

A MUCH FIRMER TONE

Follows An Early Decline on Lower London Quotations.

A RUMOR OF JAY GOULD'S DEATH

And Here Talk About Gold Exports Have Some Effect.

BUT GENERAL MARKET CLOSED STRONG

NEW YORK, Nov. 30.—The stock market was feverish and unsettled throughout the day. At the opening prices declined fractionally all around in sympathy with lower quotations from London, but subsequently a firmer tone prevailed and an advance of 1/8 to 1/4 was made.

During the afternoon the belief that gold exports will be made on Saturday was strengthened by the withdrawal of \$100,000 gold coin from the sub-treasury by Heidelberg, Kiehlmeier & Co., ostensibly for the purpose of ascertaining the exact weight of the gold now being paid out by the government.

About the gold shipments on Saturday it is very difficult matter to make any guess; still we think that about \$2,000,000 will go abroad.

Government bonds closed as follows: U. S. 4 1/2 per cent, 113 1/2; U. S. 4 per cent, 113 1/2; U. S. 3 1/2 per cent, 113 1/2.

The following table shows the prices of active stocks on the New York Stock Exchange, corrected daily for the Pittsburgh Dispatch by WATKINS & COMPANY, 37 South Avenue.

Table with columns: Stock Name, Price, Change. Includes Am. Cotton Oil, Am. Sugar, Am. Tobacco, etc.

CHICAGO CHANGE

Wheat and Provisions Lower and Corn a Shade Higher.

CHICAGO, Nov. 30.—Rumor had it that John Cudaby and his followers not only bought a great deal of wheat to-day, but not perhaps 2,000,000 bushels on puts they bought yesterday in addition to their direct purchases.

A DELUGE OF PHILLIE

On Report of a British Compromise With Carnegie & Co.

THE STOCK SCORES A BIG LOSS.

Union Switch and Signal Also Takes a Downward Turn.

LOCAL AND GENERAL FINANCIAL NEWS

PHILADELPHIA, Wednesday, Nov. 30.—The market all day to-day, the result being a steady decline to 1 1/2%. It was known late yesterday to a favored few that the weakness of the stock was due to the fact that the legal battle between the company and Carnegie, Phipps & Co. had been terminated by a compromise unfavorable to the Philadelphia Company, and the deluge of stock to-day was not unexpected.

A good many of the selling orders executed were for Eastern account. A fair proportion of the business was strictly local, however, and it is expected that the decline to-day will bring out considerably more highly margined stock to-morrow. If such is the case, and no support is offered, lower prices will doubtless be made, though it would seem as if the compromise had been discredited, particularly since the exact terms of it are unknown.

LIBERTY STREET REALTY

Sells for \$1,200 Per Front Foot—The Property 433 Liberty Street Sold for \$37,191.66—Another Business Block Will Be Erected—A Valuable Residence Changes Hands.

Another sale of Liberty street business property has been closed. Black & Baird sold the property No. 433 Liberty street, consisting of a three-story brick building, now being occupied by Bellini, Rentz & Co., for the purpose of commission merchants, and a lot 20 ft. 11 in. x 115 ft. deep, for L. H. Vohlt, for \$27,191.66, or at the rate of \$1,200 per front foot. It is very probable that the latter fine business block will adorn these premises next spring.

This makes three fine business houses that will be erected on this property. This property is only divided from the pieces recently purchased by Messrs. Laird & Ray and C. H. Voligt, by the property of C. H. Voligt, which has a frontage on Liberty street of 22 feet. It is believed that this latter property also will be improved in the spring.

A Valuable Residence Sold. The Kere property, situated on the north-west side of the intersection of Neville street, consisting of a lot 85x170 and a large brick residence of 12 rooms, has changed hands. Mrs. T. C. Fulton to-day purchased the property for \$24,000, and will occupy it for home purposes, and will occupy the premises shortly.

Notes of Gospel. The report that the residence on Winnebago avenue had been sold to C. B. McLean, Esq., is not true. Messrs. Black & Baird sold this property to Mr. Louis Nepp, the resident, for \$33,000.

Property owners and residents of the West End are in a happy frame of mind, as the electric road to the coast near running its cars on Monday next. During the winter the line will just be the one traversed by the electric cars from the city to the coast.

Building Permits. The following permits were issued to-day: William Sallows, a 2-story frame dwelling, Wakefield street, cost \$400. Singer, Nitwick & Co., a 2-story brick rolling mill, West Carson street, cost \$2,000.

Reports From the Brokers. John K. Ewing & Co. report the sale of the property No. 157 Charles street, Allegheny, to Benjamin Myers, for Mrs. G. E. Hous, by a relay of cars from the coast, with a lot 10x100 feet, for \$2,200 cash.

Money ruled firm in New York to-day, but closed easy. Money on call was firm, ranging from 6 to 8 per cent. Last loan at 8 per cent and closed offered at 8 per cent.

Trading in the other shares was limited. Union Switch and Signal was decidedly weak, and closed at 106 1/2. Central traction at 25 1/2, Airbrake at 12 1/2, P. & B. traction at 25 1/2, and Erie at 106 1/2.

A complete failure in the steel trade is present in that while the steel trade in Chicago mills is well employed on rails, nearly all other establishments have expanded the most of their back orders and stand in need of new business to insure winter work.
