married than you begin to fight !" large.

fortably provided for with food and clothing for the present.

The passengers were all foreigners-mostly Scotch, and we understand were on their way to Pennsylvania, where they expected to find employment in the mining establishments.

P. S .- Since writing the above, it gives us pleasure to state that the two lodges of the Inlependent Order of Odd Fellows, in this place with a promptitude worthy of that benevoent institution), have had special meetings. and appropriated the sum of fifty dollars each for the relief of the unfortunate sufferers. We understand collections will be taken up in the several churches to-motrow afternoon, for the same homane object.

DETERMINED TO FIGHT .- The company of colunteers from Talladega, Ala., having been disbanded at Mobile under the order of Secretary Marcy, most of the gallant fellows have returned to their homes ; five of their number, however, have taken the other end of the road. tains a lock of General Jackson's hair. This and are now on their way to the Rio Grande. present is the spontaneous gilt of a gentleman They left on Wednesday evening, in the of Nashville, Henry W. Taylor, who when a schooner Duane, direct for Point Isabel .-hoy in this city, had a lasting favor conferred up-They go on their own private account, intending on him through the generosity of Mr. Dallas .o report them selves direct to Gen. Taylor, & The present, under these circumstances, would solicit from him some place in the army where | no doubt be highly appreciated. fighting is to be done.

LOCK-JAW CURED-DR. ISAAC HIESTER, OF Reading. Pa., in the month of April last, cured Charles Sassaman, a boy 16 years old, by the propriety by disgust of the present style of use of a solution of the extract of cannabis Indica, or Indian Hemp. An aqueous solution of the extract of cannabis Indica, containing two grains to the tea-spoonful, was directed to be administered, at intervals, and in the course of her statement, a lady's dress is not considera few days the patient was entirely relieved .-This is an important discovery. The facts of in various directions, and for different purpo-the case are to be found recorded in the last see, no less than twenty-seven articles of cloth-Boston Medical and Surgical Journal.

THE CALIFORNIAS.'Upper and Lower, according to the best authority, comprise an area of 433 360 square miles, with a population of less than 100,000. Capt. Fremont writes that he as a sandy desert, and found the whole tract to be made up of snow-capped mountains, with

fertile valleys between. This shows how little reliance is to be placed on books, for ploted regions.

CROPS IN MONTGOMERY COUNNY, MD .-Our wheat harvest, says the Rockville Journal, is going on pretty generally. We hear some complaints about scab and rust, but not to a pert old maid with a shrill voice ; "that's true, very great extent-our harvest will at all events every word of it, for no sooner do you get exceed an average. The Oat crop will be Married.

In Towanda, on the 4th of July met martial music, the roar of artifery indi-display of stars and stripes, by D. Vinder and WILLIAM ROCLWELL to MISS HANNAR BAS of Granville?
