DYSPEPSIA is a weakness of the digestive organs, and like every other complaint, is caused by impurity of the blood. The gastric juice, a fluid peculiar to the stomach, when secreted from bad blood, is deficient in those essential solvent properties which are essential to proper digestion. Consequently, the body is not suitably nourished, the bowels are imperfectly evacuated, and indeed all the functions of the body are deranged.

Wright's Indian Vegetable Pills are one of the most extraordinary medicines in the world for the cure of Dyspepsia, because they thoroughly cleanse the stomach of all bilious affections, and completely purify the blood. Hence, they remove the cause of every kind of disease, it is absolutely impossible for them to fail in curing dyspepsia.

For sale at the store of J. D. & E. Montanye, in Towanda, and by agents published in another column of this paper.

Caution.—As counterfeiters abroad, avoid all stores of doubtful character, and be particular, in all cases, to ask for Wright's Indian Vegetable Pills.
