Dr. A. Upham's Vegetable Electuary,
An internal Remedy, invented by
DR. A. UPHAM a distinguished Physician of
New York city, is the only real successful remedy for
that dangerous and distressing complaint—the PILES
—ever offered to an American public.
Mark this. It is an INTERNAL REMEDY—and
not on favorable subjection, and mill cure every con-

not an external application, and will core every case of Piles, either bleeding or blind, internal or external, and probably the only thing that will. There is no mistake about it. It is a positive cure—speedy and permanent. It is also a convenient medicine to take, and improves the general heal h in a remarkable man-ner. Each box contains twelve doses, at 8½ a dose. It is very mild in its operation, ond may be taken in cases of the most acute inflammation without danger. All external applications are in the highest degree disagree-able, inconvenie t and offensive; and from the very na-ture of the disease, inconvenient in their effects. This medicine attacks the disease at its source, and removing

the cause, renders the cure certain and permanent.

To Married Ladies.—Married ladies are almost inro MARRIED LADIES.—Married ladies are almost invariably subject to that painful and injurious disease, the Piles, with consequent inflammation of the stomach, bowels and spine, weakness of the back, flow of blood to to the head, &c. The Electuary is perfectly safe for pregnant ladies, and the most useful cathertic that can be a subject to the back. possibly be used, as it not only removes the Piles and all inflammatory diseases without pain or irritation, but will insure an easy time, a safe delivery, and a sound

onstitution in the offspring.

The Electuary contains no mineral medicine, no al no Electuary comains no mineral memeric, no aisee, colocynth or gamboge, or other powerful and irritative purgative. No fear of taking cold while under its
influence—no change in dlet necessary. If taken according to directions, a cure for life is guaranteed.

"Sugar Coated Pills."-Beware! Cantion.

HE increasing popularity of Dr. G. BENJ.
SMITH'S IMPROVED INDIAN VEGETABLE SUGAR COATED PILLS. has induced a number of persons to make something they call PILLS and coat them with sugar, in order to sell them for the genuine, while they do not possess a particle of t e goodness, nor even assimilate in appearance to the original, Dr. Smith's Pills. In short, they are an inoriginal. Dr. Sonitia s Fines. An suote tary see an intended FRAUD upon the community. A minister who at first had an interest in an imitation Sugar Coate. Pill, manufactured in Albany, N. Y., has given them. up, as he says, on account of the miscrable dishonest parties concerned in manufacturing them. The same party are now industriously circulating reports calculated to injure Dr. Smiths and to affect the reputation of his valuable pills; but rather than notice them in public, Dr. Smith is about to institute legal proceedings against them for their slanders, as he has in another case against a similar party, in which he recovered a large amount of damages. These miserable imitators have to resort to the most abominable means to palin off their counterfeit pills, as the public know that Dr. Smith's are the original pills, as the public know that Dr. Smith's are the original and genuine. Several instances have come to public notice in which life has been endangered by the unfortunate use of the counterfeits. It is Dr. Smith's Pills that are doing so much good in the country—as the following parties of the pills with the property of the pills with the property of the pills with the property of the pills with the pills wi

following plainly show.

MORE MINISTERS. Use and Recommend Dr. Smith's Pills than all others. This is to certify that I have used the Sugar Coated Pills manufactured by G. Benjamin Smith, of New-York, for some time, and believe them to be a good medicine; and also, from inquiry in that city. I am persualed that be is the original inventor, and therefore is entitled to the benefit of the invention,

Pastor 1st Baptist Church, Pittsburgh.

From the Blue Hen's Chieken, (Del.) We call the attention of our readers to the certificate of Rev. S. Williams, Paster of 1st Baptist Church, Pittsburgh, in relation to Dr. Smith's Pills. We can ourselves bear testimony to the excellence of these Pills. one of us having used them and experienced great relief The above is the best paper in the State of Delaware

The "IMPROVED INDIAN VEGETABLE PILLE," (Sugar Coated,) are certainly doing much good in the whole country, and are highly esteemed, if one half is true that people write and say about them. They are so easy in their operation that all like them. The editor of the Northern State Journal, (one of the largest and best papers in the State of N. Y.,) writes as follows:

Waterways May 31 1246 Watertown, May 31, 1846.

Dr. G. Benj. Smith-Dear Sir. I was laid up with a bad cold some time since my return from N. Y., and during my illness I made trial of your pills, and I must say I found them excellent. They are the best medicine for the purpose they are intended, that I have yet seen. I seldom take they are intended, that I have yet seen. I seldom take pills, but I found yours entirely free from the objections to which other pills are liable. I hope they will continue to be a source of profit to you, as I doubt not they will be means of relief to the afflicted on a large scale. Yours truly, J. GREEN.

Tonawanda, Pa, Sept, 18 1846.

Dr. G. Benj. Smith—

Dear Sir: Your agent left with me a lot of your SGGAR COATEN PILLS, and I have but a few boxes left. Every box I have sold has given entire satisfaction. I have taken them myself and I consider them the best pills I have ever used, and I am not afraid to recommend them to the public. I wish a further supply Yours respectfully.
