JAYNE'S EXPECTORANT .- The virtues of thi efficacious and cheap medicine for the cure of Consump tion and other diseases cannot be too well known. Ver many lives have been saved by it .- N. Y. Morning

JATER'S EXPECTORANT FOR COUGHS, COLDS, &c.—
Somany people are afflicted with these common every
day disorders, that we deem it our duty to point our
readers to a simple remedy, which we have tried and
found efficacious. Jayne's EXPECTORANT is a very valuable phiat of syrup which we have lately used with good offert in stopping a cough and loosening, and break-ing up a cold. It is a very agreeable medicine. This recommendation is not a bought pull, but entirely volun-tary. And we feel that we can hardly do a greater fa-vor to our readers in these days of cheating, than to recommend them as well tried, efficient remedies, espe cially those we have used ourselves.
