LHE undersigned are under many and deep obliga-tions to their numerous triends for the very libe-ral patronage they have received, for which we tender you many hanks; and we have no doubt of a continu ance of four "smiles and favors" so long as we con tinue to sell goods cheaper than any store within 100

miles of us.
We now have the pleasure of informing our friends and customers and the public generally that we are re-ceiving direct from N. York, a larger and better assort-ment of Goods, that we, or any other merchants ever brought to this market, consisting of Dry Goods & Groceries, Glass & Nails,

Drug Goods & Groceries, Glass & Nails, Crockery & Hardware, Iron & Salt.

frightened by such small trash.
We can assure our worthy neighbors who have fal-len so deeply in love with the terms "bluff" and "bluffing," that it is our intention so long as we remain in business to always have a fiven of Goods, and after the gross attempt made in 1842 to prevent our buying, we are not so green as to go to the city without a FULL HAND, which in addition to the experience of one of our firm in the city trade (having been for some time a clerk in N. York city,) enables us to buy goods cheaper than merchants generally from the country can. So just come on, all ye who want to buy cheap for CASH, call at no. 3, shake "the ready" at us and you "are caught—" or if you have a load of produce "gire us the wink" and we are arrey you.

But, with all their vaunted sayings, hired witnesses and combinations, together with the principa evidence admitted by u-(that goods were sold cheaper at Flynt & Co.'s than any other establishment)—we have at last come off with our "capital increased." and obtained a signal victory over these would-be 'faw and order combinations, and carried dismay even into the enemy's cump.
