COWANDA MIBBOULATS

THE SAVINGS BANK.

HIS action was brought for "downright murder," against the Cashier & Co. of the Towarda Sarings Bank, for relling goods too cheap, and thereby bringing leanness upon the "Merchant Princes" of the lorough. But, with all their vaunted sayings, hired witnesses and combinations, together with the principal endence admitted by us—(that goods were sold cheap-er at Flynt & Co.'s than any other establishment)— we have at last come off with our "capital increased," and obtained a signal victory over these would-be 'law' and order combinations, and carried dismay even into the enemy's camp. In addition to our former stock of
