

The President.—We have had occasion several times to remark upon the industrious habits and close application to business of the President of the United States. Being comparatively a young man, enjoying good health, and accustomed from early youth to these habits, he is most indelicate in giving his personal attention to all branches of the public service; and that too, more in detail than perhaps any of his predecessors have been able, from their more advanced age, to bestow upon him. With many of these details he has become familiar. He is found daily in his office from an early hour until late in the evening.

As the country has been enlarged, and its population increased, the duties and responsibilities of the presidential office have been greatly augmented. In the midst of business he receives the visits of the thousands who throng to the capital at this season of the year, and is courteous to all, whether they call to pay their respects, or on business, taking care to neglect no public duty which requires his attention.

No inconsiderable portion of his time is consumed in reading the immense correspondence which he receives daily. To answer the thousands of letters is physically impossible; nor has it ever been attempted by any of his predecessors. Were the President to abstract his whole time from other more important duties, it would be impossible for him to respond to more than one in ten of his numerous correspondents. We mention the fact, that it may be generally known, and that answers ought not to be expected by the thousands of persons who address letters to him. But, though he cannot answer them, the public may be assured that no letter on business requiring his attention is neglected.

PANTALOONS AND SCANDAL.—The Boston papers state that one night recently a gentleman in Charlestown, on the opposite side of the river, left home to go to the theatre, but changed his mind and returned at nine o'clock. Soon after he had retired to bed, his wife complained of being very ill, and begged him to get her some brandy. Alarmed, the good man hastily dressed and hurried to the shop, where he purchased the desired drink, and putting his hand in his pocket took from it a quarter of a dollar, as he supposed—all he had in change, he was positive. The shopkeeper gave him four dollars and seventy-five cents in change. The piece was examined—it was a half eagle. The gentleman felt again in his pockets and found over \$200 there. He looked sharp at the unwhisperables—they were not his own—while those he had dodged in going to bed were among the missing.

Towanda, Dec. 29, 1845.

WILLIAM ALMANAC'S for 1846, just received and for sale by MERCURS.

TOWANDA MERCHANTS
THE SAVINGS BANK.
THIS action was brought for "downright murder," by the Merchants Co. of the Towanda Savings Bank, for selling goods too cheap, and thereby bringing leniency upon the "Merchant Princes" of the town. But with all their vaunted sayings, hired witnesses and combination, together with the principal evidence admitted by us—(that goods were sold cheap) at Flyers & Co.'s than any other establishment—we have at last come off with our "capital increased," and obtained a signal victory over these would-be "law" and order combinations, and carried dismay even into the enemy's camp. In addition to our former stock of Fall Goods, we have just received
Another Ark Load of Goods,
which will be disposed of as liberally as heretofore.—
Therefore we have to record the
SIXTH PROVERB.
That George E. Flyn't & Co. cannot be put down.
Look for the Savings Bank, dec'd.

THE RESURRECTION OF DEAD WATCHES!
Warner & Woodruff respectfully inform the citizens of Towanda and vicinity, that they have formed a partnership for the purpose of repairing, for the public interest, the business of
CLOCK AND WATCH REPAIRING,
at the old and well-known stand of Capt. J. M. Gillson, (numbered 100) next door north of Col. Bailey's Grocery store, and two doors south of Elliot & Mercury's, where they will give their undivided attention to their business, and confidently inform the public, that from their long experience in their profession, and a determination to attend punctually to the interests of those favoring them with their work, they believe they can render satisfaction, and make refractory time-pieces.
Point with unerring finger to the watch of Time! They will be found at all hours, at their establishment, and solicit a share of public patronage.
All kinds of Country Produce, received in payment for work, at the market price, Nov. 26, 1845.

NOTICE is hereby given to all persons interested, that the Burtons, guardians of Lorinda Lee and Nancy Betham, guardians of Theodore Isaac Ennis, have filed and settled in the office of the Register of Wills in and for Bradford county, the accounts of their several guardianships, and that the same will be presented to the Orphan's court of said county, on Monday, the 2d day of February next, for confirmation and allowance.
LYMAN E. DEWOLF, Register.
Register's Office, Towanda, Dec. 29, 1845.

PROCLAMATION.
WHEREAS the Hon. JON N. GOYENGAHEM, President Judge of the 13th Judicial district, consisting of the counties of Luzerne, Bradford and Tioga, and Harry Morgan and Reuben Wilber, Esquires, Associate Judges in said county of Bradford, have issued their precept bearing date the 22d of December 1845, do directed, for holding a court of oyer and terminer, general sessions of the peace, common pleas and orphan's court, at Towanda, for the county of Bradford, on the first Monday of February next, being the second, to continue two weeks.
It is therefore his duty to direct the Coroners, Justices of the Peace and Constables of the County of Bradford, that they be then and there in their proper persons, at 10 o'clock in the forenoon of said day, with their records, inquisitions, examinations, and other their remembrances, to do those things which to the office appertain to be done; and that those who are bound by recognizance or otherwise to prosecute against the prisoners who are or may be in the jail of said county, or who are or shall be bound to appear at the said court, are to be then and there to appear against them as shall be just. Jurors are requested to be punctual in their attendance, agree to their notice.
Dated at Towanda, the 6th day of January, in the year of our Lord one thousand eight hundred and forty-six, and of the Independence of the United States the seventieth.

NO. 3 CAN'T BE OUTDONE!
THE undersigned are under many and deep obligations to their numerous friends for the obliging patronage they have received, for which we tender you many thanks, and we have no doubt of a continuance of your "kind and liberal" support, so long as we continue to sell goods cheaper than any store within 100 miles of us.
We now have the pleasure of informing our friends and customers and the public generally that we are receiving direct from N. York, a larger and better assortment of goods than we ever had before, brought to this market, consisting of
Dry Goods & Groceries. Glass & Nails,
Crockery & Hardware. Iron & Salt,
Drugs & Medicines. Leather & Fish,
Dye Woods & Dye Stuffs. Boots & Shoe &c.
We gave notice in our last advertisement that "we had Henry Sheldon & Co., dec'd." since which time some of our neighbors have been fitting their little pop-guns at us, but it is of no use—men who have stood at the counter as long as we have, cannot be frightened by such small trash.
We can assure our worthy neighbors who have fallen so deeply in love with the terms "bluff" and "bluffing," that it is our intention so long as we remain in business to always have a PLUMP OF GOODS, and after the goods are sold we will be just as good as buying, we are not so green as to go to the city without FULL HAND, which in addition to the experience of one of our firm in the city trade (having been for some time a clerk in N. York city), enables us to buy goods cheaper than merchants generally from the country can. So just come, that is, as you want to buy cheap for CASH, call at No. 3, "shake" the ready "meat" and you "are caught"—or if you have a load of produce "give us the wink" and we are arter you.
For more particulars look through the paper.
W. H. BAIRD & CO., No. 3, B. Row.
Towanda, Nov. 26, 1845.

Oh Gosh!! What Proverbs!!
Try it again Master G.
You may wake up old No. 3.
It has long since ceased to be necessary.
For No. 3 to say they they have the largest and best stock in Towanda, for that has long been "A PROVERB."
It has long since ceased to be necessary.
For No. 3 to say they buy goods for cash and they buy them 10 or 20 % cheaper than most of their neighbors, for that too long been "A PROVERB."
It has long since ceased to be necessary.
For No. 3 to say they are selling and will sell goods cheaper than any establishment in Towanda, for that too has long been "A PROVERB."
It never has been necessary.
For No. 3 to say they would sell goods for a 12 1/2 % profit for any one who can do so, and then sell at a price less than many of our neighbors pay for the same goods in the city—and that too has long been "A PROVERB."
We trust that it never will be necessary.
For No. 3 to boast of "padding" any body by selling goods cheap either in Brick Row or Wood Lanes—we sell goods cheap to benefit community and not to ruin them, this too has long been "A PROVERB."
It is no whimper—
But in the mouth of every body, even the little boys in the streets proclaim it aloud, that No. 3 are selling "better goods and more of them" than any other establishment in Towanda since we can do so, and that we and our neighbors found out this was "A PROVERB!"
THERE IS A WAY TO TRY THE ABOVE:
Just continue your old practices, drop in at No. 3 before you buy, where no charge is made for exhibiting goods.

FRENCH, English and American Broad Cloths of all colors and qualities, also Beaver and Pilot Cloth for overcoats, and perhaps it would be well to mention that we have over ONE HUNDRED different styles of Cassimeres, Fifty pieces Satinets, like the twenty odd of Shere Grey, which we are now selling at just about two thirds the usual price in town.

THE LATEST NEWS FOR PUBLIC INTEREST!!

H. MIX AND SON,
TAKE exceeding great pleasure in announcing to the public that their extensive assortment of FALL & WINTER GOODS, consisting of
DRY-GOODS, GROCERIES, HARDWARE, CROCKERY, Boots, Shoes, Iron, Nails, Fish, Leather, &c., &c. is in market, opened and ready for their numerous customers, and will be sold cheaper for Cash, than can be bought at any other establishment in town! We do not say this for the purpose of deceiving customers into our store, (as is the practice with some of our neighbors,) but merely that the citizens of Bradford County may know best where to buy goods to their interest.
It is gratifying for us to know that we have enjoyed some of the "smiles and favors" of a generous public for a number of years, and we will by no means make assurance of them we cannot, and do not intend to fulfill, but we might like some of our neighbors, receive their favors. But we will every year, man and child to know the fact, that we will sell our entire stock of New and Fashionable Goods, at the extreme low rate of 11 1/2 per cent. above cost and transportation!

THE TOWANDA SAVINGS BANK!

GEORGE E. FLYNT & CO.
Are again in the Field with fifteen thousand dollars worth of the cheapest and most desirable stock of Goods ever brought into Bradford County!
The Cashier & Co. of the TOWANDA SAVINGS BANK, tender their sincere thanks for the very liberal patronage heretofore accorded, and trust to merit a continuance of it. Our stock of goods consists of every known variety and style of Dry Goods, from the first auction houses in the city of New York, and selected with great care expressly for this market. Also, a large selection of
Family Groceries, Shell Hardware, Crockery, Boots & Shoes, Holtzapfel Ware, Iron, Nails, &c.
and an unusual quantity of HABBDASHEERY, to make our stock of useful and ornamental complete. Our stock of goods were purchased for cash, and for cash will be sold as cheap as at Banghamton, Elmira or Oswego, and decidedly cheaper than any establishment in Towanda. Time and space will not allow us to enumerate the many new, rich and desirable goods, but will be shown to all who favor us with a call, with pleasure.
REMEMBER and call one door below Tracy & Moore, where our "pay-down" system is in full force, and as a consequence, are not overcharged in the Credit system, or additions made to support the Lumber trade. "One price, and no deviation is the true system."
A call is solicited, before purchasing elsewhere, at No. 5, south end, Brick Row.
