FOR SALE—The Encyclopedia Britannica deals with knowledge rather than opinion, and with all subjects from a critical and historical rather than a dogmatic point of view; its main object is to give an accurate account of facts, and an impartial summary of results in every department of inquiry and research.

FOR SALE—The marvel is that so admirable a work as the Encyclopedia Britannica should be within the reach of all people who are able to buy books; families with children of school age can hardly find any excuse for not furnishing them with an encyclopedia hereafter.

FOR SALE—The Encyclopedia Britannica gives information relevant to a library of a thousand volumes; in the age in which we live an encyclopedia passes out of the category of a literary luxury and becomes a serviceable necessity for all men of education and intelligence.

FOR SALE—The Encyclopedia Britannica was the original and is the model which all others have essayed to copy; as it was the first, so it ever was, is now, and probable ever will be, the standard.

EDUCATIONAL.

OTHER cyclopædias have been sold, not because they were preferred, but because the price of the Britannica placed it beyond reach; now it is the cheapest set of books in the world and can be afforded by every family.

THE Britannica furnishes the amplest means to guide the inquirer to an independent opinion on the subjects that most profoundly agitate the human mind, and concerning which men are most anxious to be informed.

THOSE who desire a high class encyclopædia at a low price, will be glad of information to the effect that the famous encyclopædia Britannica may be obtained of Britannica Publishing Co., 68 Sixth av., Pittsburg, Pa.

THE Britannica is indispensable to the youth who hopes to be the practical business man or mechanic; to be the successful professional or literary man; in fact to all who wish to be informed on the latest developments in science.

THE events and elements of a civilized world, from its beginning, are chronicled within the pages of the Encyclopædia Britannica, giving the reader a general conception of what man has thought and done in his long march down the ages; a more valuable work has never been given to the world.

A STANDARD work of reference, an unequaled repository of knowledge—the Encyclopædia Britannica.

THE list of American contributors to the Britannica is very long, and it embraces the best literary
