WRIGHT'S INDIAN VEGETABLE PILLS have most deservedly taken the lead of all similar remedies. The experience of thousands attest to their excellent effects. / After using them a short time, the wretched invalid finds all the disagreeable and unhealthy humors expelled from his system, his digestive organs perform their proper functions, his blood regains its purity, the oppressive sense of weariness and pain departs, and his body becomes endowed with its wonted energy and, strength, while the mind rapidly resumes its ori-

ginal vigor. Reader, such a medicine is Wright's Indian Vegetable Pills, of the North American College of Health. They not only cleanse the blood and other fluids from all impurity, but they impart a strength and vigor to the constitution which gives new life to the the whole frame will sooner or later be whole frame.
