TO-DAY WE CELEBRATE THE TRIUMPHANT COMPLETION OF OUR COMPREHENSIVE ENTERPRISE
TO-DAY we congratulate ourselves that the great task which we have undertaken is accomplished. TO-DAY we congratulate the Good Old City of Pittsburg in possessing the most magnificent and representative business building in the land. The glorious edifice which we dedicate to mercantile pursuits to-day will reflect credit on this community. It speaks in trumpet tones of Pittsburg's phenomenal progress. It is the fruitful topic of conversation in commercial circles North, East, South and West.
