The increasing popularity of Dr. G. BENJ. SMITH'S IMPROVED INDIAN VEGETABLE SUGAR COATED PILLS, has induced a number of persons to make something that will sell and cost them with sugar, in order to sell them for the genuine, while they do not possess a particle of the goodness nor even assimilate in appearance to the original Dr. Smith's Pills. In short, they are an insidious FRAUD upon the community. A minister who at first had an interest in an imitation Sugar Coated Pill, manufactured in Albany, N. Y., has given them up, as he says, on account of the miserable dishonest parties concerned in manufacturing them. The same party are now industriously circulating reports calculated to injure Dr. Smith's Pills, and to affect the reputation of his valuable pills; but rather than notice them in public, Dr. Smith is about to institute legal proceedings against them for their slanders, as he has in another case against a similar party, in which he recovered a large amount of damages. These miserable imitators have to resort to the most abominable means to palm off their counterfeit pills, as the public know that Dr. Smith's are the original and genuine. Several instances have come to public notice in which life has been endangered by the unscrupulous use of the counterfeit. It is Dr. Smith's Pills that are doing so much good in the country—as the following plainly show.

USE and Recommend Dr. Smith's Pills to all others. This is to certify that I have used the Sugar Coated Pills manufactured by G. Benjamin Smith, of New York, for some time, and believe them to be a good medicine; and also, from inquiry in that city, I am persuaded that he is the original inventor, and therefore is entitled to the benefit of the invention.

S. WILLIAMS, Pastor 1st Baptist Church, Pitt-Sburgh.

From the Blue Hen's Chicken, (Del.) We call the attention of our readers to the certificate of Rev. S. Williams, Pastor of 1st Baptist Church, Pittsburg, in relation to Dr. Smith's Pills. We can ourselves bear testimony to the excellence of these Pills, on our use of them and experienced great relief from them.

The above is the best paper in the State of Delaware.

"THE IMPROVED INDIAN VEGETABLE PILLS," (Sugar Coated), are certainly doing much good in the whole country, and are highly esteemed, (one half is true that people write and say about them, they are so easy in their operation that all like them. The editor of the Northern State Journal, (one of the largest and best papers in the State of N. Y.) writes as follows:

Waterloo, May 31, 1846. Dr. G. Benj. Smith—Dear Sir: I was laid up with a bad cold some time since my return from N. Y., and during my illness I made trial of your pills, and I must say I found them excellent. They are the best medicine for the purpose they are intended, that I have yet seen. I would take your pills, but I found yours entirely free from the objections to which other pills are liable. I hope they will continue to be a source of profit to you, as I doubt not they will, to means of relief to the afflicted on a large scale.

Yours truly, J. GREEN.

Towanda, Pa., Sept. 18, 1846. Dear Sir: Your agent left me a lot of your SUGAR COATED PILLS, and I have but a few boxes left. Every box I have sold has given entire satisfaction. I have taken them myself and I consider them the best pills I have ever used, and I am not afraid to recommend them to the public. I wish a further supply to come. Yours respectfully, JACOB KIBLER, P. M.

Huntington Ind., June 21, 1846. Dr. Smith—Dear Sir: I am most of you INDIAN VEGETABLE SUGAR COATED PILLS, and find them selling so fast that I think you had better send me two gross immediately. They give such general satisfaction that people at least twenty miles for them, and as it is generally known I am agent for them, I would be very sorry to get out. Yours respectfully, SAM'L. MOORE & CO.

BEWARE!!! I G. BENJ. SMITH, be not written with a pen on the bottom of the box, all "Sugar Coated" Pills are Counterfeit. Principal Office 179 Greenwich Street, large brick block, N. Y. Price 25 cents a box.
