GEHE undersigned are under many and deep obliga-tions to their numerous friends for the very libe ral patronage they have received, for which we tender you many thanks; and we have no doubt of a continu-

ance of your "emiles and favors" so long as we con-tinue to sell goods cheaper than any store within 100 niles of us. We now have the pleasure of informing our friends and customers and the public generally that we are re-ceiving direct from N. York, a larger and better assort-

ment of Goods, that we, or any other merchants even brought to this market, consisting of Dry Goods & Groceries, | Glass & Nails, Crockery & Hardware, | Iron & Sall, Drugs & Medicines, | Leather & Fish, Dy Woods&Dye Stuffs, | Boots & Shoes &c.

We gave notice in our last advertisement that "we had Henry Shelden 4 Co., floored---" since which time some of our neighbors have been firing their *little pop* guns at us, but its of no use-men who have stood at the cannon's mouth as long as we have, cannot be frightened by such small trash.

We can assure our worthy neighbors who have fal-len so deeply in love with the terms " bluff" and " bluf fing," that it is our intention so long as we remain in business to always have a rates of Goods, and after the gross attempt made in 1842 to prevent our buying. we are not so green as to go to the city without a FULL HAND, which in addition to the experience of one of our firm in the city trade (having been for some time a clerk in N. York city.) enables us to buy goods cheaper than merchants generally from the country can. So just come on, all yo who want to buy cheap for CASH call at no. 3 sloke with excedur at meand you

So just come on, all ye who want to ouy cneap for CASH, call at no. 3, shake "the ready" at us and you "are caught—" or if you have a load of produce "give us the wink" and we are arter you. For more particulars look along through the paper. W.H.BAIRD & CO., No. 3, B.Row.

## 'It never has been necessary.

For no. 3 to say they would sell goods for "123 per cent profil —" for we can do that and then sell at a price less than many of our neighbors pay for the same oods in the city-and that too has long been "A PRO-VERB.

We trust that it never will be necessary, For no. 3 to boast of "ruining" any body by selling goods cheap either in "Brick Row" or Wood Row-we sell goods cheap to benefit community and not to ruin them, this too has also long been "A PROVERS."

But in the mouth of every body, even the little boys in the streets proclaim it aloud, that no. 3 are selling "bet-ter goods and more of them." than any other establish-ment in Town - works the street the stablishment in Town,-wonder how long since some of our neighbors found out this was "A PROVERS ?"

THERE IS A WAY TO TEST THE ABOVE: Just continue your old practices, drop in at no 3 before you buy, where no charge is mide for exhibiting goods. Nov. 25, 1845. W.H.BAIRD & CO.
