JATNE'S EXPECTORANT FOR COURSE, Course, Course, Course, Course, Acc.--No many people are afflicted with these common every day chorders, that we deem it our duty to point our readers to a simple refield. Which we have tried and found efficacious. Jayne's EXPECITORAN'T is a very valuable phial of syrup which we have lately used with good effect in stopping a cough and loosening, and break-ing up a cold. It is a very agreeable medicine. 'This recommendation is not a bought puff, but entirely volum-tary.' And we feel that we can hanily do a greater fa-vor to our readers in these days of cheating, than to recommend them as well tried, efficient remedics, espe-cially those we have used ourselves. cially these we have used ourselves.
