NO. 3 S USUAL, the first arrival of new goods for the season, are this day opening at BAIR'Ds, No. 3 Sizes Row, where we invite every body, men, wemen and children to call and examine our splendid assort-

We eve an apology to our friends for the crewded and jammed up state of things which has existed for several months part at No. 3, but the public are aware that such results must necessarily arise from the fact that we have generally had the largest and best assortment of geods in Towauda, and it having been ascertamed to a certainty, and generally understood that the place to buy cheup is at Buird'r, No. 3. In order, however, to obviate some of the difficulties, we have just completed a large and commodious storehouse in the rear of the liftick block, where many of our leavy goods will be removed, and we hope now to be able to make room for our many friends, and enable them to do business in our store with comfort and despatch.

We also have the pleasure of amouncing that we have Henry Shelden & Co. "fairly floored"—their operations intended to injure us fall harmless at our feet, and our arrangements are now complete for keeping always on hand a splendid assortment. We owe an apology to our friends for the erouded

It is impossible to enumerate all the articles, for they are so numerous and the assortment so general, that it would require at least ten acres square of foolscap. In closing this advertisement, we need not say to our friends, "don't forget the place," for every body knows where to find BAIRD'S CHEAP STORE, right in where to find DAIRD'S CHEAT STORE, right in the centre of the new brick block. We know that to insure a continuation of your very liberal patronage we have only to continue our very low prices, and to keep, as we have done, the best of goods.
