# Bradford County Democratic Meeting.

Pursuant to public notice, a large Democratic meeting convened at the public Hall of A. J. Gerould, in East Smithfield, on Monday the Gerouid, in Lass Smaller, The meeting was 29th of September inst. The meeting was called to order at 3 o'clock P. M. Maj. LU-MAN KELLOGG was chosen President of sylvania and the Union. the meeting, and Chauncey Guthrie, James Philleps, Abiram Pierce, Christopher Child, Col. Theodore Wilder, Sterry Durfey, Leonard Pierce and Abram Jones Vice Presidents. Col. W. E. Barton, T. M. Beach and Col. David Farnsworth, Secretaries of the meeting. On motion, the President of the meeting ap-

pointed the following named gentlemen a Committee on Resolution's, viz : Col. Seth Salisbury, W. F. Kellogg, Maj. Ira C. Bullock, Capt. E. D., Titus, A. A. Jones, J. E. Mitchell, Stephen Craine, Maj. Enos Califf. Doctor David Hill, Capt. J. L. Gerould, E. Allen, Nelson R. Calvin, A. J. Gerould, C. E. Pierce, Capt. Geo. R. M'Vannan, Joshua King, Ira Adams, Jonathan Hall, Edmund Fairman. Leonard H. Pierce, and George Geroald.

The committee reported through their chairman, Col. Salisbury, the following resolutions, which were unanimously adopted by the meeting :

WHEREAS, " The Constitution of the United States is the first instance of a government deliberately formed by the people, for whose benefit it was intended." Our hopes of maintaining this free system of Government unimpaired, and transmitting its blessings to posterity, rest upon the intelligence and moral virme of the people, themselves.

Does Pederalism ask for our political creed ? It will be found in the " Declaration of American Independence." In this great charter of human freedom, is set forth in letters of living light the divine right of man to be free. Resolved, That the election of JAMES K. POLE to the Presidency, is a National triumph of reason, virtue and truth ; a solenin reversal by the people of the whole Union-of a de-

cision that had lowered their moral and intellectual standard in the estimation of the world. Such a victory to the Republican Banner. achieved through the bollot box, cannot fail to have a grateful and permanent influence upon the onward progress of the great doctrines of democratic truth.

Who, then, we ask, in a spirit of earnestness, that is a democrat at heart, who cherishes a deep veneration for the character of our glorious free institutions-who that is a democrat. because he understands the true principles that he professes, will now refuse to co-operate in good faith with the democratic party, in giving a cordial and effective support to the regular nominations promulgated through County and State Conventions.

Resolved, That we are justly proud of the elevation of an eminent cilizen of our own great State to the second office in the gift of he American people. GEORGE M. DALLAS has sustained with unshaken firmness the doctrines and measures of democratic party of Pennsylvania and the Union through good and evil report. We recognize in him an able Statesman, an inflexible patriot, and a true friend.

Resolved, That JAMES BUCHANAN is well entitled to the exalted reputation that he enjoys as a Democrat, a Statesman, and patriot. The acknowledged ability and fidelity with which he has discharged all the public duties committed to his care, give him high claims upon the confidence, respect, and consideration of the democratic party.

Resolved, That our confidence in Governor SHUNK, the purity of his character, his sound Republicanism, and fidelity to the honor and welfare of his native State, is undiminished, and that in his exertions to maintain the Democratic party and its principles in the ascendent, we will yield him an unwavering and sincere support.

Resolved, That the united vote of the democratic members of the Legislature in the re-election of the Hon. DANIEL STURGEON to the U. S. Senate, is the strongest, evidence of his merits and popularity with the Democratic

services of Martin Van Buren to the people of the United States. His eminent Statesmanship, his exalted patriotism and purity of pur-

pose in suporting the great principles of Constitutional liberty-all these things, and more too, have secured for Mr. Van Buren the abiding good will of the Democratic party of Penn-Resolved, That the State elections now

pending in the Keystone State, is momentous in all its bearings-the policy, the public measures of the two great political parties are fully at issue, and again to be tested by the votes of the people, calmly and dispassionately given at the ballot box. We rejoice to be able o assure the Democracy of the State, that Bradford county will gallantly and victoriously emerge from the conflict, will nobly Banc re-assert the doctrines and measures of 1844, Brow by a triumphant election of their entire democratic ticket.

Cool Resolved, By the democracy of Bradford Chai county, now convened, that we most earnestly Cam recommend to our democratic fellow-citizens Dane throughout the State, to be united and energet-Gask Jacob ic in support of the measures and the candi-

daies of the democratic party. Resolved, That the "BRADFORD REPORTER" is fully entitled to the confidence of the democratic party-is an able and faithful Democratic Journal ; and as such, shall receive our cordial and united support.

The following resolutions were offered to the meeting by Truman M. Beach, Esq., and Work 8. unianimously adopted.

Resolved, That the democratic party of Bradford county, acknowledge gratefully the honor conferred in the selection by the Legislature of the State, of one of her citizens to fill the important and responsible public trust of State Librarian; and the ability and constancy with which our friend and fellow-citizen Col. SALISBURY, has sustained the demo cratic party and its principles, well entitles him to, what he so fully enjoys, the confidence and respect of the democratic party ; and, that we fully approve his patriotic exertions to maintain union and harmony in the Democratic

ranks Resolved. That the President of this meeting appoint a committee of five to procure the publication of a letter from the Hon. ROBERT DALE OWEN, to Col. S. Salisbury, in which letter is set forth the facts in detail, that Col. R. M. JOHNSON was the slayer of " Tecumseh" in the battle of the Thames; a fact that has been recently denied by the Whig press in the United States. The President appointed T. M. Beach, C. Guthrie, William Elwell, Col. V. E. Piollet, and J. L. Webb. to procure the publication of Owen's letter. Resolved, That the proceedings of this meeting by signed by the officers and publish ed in the Bradford Reporter, and other democratic papers in the State, and that copies of these proceedings be forwarded by the President of the meeting, to the President and Vice President of the United States, to Mr. Buchan

an and Governor Shunk ; also, to Martin Var Buren and Richard M. Johnson. Mr. Wilmot addressed the meeting in speech of great power, and eloquence, review ing with ability the measures that were involv

ed in the national struggle of 1844--that the Democracy of Pennsvivania were now called upon to re-assert these great political truthsexhorted in the most impressive terms to un ion and harmony-he spoke at length upon the Independent Treasury law ;" his argument in favor of this great Measure was an able effort, and received with high applause. Col. Piolle followed Mr. Wilmot, at length, and was lis tened to with attention and interest. Col. P. acquitted himself in a manner highly creditable, and most satisfactory to the political party of which he is a candidate for the Legislature. The most perfect union and harmony animates our party, and of its triumphant suc-

cess in Bradford county on the second Tues day of October, there is no doubt. [Signed by the Officers.]
