NOTWITHSTANDING the rush at the Saving Bank, for goods, we are happy to state for the be nefit of Mr. "Pey-down," that he can be accommodal ed with any quantity and style of goods, and new goods at that, and at the lowest possible prices, as usual, We are constantly adding to our stock all the new and fashionable styles of goods, that none need pay the "old price," from the fact that we have not got them. Cash purchasers need not be deceived, by those whose interests it is to keep them away, as we always have "a few of the same sort left." Be sure you are right.—No. 5.

give you reasons for it:

A little Logic and Common Sense.

There are three things beyond dispute:—lst—lf a man pays out much money, he must receive as much.

2. If a man's expenses in business are large, his profits

in it a man is expensed an armond the large.

Therefore, the Grocery and Shoe Establishment at the corner of Main and Bridge sta, in a small plain store, at a cheap rent, can afford to sell boots & shore. hats & caps, and groceries, at lower prices, and of better quality than any other store in town. Now, if this is not sound logic, two and two do not

take four; but if it is, common sense calls on you to come to us for your Hats & Caps, Boots & Shoes &c. See the contrast, and let your own reason decide it it was not your advantage to give us a trial.
