PENNSYLVANIA RAILROAD. Trains will leave Union Station, Pitts! Wonderful Complexion Which \*\*\*\*\*\*\*

No One Could Explain. All Women Were Envious of Her for Many Years. Now They Know All About It and A lady well-known in our social circles has for years been at once the envy and admiration of all the ladies hereabouts on account of the wonderful preservation of her health and beauty, and particularly because of her clear and dazzling com-

writer was present, and her secret is now a secret no longer. "Why it is really no secret at all," she said; "a perfect complexion depends upon just two things, strong nerves and a good diges-Most women are excessively nervous, weak and languid, and as a result their com-

plexions are sallow and their faces pinched, drawn and wrinkled. Female difficulties always aggravate the trouble. Few women have perfect digestion. Now obviously, if women wish sound health and good com-plexions they must get their nerves strong, their digestion good and have no female weakness. Disorders of the stomach and liver, with the consequent clogging of the system, is very trying to the complexion. The best thing in the world to overcome these difficulties is Dr. Greene's Nervura blood and nerve remedy for it is a wonder ful strengthener of weak nerves, and gives a vigorous appetite and perfect digestion at all weak or run down. Besides, it is a vegetable remedy, pure and harmless."

MRS. MARY FRANCES LYTLE. The above is borne out by another no less

popular lady, Mrs. Mary Frances Lytle, who resides at 2 Hunter Alley, Rochester, N. Y. In speaking upon the same subject she said: "I was very pale and delicate and had no color whatever. I also had a very bad leucorrhoa all the time and suffered great pains at my periods.

"I am now all well thanks to Dr. Greene's Nervura blood and nerve remedy. My face is plump and cheeks red and my complexion "When I began the use of this most excel-

lent remedy I only weighed 81 pounds, now I weigh 115 pounds and am still gaining. Dr Greeno's Nervura blood and nerve remedy is a wonderful medicine. I have not had any trouble since I began taking it." This great remedy is the discovery of the eminent and well-known physician, Dr. Greene, of 35 W. 14th Street, New York.
