THE subscriber has just received and opened for sale at the APOTHECARIES HALL in Towanda, a large and general assortment of fresh Drugs and Medicines, comprising all the medical agents employed in the practice of Medicine & Surgery. Also an assortment of Paints and Oils. The above articles were carefully selected by the subscriber himself, he has therefore the confidence to recommend them to the public as articles of the very best quality. The store will be constantly under the care of a medical gentleman, who will punctually and promptly attend to all orders. Any article sent for which in an over dose may produce deleterious effects will be labeled and the appropriate directions given thereon. To customers and all who purchase at this store, advice will be given gratis. The subscriber has also made an arrangement with Dr. Huxford, who occupies an office in the building, by which invalids may avail themselves of his experience and advice free of charge. An establishment of this kind under the immediate supervision of a medical practitioner has long been desired by the citizens of this place and vicinity. The subscriber hopes thereon by a strict attention to the business of the establishment and especial care in selecting genuine articles to be able to obtain a share of public patronage.
