H. S. & M. C. Mercur,

HAVE the pleasure of announcing to the public, that their unprecedented heavy sales this fall, have rendered it necessary to purchase another large stock of WINTER GOODS, which they are now receiving and offering for cash at *wholesale or retail*, at much lower prices than they can be found at any other store in Towanda. Cash purchasers of goods can secure the following advantages by calling at our store:

FIRST—The procuring of their goods at the least possible advance from the manufacturer's and importer's prices, as our goods are purchased from first hands, at net cash prices.

SECOND—Relief from the extra prices, which merchants who give credit *must* charge to cover losses by bad debts, collecting fees, &c.

Our stock is very heavy, embracing almost everything in the line of Dry Goods, Groceries, (Liquors excepted) Hardware, Crockery, Drugs, Medicines, Paints, Oils, Dye stuffs, Boots and shoes, Saddlery Hardware, Carriage Trimmings, &c. And altho' our stock of goods is much the heaviest in town, they were purchased so very low that they did not cost $25,000, or even $15,000, and our customers can have the benefit of our advantageous purchases, as our motto is, "Small profits and quick sales. in short, every variety of goods required in this market, of the latest styles and of the best qualities according to prices, which shall be sold as low as can be afforded at any other establishment intended for permanent business. FARMERS' produce bought at all times, at good prices, and as fair an exchange made for goods as by any dealer in the county.

Persons going to the mine for COAL, can save hauling by leaving their loading here, (several miles this side,) at the coal-bed prices, and taking an order on the miners, which, under his arrangement, will be otherwise to their mutual advantage, by securing to purchasers coal at the most favorable rates of barter, there, and saving to the miners the cost of bringing surplus produce back to market.

R. F. has heard of pigmy souls, near Franklindale corners, the old "yellow corner," whitened over like the sepulchre, and in some other dark corners, which could find no good answer to the question—"*who is my neighbor?*" but he has passed their reach, not cornered yet, and he assures the community which has imposed so many obligations in him by past confidence that he cannot risk its continuance, by stopping to *kick* off whuffets, or making announcements which he is unprepared to fulfill. A Tinman tried, once on a time,
To do the business of a town:
Quoth he, I'll put it into rhyme,
And write all opposition down.
This house is mine—I pay the rent—
How dare a Noble own one near?
And Pratt come in, I vow, full bent,
To run down Tin by selling Beer!
Here's at them all; good people, I
Sell pie-tins—not without a pie—
And pots—with tea and coffee too—
Without a stove to cook them through—
Pint-stoups—and liquor to put in.
To make you feel *light* in your skin,
Ready to break, or else to turn
The corner, so its fun to learn
Whate'er you want, you'll find it here,
Except Dry Goods—they'll come next year;
Sheet Iron, candles, flour and pork,
Fish, soap, tin, copper, and all work
For most too small, I'll try it all—
So give a call on do-all-Hall. n26

JAYNE'S HAIR TONIC.—This late discovery of Dr. Jayne, awakens the praises of the press in all parts of the country. The fact is, the more the article becomes known, the less peace has the Doctor. A continual stream of bald heads keep pouring into his establishment, who go to bed at night, dream of long and flowing locks, and awake in the morning, and find the vision realized. We saw a bewitching damsel a few days since, the curl of whose auburn locks attracted our attention, and, for some time we did not recognize an old friend. TOWANDA ACADEMY.

THE next academic year of this institution, will commence on Monday, the first day of September next, under the superintendence and management of

Mr. J. C. Vandercook, as Principal.

JNO. P. WORTHING, Assistant.

Miss Sarah P. Worthing, Preceptress.

Mr. Vandercook has been successfully engaged in teaching for ten years past; he has much experience in this important and truly elevating department of human enterprise and benevolence, and brings testimonials from various sources of good moral character, and excellent scientific and literary attainments.

Mr. Worthing is a gentleman of very excellent attainments, experience and skill in teaching, and cannot fail to do much for the advancement of the student and the prosperity of the institution.

Miss Worthing, the Preceptress of the Female Department, has already, by her devotion to literature, and her superior virtues, obtained the unqualified confidence of the community, and the esteem and affection of her numerous pupils. Young ladies will seldom find an instructress better qualified to mold all the wants of the student, not only as a teacher, but as a guardian friend, and associate. They cannot but be improved by her example and society, as well as by her engaging instructions.

TUITION will be as follows, in all the departments:

Primary and common English studies, with Penmanship, composing and speaking,	$2 50
Natural, intellectual and moral science, botany, chemistry, history, astronomy, rhetoric, logic,	5 00
book-keeping, drawing, painting, &c.,	4 00
Mathematics and the languages,	5 00
Incidental expenses, per term, during winter,	25

No student will be received for less than half a term, and no deduction will be made for absence, except in cases of illness or other unavoidable causes.

The Academic year will be divided into four terms of eleven weeks each. There will be a vacation of one week after the first term; also one week after the third, and a vacation of six weeks after the fourth, including the harvest season.

We desire to make the Towanda Academy an agreeable and desirable resort for students from abroad, as well as those at home; a place where the purest virtues shall be cultivated, and the germs of science firmly set in the youthful mind. For this great object, no care or labor will be spared on the part of teachers or trustees. The Principal should be consulted before purchasing books, as several changes are contemplated in the text-books of the School.

Students from abroad can find board with the Principal or others, on reasonable terms.

Lectures will be given regularly by the Principal and others, on the most important topics of education, and a society organized for the especial benefit of young men. There will be two examinations and exhibitions during the year, the time to be determined by the teachers and trustees. HIRAM MIX, President.

TRUSTEES.

J. D. Montanye,	Burton Kingsbery,
