

THE SUGAR COATED IMPROVED INDIAN VEGETABLE PILLS

Reference to the many numerous testimonials of well-known and in some instances distinguished individuals, need not be again repeated to induce the public to place greater confidence in this now justly celebrated medicine, the peculiar operation of which, together with the mild and unparalysing efficacy in removing all obstructions, and restoring all functional elements of the stomach, Liver and other digestive organs; purifying the blood, strengthening the whole system, uprooting the most insidious local and chronic diseases, healing and restoring the internal organs, with their coadjutors, certainly and cheaply render them the most useful, general and family medicine to be found.

The great source of cure, which means healing, has opened a field for war, and every means have been boldly resorted to by the old pill venders to crush these god-sent Pills. The first slender runs thus:

New York, July, 1844.

We, Physicians of the city, feel it our duty to state, that we believe the pills known as Dr. Smith's Sugar Coated Improved Indian Vegetable Pills, are mainly composed of mercury.

L. S. HARR, M.D. do do
J. W. HERRICK, M.D. do do
P. ANDERSON, M.D. do do
W. HART, M.D. Prof. of Chemistry, N. Y.
L. O. RICHMOND, M.D. do do
M. BOGGS, M.D. Prof. Materia Medica, do
B. M. HENRI, M.D. Surgeon, N. Y.

This fraud was extensively circulated in the country before it came to the knowledge of Dr. Smith; but on investigation it was found that several large concerns had contributed hundred of dollars to put these Pills down by the most foul means, and Dr. Smith immediately applied to the celebrated Chemist, Dr. Chilton, and the following is the result:

New York, July 29, 1844.

I have analyzed a box of Dr. Smith's Sugar Coated Indian Vegetable Pills, and find that they do not contain mercury in any form.

JAMES R. CHILTON,
M. D. Chemist, 268 Broadway.

City and County of New York, ss:
I, the undersigned, Mayor of the City of New York, do hereby certify, that the above is a true and correct copy of the report of the Chemist, Dr. Chilton, as above stated, and that the said Pills do not contain mercury in any form, and that the inventor of the said Pills is Dr. Benjamin Smith.

G. BENJAMIN SMITH,
Mayor of the City of New York.

Sworn before me, this 15th day of August, A. D. 1844.

W. F. HAYES, Mayor.

This infamous slander being mailed, these agents, with a view to introduce and palm off some imitation of the said Pills, have been circulating the following report, that Dr. Smith did not invent these Pills. As to this falsehood, we only refer to the following:

Oath before the Mayor in 1844.

State of New York,
City and County of New York, ss:
G. Benjamin Smith, within named, being duly sworn, deposes and says, that he is a citizen of the United States and resides in the city of New York; and that he is the inventor of the "Sugar Coated Pills," and that he has his knowledge or belief, said Pills have never been manufactured or sold by any person except by himself or his authority; and that the statements contained in the within paper are true.

G. BENJAMIN SMITH,
Sworn before me, this 14th day of June, 1844.

JAMES HARR,
Mayor of the City of New York.

The above was sent to Washington, with our specification and application for a Patent. The following is the reply:

PATENT OFFICE.
Received this 17th day of June, 1844, from Dr. G. Benjamin Smith, the fee of \$30, paid on his application for a patent for a pill coated with Sugar.

H. L. ELLSWORTH, Commissioner of Patents.

Dr. Smith takes pleasure in publishing the following card from the Wholesale dealers on both sides of him in the same block.

New York, November 6, 1845.

We are well acquainted with Dr. G. Benj. Smith and believe him every way entitled to public confidence.

Dr. S. also refers to the President of the North River Bank.

We here append the certificate of the first chemists and one of the greatest surgeons in New York, given to Dr. G. Benj. Smith, one year after he invented his Pills, which shows him to be the originator of the "Sugar Coated Pills."

New York, June 16, 1844.

We, the undersigned, now saw or heard of "Sugar Coated Pills," until G. Benjamin Smith, manufacturer, exhibited them to us about a year since.

is written on the bottom of every box of genuine Sugar Coated Pills.

All Sugar-coated Pills except Dr. Smith's Indian Vegetable Sugar-coated Pills are base imitations, and are merely to palm off on the unsuspecting. Therefore always ask for Dr. G. Benjamin Smith's Pills, and take no other. Office 178 Greenwich-st. (large brick block) near Fulton. These Pills always cure coughs and colds immediately. Price 25 cents per box.

A FACT WORTH KNOWING.—A gentleman of a scrofulous habit became affected with ulcerations of the Throat and Nose, and a disagreeable and troublesome disease of the skin. Indeed his whole system bore the marks of being saturated with disease. One hand and wrist were so much affected that he had lost the use of the hand, every part being covered with deep, painful, and offensive Ulcers, and his hand and wrist were so swollen and porous as to prevent the use of the hand. He had been afflicted with this disease for several years, when he was advised to purchase of the medicine, which he commenced the use of JAYNE'S ALTERNATIVE, and having taken sixteen bottles, is now perfectly cured.—P. & C. LENOZ.

This ALTERNATIVE operates through the circulation and purifies the blood and eradicates diseases from the system, whether local, and the numerous cures of diseases of the Skin, Cancer, Scrofula, Gleet, Liver, &c. explain, Dyspepsia, and other Chronic diseases, is truly astonishing.

Prepared only by Dr. J. JAYNE, No. 8 South Third Street, Philadelphia. Sold by A. D. Montanye & Co., Pa.

JAYNE'S ALTERNATIVE OR PRESERVATIVE.
RHEUMATISM.—The Proprietor has not prescribed this preparation in a great many cases of Rheumatism, but in every case where it was used until the system became affected by the medicine, the disease was removed.

GOUT.—A number of cases of Gout have been cured by this Preparation. In one of these cases the man had been afflicted with it so severely for thirteen years, as to entirely disable him from business, and for five months immediately previous to his taking the Life Preservative, he had been confined to his room; but when he had finished the third bottle, he was enabled to walk about the streets, and soon after returned to his business, from which he had been excluded by his affliction.

Prepared only at No. 8 South Third Street, Philadelphia. Sold by A. D. MONTANYE & CO.

HONORABLE EXERTION SECURES REASONABLE SUCCESS.

H. S. & M. C. Mercur.
HAVE the pleasure of announcing to the public, that their unprecedented heavy sales this fall, have rendered it necessary to purchase another large stock of WINTER GOODS, which they are now receiving and offering for cash at wholesale or retail, at much lower prices than they can be found at any other store in Towanda. Cash purchasers of goods can secure the following advantages by calling at our store: First—The procuring of their goods at the least possible advance from the manufacturer's and importer's prices, as our goods are purchased from first hands, at net cash prices.
Second—Relief from the extra prices, which merchants who give credit must charge to cover losses by bad debts, collecting fees, &c.
Our stock is very heavy, comprising almost everything in the line of Dry Goods, Groceries, (liquors excepted) Hardware, Crockery, Drugs, Medicines, Paints, Oils, Dye stuffs, Boots and shoes, Saddlery Hardware, Carriage Trimmings, &c. And altho' our stock of goods is much the heaviest in town, they were purchased so very low that they did not cost \$25,000, or even \$15,000, and our customers can have the benefit of our advantageous purchases, as our motto is, "Small profits and quick sales." Nov. 26, 1845.

LARGE NEW STORE
AT MONROE CORNER, with full Winter's Supplies, AT LOWEST PRICES.
ROBERTS FOWLER has just filled, by the last trip of the boats for the season, his large and commodious new-store-house with a complete and well-assorted lot of Winter Goods, selected carefully by himself in the New York and Philadelphia markets to suit the season, with a special view to the tastes and wants of his neighborhood.
He respectfully invites an examination of his extensive stock—which he offers at an invariable cash price—comprising, generally,
Cloths, Caps, Hats, Hosiery, Hardware, Nails and Cutlery, Crockery, Stoneware, Tinware, Etc., Etc., Stationery, Staple and Fancy Dry Goods, Drugs and Dye Stuffs, De Laines, Alpacaes, Prints, Shawls, Sheetings, Flannels, &c., &c.

in short, every variety of goods required in this market, of the latest styles and of the best qualities according to prices, which shall be sold as low as can be afforded at any other establishment intended for permanent business. Full as his store is, he has room enough to trade in, and abundance of light to test the quality of his goods.
LUMBERMEN, in exchange for Boards or Shingles, shall have all their work done at the lowest price, and they will find, at the same rates, in addition to his general assortment, a constant supply of GRAIN, FLOUR, FISH, PORK, SALT, and all the necessaries as well as the conveniences of life.
FARMERS' produce bought at all times, at good prices, and as far an exchange made for goods as by any dealer in the county.
Persons going to the mine for COAL, can save hauling by leaving their loading here, (several miles this side,) at the coal-pier prices, and taking an order on the mines, which, under his arrangement, will be otherwise to their mutual advantage, by securing to purchasers coal at the most favorable rates of barter there, and saving to the miners the cost of bringing surplus produce back to market.

R. F. has heard of pigmy souls, near Franklindale corner, the old "yellow corner," whitened over like the sepulchre, and in some other dark corners, which could find no good answer to the question—"who is my neighbor?" but he has passed their reach, not cornered yet, and he assures the community which has imposed so many obligations in him by past confidence that he can risk his credit for coal, by stopping to kick off whiffets, or making announcements which he is unprepared to fulfill. Monroe, Dec. 3, 1845.
PRINTS—The largest, most desirable and cheapest assortment of Prints in town, can be found at MERCUR'S.
Wanted Goods.
M. DE LAINES, Crapes de Laines, C. D. Ecosse and Alpacaes, a fine assortment, purchased in New York, after the late falling off in prices at no. 26.
MERCUR'S.

BONNET VELVETS, Satins and Silks, with Ribbons to match, the best and cheapest assortment, at no. 26 MERCUR'S.
SHAWLS—Every one wishing to purchase Shawls, should by all means call where every thing in this line from twenty-five cents up, is kept at prices to suit the use of the articles; it is needless to say that it is at no. 26 MERCUR'S.
HARDWARE—The largest assortment and lowest prices ever offered in Bradford county, at no. 26 MERCUR'S.

SAVINGS BANK!
Still Later, More Rich Goods.
JUST received an invoice of the latest styles of Silks, among which may be found Plain black and blue, black, Ombre Striped Ponce de Soie's Camelion Repe with Satin Stripes, Genuine Polka Silks, Plaid Florences, Plain do., Plain silks for Bonnetts, a rare opportunity for those to purchase who intend going so as they are some ten shades above auction prices at Oct. 20.
G. E. FLYNT & CO'S.

TOWANDA MERCHANTS
THE SAVINGS BANK.
THIS action was brought for "downright murder," against the Cashier & Co. of the Towanda Savings Bank, for selling goods too cheap, and thereby killing the bank upon the "Merchant Prince's" of the borough. But with all their vaunted sayings, hired witnesses and combinations, together with the principal evidence admitted by us—that goods were sold cheap at Flynt & Co.'s than at any other establishment—we have at last come off with our "capital increased," and obtained a signal victory over these would-be "law" and order combinations, and carried dismay even to the enemy's camp. In addition to our former stock of Fall Goods, we have just received
Another Ark Load of Goods, which will be disposed of as liberally as heretofore—Therefore we have to record the
That George E. Flynt & Co. cannot be put down.
Look for the Savings Bank, dec'd.

IT IS NO WONDER!
WHAT the Farmer of Bradford county are all trading at "BAIRD'S STORE," in this borough, is in consideration, that in addition to keeping the largest and best stock of Goods in the county, and selling them cheaper than any body else, they have always been ready to assist and encourage that class of community by purchasing their produce of every description at the highest prices. What, for instance, would they have done with their butter for the last two summers had not "Old No. 3" boldly stood forth in support of honest industry and paid out all descriptions of goods, at the lowest cash prices, in exchange for that article? The hard-fisted money are replying to the above, by coming with a "rush" of a "perfect rush" in mass "!!" to the cheapest store in Towanda, where "Old No. 3" is always ready and willing to do the fair thing.
Dec. 25.

HONORABLE EXERTION SECURES REASONABLE SUCCESS.

H. S. & M. C. Mercur.
HAVE the pleasure of announcing to the public, that their unprecedented heavy sales this fall, have rendered it necessary to purchase another large stock of WINTER GOODS, which they are now receiving and offering for cash at wholesale or retail, at much lower prices than they can be found at any other store in Towanda. Cash purchasers of goods can secure the following advantages by calling at our store: First—The procuring of their goods at the least possible advance from the manufacturer's and importer's prices, as our goods are purchased from first hands, at net cash prices.
Second—Relief from the extra prices, which merchants who give credit must charge to cover losses by bad debts, collecting fees, &c.
Our stock is very heavy, comprising almost everything in the line of Dry Goods, Groceries, (liquors excepted) Hardware, Crockery, Drugs, Medicines, Paints, Oils, Dye stuffs, Boots and shoes, Saddlery Hardware, Carriage Trimmings, &c. And altho' our stock of goods is much the heaviest in town, they were purchased so very low that they did not cost \$25,000, or even \$15,000, and our customers can have the benefit of our advantageous purchases, as our motto is, "Small profits and quick sales." LARGE NEW STORE
AT MONROE CORNER, with full Winter's Supplies, AT LOWEST PRICES.
ROBERTS FOWLER has just filled, by the last trip of the boats for the season, his large and commodious new-store-house with a complete and well-assorted lot of Winter Goods, selected carefully by himself in the New York and Philadelphia markets to suit the season, with a special view to the tastes and wants of his neighborhood.
He respectfully invites an examination of his extensive stock—which he offers at an invariable cash price—comprising, generally,
Cloths, Caps, Hats, Hosiery, Hardware, Nails and Cutlery, Crockery, Stoneware, Tinware, Etc., Etc., Stationery, Staple and Fancy Dry Goods, Drugs and Dye Stuffs, De Laines, Alpacaes, Prints, Shawls, Sheetings, Flannels, &c., &c.

in short, every variety of goods required in this market, of the latest styles and of the best qualities according to prices, which shall be sold as low as can be afforded at any other establishment intended for permanent business. Full as his store is, he has room enough to trade in, and abundance of light to test the quality of his goods.
LUMBERMEN, in exchange for Boards or Shingles, shall have all their work done at the lowest price, and they will find, at the same rates, in addition to his general assortment, a constant supply of GRAIN, FLOUR, FISH, PORK, SALT, and all the necessaries as well as the conveniences of life.
FARMERS' produce bought at all times, at good prices, and as far an exchange made for goods as by any dealer in the county.
Persons going to the mine for COAL, can save hauling by leaving their loading here, (several miles this side,) at the coal-pier prices, and taking an order on the mines, which, under his arrangement, will be otherwise to their mutual advantage, by securing to purchasers coal at the most favorable rates of barter there, and saving to the miners the cost of bringing surplus produce back to market.

R. F. has heard of pigmy souls, near Franklindale corner, the old "yellow corner," whitened over like the sepulchre, and in some other dark corners, which could find no good answer to the question—"who is my neighbor?" but he has passed their reach, not cornered yet, and he assures the community which has imposed so many obligations in him by past confidence that he can risk his credit for coal, by stopping to kick off whiffets, or making announcements which he is unprepared to fulfill. Monroe, Dec. 3, 1845.

TOWANDA MERCHANTS
THE SAVINGS BANK.
THIS action was brought for "downright murder," against the Cashier & Co. of the Towanda Savings Bank, for selling goods too cheap, and thereby killing the bank upon the "Merchant Prince's" of the borough. But with all their vaunted sayings, hired witnesses and combinations, together with the principal evidence admitted by us—that goods were sold cheap at Flynt & Co.'s than at any other establishment—we have at last come off with our "capital increased," and obtained a signal victory over these would-be "law" and order combinations, and carried dismay even to the enemy's camp. In addition to our former stock of Fall Goods, we have just received
