

DISCOURAGED.

No Woman Will Be on Reading This.

A lady, who for years had suffered from nervous weakness, headache, backache, excessive nervousness, and who complained of feeling tired all the time, disheartened at repeated failures to find relief, exclaimed: "I am discouraged, and suppose I must drag out the rest of my life leaning on a crutch and in a wretched and miserable state."

A sympathizing friend encouraged her with words of hope. "There is one thing you have not yet used—the great nerve and health restorative, Dr. Greene's Nervina blood and nerve remedy. This wonderful discovery cured me, and I am sure it will cure you."

There are thousands of women who need the same encouragement. Women should not neglect their health, for good health is a woman's greatest blessing. Rarely vegetable and harmless. Druggists, \$1.00.

"I deem it my duty to say that I think Dr. Greene's Nervina blood and nerve remedy the best medicine in the world. My kidneys were in a terrible state, and had awful pains in the back and side, and could not sleep at night. My headache was a source of great annoyance, and I had several nervous attacks. I cannot speak too highly of this wonderful remedy, for it cured me of my terrible complaints. Why, I felt so miserable that I often thought I would take my own life. I thank God for directing me to Dr. Greene's Nervina blood and nerve remedy."

Dr. Greene, the specialist in curing all forms of nervous and chronic diseases, 33 W. 14th street, New York, can be consulted free, personally or by letter. Call or write him about your case, or send for symptom blank to fill out, and a letter, fully explaining our disease, giving advice, etc., will be returned free.
