CLEAR THE WAY.

And make room for the Sovereign Balm Pills. It is now about four years since Dr. E. L. Soule first atroduced the Oriental or Sovereign Balm Pills to the introduced the Oriental of Sovereign, main Fills to the public, and we venture to say, that no other medicine has given such universal satisfaction, and the sale increase so fast, for with very little exertion or advertising the demand has increased to cover 1000 boxes per day.
They are intirely vegetable, and cause no pain in their dependions, being perfectly safe for young or old, and mose of debilitated constitutions, and as a family med-ene have no equal. They are an effectual remedy discases of this climate, such as billous diseases in a their various forms. Fever, Old Liver Complaints Head-ples, Coughs, Colds, Costiveness &c. We have warranted them in over 100 cases of Fever and Ague, and have never known them to fail in removing it, in om one to six days, when taken according to directtons. They never leave the bowels costive, being very different from any other Pills in use, which leave who wels costive, and one dose only creates the necessi-for another. In nervous debility and female weakness testored a large number of such cases after they had been confined to their beds, and given up by their physicians.
The certificates a few of which may be seen in our circalars, which may be had of our agents gratis. They quet the nervous system, and remove the cause of nerous irritation. In short they strengthen and renovate ne whole system. In cases of Dyspepsia and costiveness they have worked wonders: Thousands have been respected from all the horrors of the above diseases, and a number of them in Syracuse, and in this county.— For particulars see circulars.

We have always taken great care in selecting and compounding our medicines, which has been done by in Soule in person, as may be seen by the following
