## CLEAR THE WAY.

And make room for the Sovereign Balm Pills.

It is now about four years since Dr. E. L. Soule first introduced the Oriental or Sovereign Balm Pills to the public, and we venture to say that no other medicine has given such universal satisfaction, and the sale increases so fast, for with very little exertion or advertising the demand has increased to cover 1000 boxes per day. They are entirely vegetable, and cause no pain in their operations, being perfectly safe for young or old, and of course of obnoxious odor, and as a family medicine, have no equal. They are an effective remedy for diseases of this climate, such as bilious diseases in all their various forms. Fever, Old Liver Complaints, Headaches, Coughs, Colds, Costiveness &c. We have warranted them in over 100 cases of Peter and Ague, and have never known them to fail in removing it, in from one to six days, when taken according to directions. They never leave the bowels inactive, being very different from any other pills in use, which leave the bowels inactive, and one dose only creates the necessity for another. In nervous debility and female weakness their effects have been truly astonishing. They have restored a large number of such cases after they had been confined to their beds, and given up by their physicians. The certificates of a few of which may be seen in our circulars, which may be had of our agents gratis. They give the nervous system, and remove the cause of nervous irritation. In short they strengthen and renovate the whole system. In cases of Dyspepsia and costiveness they have worked wonders. Thousands have been restored from all the horrors of the above diseases, and a number of them in Syracuse, and in this county.

## AT AN ANNUAL MEETING

OF the Directors of the "Towanda Savings Bank," held at Towanda, May 1st, 1846, the following preamble and resolutions were unanimously adopted:

Resolved, That the largest stock of GOODS shall be placed in No. 5, South End, Brick Row.

Resolved, That the "Ready Pay System" be adopted, and that the "Savings Bank" be regulated in the prices of Merchandise and Exchange upon our next annual meeting.

Resolved, That the "Ready Pay System" be continued.

Resolved, That the "Ready Pay System" be adapted to this atmosphere, and when in successful operation, goods have, and shall be sold cheap as in the next place.

Resolved, That more goods and better, shall be sold at No. 5, (F. & Co.) for the coming twelve months, than any other establishment.

Resolved, That the proceedings of this meeting be published in the "Bradford Reporter," and "Bradford Argus," and two thousand copies circulated through the county.

GEO. E. FLYNT & Co.

## Another Great and Enthusiastic MEETING!

AT A MEETING of "all No. 5—Brick Row," held on the 3rd day of May, 1846, OLD BAIRD, was called to the Chair, and BILL BAIRD appointed a committee of the whole to draft resolutions. After several pathetic speeches by Elzezer and George, the following Preamble and Resolutions were unanimously adopted:

Whereas, There appears to be a great desire on the part of some Merchants in the Borough, to copy along with No. 5; and Whereas we are willing to assist them in doing so as far as consistent: Therefore Resolved, That such merchants have our consent to unite their several stocks together, as the only means by which they can equal No. 5.

Resolved, That the "Shareings Bank" take the right wing; "small profits and quick sales" the left, and "New York in miniature" the rear—a pike team backwards.

Resolved, That we never before thought New York was such a looking place as "its miniature" exhibits.

Resolved, That No. 3 always has, always can, and always WILL, sell goods cheaper, better goods and more of them than any store in town.

Resolved, That the proceedings of this meeting be published in the Village papers, and that one copy be handed to each of our competitors, and half a copy to "New York in miniature."

May 29, 1846. BILL BAIRD & Co.
