# 8100 KEWARD!

SOME fit person for the State Prison, or the gallows, in the night of 21st inst., attempted to set fire to my office, by breaking out a light of glass, and throwing on to a table, among papers, a parcel of combustible matter rolled up in a cloth, which was burned in two in the middle. But a kind Providence fround upon the attempt of the base incendiary, and the fire Cawford Joseph.

The object of the villian, was, no doubt, to burn up a large amount of property in Bonds and Mortgages—in Carmon John. Which I have no personal interest except the charge of them, and a small commission. The foolish villian had Dennis Charles. not sense enough to know, that the Mortgages were all on record; nor honesty and uprightness enough to care how much he injured his neighbors, and hundreds of Earl Wm. ettlers, in burning up my books of account, and the onds upon which all the payments were endorsed, and Ethoridge Isaac D in almost all the cases the only vouchers the settlers could have as evidence of payment. It therefore behooves every settler who has a proper sense of right and wrong, to assist me in looking up this villainous incendiary, that he may be brought "to the light of a Court of Justice"—in doing which, they, or any other person, who may find the unprincipled rogue, shall receive the above reward, of one hundred dollars.

J. KINGSBERY, for the Bank of N. America and many others. SREENEQUIN, 23d July, 1845.

# O'Notice to Settlers. D

The subscriber having deposited the Bonds and Mort-gages in his possession, in Towards—in consequence of the late attempt to burn his office—takes this meth-od to notify such of the settlers on land in his charge, who are desirous—when convenient—to make payments, may pay the same to either of his sons, Bu or Joseph Kingshery, Jr. at Towanda, and either o their receipts shall be admitted as vouchers for so much paid—or, when more concernent, to the subscriber, in . Sheshequin: and such payments shall be endorsed or the proper bonds the first convenient opportunity.

confounded BAIRD'S have got New Goods again. In the language of Mrs. Caudle;—"Things have come to a pretty pass when them Baird's can go to New York and huy goods just when they please."

YES, Fellow Citizens, they have guessed it exactly; even Henry Sheldon & co., backed up by our neigh bors over the way, can't stup our buying and selling Goods. It is with us as it was with the boy who said "it whist'd itelf." Goods will find their way into our store at No. 3, and the good people of Brailford county will buy them and take them out.

We now have the pleasure of informing our old-friends and the public generally, that we are this day; teceiving from the city of New York a splendid addi-tion to our former stock of goods, which have been purchased in the city by one of our firm in person, with the "ready rhino" and will be sold positively cheaper for cash than goods have ever been sold in Towarda. · We are often asked the question, how it is we can sell goods so much lower than some of our neighbors.
We will give you a few of the reasons. First-We use our own capital, and consequently

have no interest to pay. SECONDLY-We occupy our own building, and con-

equently have no rent to pay.

Thinnir-We have other business on hand which is ample for our support, and consequently need not x our customers for the purpose.
FOURTHLY & LASTLY—We buy no goods of Henry

Sheldon & co., and consequently can sell a lettle cheaper than those who do.

Now, Ladies and Gentlemen, in order to satisfy yourselves whether you can buy cheaper at No. 3 Brick Row, than at any other place in the world, you have only to continue to do as you have been doing for near ly three years past. Just drop in before you buy; inquire, the prices and examine the qualities of our goods. We know you will do that, and we also know that having looked ten will be the prices and examine the second ten will be the prices and the prices are set to be a second t that having looked, you will buy, as you must be satis-
