WANT A FAIR DEAL

ing for such a division, and it would be made next season if the present debt was not hanging over the magnates' head, but for For years the Eastern clubs have been di-

viding the bulk of their profits with Westorn teams and got small amounts in return. They have been compelled to submit largely to the dictation of the rivals of the West. This has been far from satisfactory.

Some people are inclined to think that the New Yorks are planning a surprise for the other clubs at the meeting next week, although President Day says that such is not the case. It is said that during the past season the club lost \$39,000 and is indebted to its players. These players hold promissory notes, and as the directors have assisted other clubs out of financial ruts in the past, something should be done for them. They will try to strengthen the team. They want Dan hichardson back on second base, but Dan Richardson back on second base, but they do not intend to give all the present team for the Washington captain. Any rea sonable trade will be made for Richardson

changes in the constitution to meet recent requirements. It is likely that a salary schedule will be adopted and that the play-ers will be bound more closely. The absurd rule of changing the diamond and making five instead of four bases will not likely be given serious attention. If any change is made a tenth man may be introduced into the game to play right short field. But as this would decrease the changes of butting this would decrease the chances of batting, it is unlikely to be adopted. The New York delegates are now on their

CAPTAIN KING, of the Princetons, has put away his crutches and if he continues to improve he will be able to play in the Yale-Princeton game. THERE is a wheelman down South who invaria-bly rides his wheel to church on Sunday, He wears a silk hat and a long Prince Albert cont and is an object of ridicule.

Object of redictive.

CO NELL is mentioned on all sides as a possible successor to Wesleyan in the intercollegiate league. The latter team is altogether too weak for the other elevens. THE Yale management has guaranteed to furnish the Brown University party with good seats at the Historia-Tale game according field a week from today and a large delegation is expected to be present.

will find the deep sand track at Roby very trying, and for awhile there will be no such thing as form to foliow. The best quarter or a mile time recied off by any of the horses there yesterday was done down the backstretch in X seconds. Roby time will evidently stand as the slowest in the country, just as the Monmouth straight course time ranks as the fastest.
